*Game Engine Black Book: DOOM* Jun 15 2021 It was early 1993 and id Software was at the top of the PC gaming industry. Wolfenstein 3D had established the First Person Shooter genre and sales of its sequel Spear of Destiny were skyrocketing. The technology and tools id had taken years to develop were no match for their many competitors. It would have been easy for id to coast on their success, but instead they made the audacious decision to throw away everything they had built and start from scratch. Game Engine Black Book: Doom is the story of how they did it. This is a book about history and engineering. Don't expect much prose (the author's English has improved since the first book but is still broken). Instead you will find inside extensive descriptions and drawings to better understand all the challenges id Software had to overcome. From the hardware -- the Intel 486 CPU, the Motorola 68040 CPU, and the NeXT workstations -- to the game engine's revolutionary design, open up to learn how DOOM changed the gaming industry and became a legend among video games.

**Running in the Midpack** Mar 17 2024 'a really, really, really good book' – Vassos Alexander 'A masterpiece' – Paul-Sinton Hewitt CBE, parkrun founder 'A lovely book... it is really simple about getting a nice relationship with your running where it helps your life and changes with your life... Very accessible.' – Paul Tonkinson, Running Commentary presenter and author A smart running book designed for the all-too-often overlooked middle-of-the-pack runner, written by Marathon Talk's Martin Yelling and Anji Andrews. Welcome to the midpack! Running pushes us, stretches us, asks us difficult questions, challenges us. It gives us space, calms us down, picks us up, boosts our energy, rewards, inspires and fulfils us. Midpack runners – those who fall between the beginners and the elite – are the heartbeat and footsteps of the running community. In this long-overdue book, Marathon Talk's Martin Yelling and Anji Andrews share their expert knowledge, first-person stories and coaching ideas to nourish the midpackers' running experience. Covering such diverse topics as 'Making Yourself Bullet-proof' and 'How to Nail Your Race', Running in the Midpack will cultivate your running progress, and help you to become a healthy, happy and successful runner. Marathon Talk is the UK's number one running podcast.
