**Fred the Clown** Roger Langridge, 2004-11-10

The signature creation of cartoonist Roger Langridge, Fred the Clown is the thinking man's idiot. Fred has an eye for the ladies as well as several other organs, but the only part of themselves they're willing to share with him is a carefully placed kneecap. Fred the Clown's misadventures are a curious balance of bleakness and joyful absurdism: the universe may dump on Fred from a great height, but he never gives up. More often than not, they involve the pursuit of a lady; any lady will do, it seems, but bearded ladies are at the top of the list. Disappointment seems inevitable, and it usually is, yet almost despite himself, Langridge will occasionally give Fred a happy ending out of nowhere.
