Martha C. Nussbaum

From Disgust To Humanity Sexual Orientation And Constitutional Law

Martha C Nussbaum

From Disgust to Humanity Martha C. Nussbaum, 2010-02-18 A distinguished professor of law and philosophy at the University of Chicago a prolific writer and award winning thinker Martha Nussbaum stands as one of our foremost authorities on law justice freedom morality and emotion In *From Disgust to Humanity* Nussbaum aims her considerable intellectual firepower at the bulwark of opposition to gay equality the politics of disgust Nussbaum argues that disgust has long been among the fundamental motivations of those who are fighting for legal discrimination against lesbian and gay citizens When confronted with same sex acts and relationships she writes they experience a deep aversion akin to that inspired by bodily wastes slimy insects and spoiled food and then cite that very reaction to justify a range of legal restrictions from sodomy laws to bans on same sex marriage Leon Kass former head of President Bush's President's Council on Bioethics even argues that this repugnance has an inherent wisdom steering us away from destructive choices Nussbaum believes that the politics of disgust must be confronted directly for it contradicts the basic principle of the equality of all citizens under the law It says that the mere fact that you happen to make me want to vomit is reason enough for me to treat you as a social pariah denying you some of your most basic entitlements as a citizen In its place she offers a politics of humanity based not merely on respect but something akin to love an uplifting imaginative engagement with others an active effort to see the world from their perspectives as fellow human beings Combining rigorous analysis of the leading constitutional cases with philosophical reflection about underlying concepts of privacy respect discrimination and liberty Nussbaum discusses issues ranging from non discrimination and same sex marriage to public sex Recent landmark decisions suggest that the views of state and federal courts are shifting toward a humanity centered vision and Nussbaum's powerful arguments will undoubtedly advance that cause Incisive rigorous and deeply humane *From Disgust to Humanity* is a stunning contribution to Oxford's distinguished Inalienable Rights series

Frontiers of Justice Martha C. NUSSBAUM, 2009-06-30 Theories of social justice addressing the world and its problems must respond to the real and changing dilemmas of the day A brilliant work of practical philosophy *Frontiers of Justice* is dedicated to this proposition Taking up three urgent problems of social justice those with physical and mental disabilities all citizens of the world and nonhuman animals neglected by current theories and thus harder to tackle in practical terms and everyday life Martha Nussbaum seeks a theory of social justice that can guide us to a richer more responsive approach to social cooperation

Capabilities, Gender, Equality Flavio Comim, Martha C. Nussbaum, 2014-04-17 Provides unique reflections on the capability approach and its relevance to new human development policies and political liberalism

Philosophical Interventions Martha C. Nussbaum, 2012-01-24 This volume collects the

notable published book reviews of Martha C Nussbaum an acclaimed philosopher who is also a professor of law and a public intellectual Her academic work focuses on questions of moral and political philosophy and on the nature of the emotions But over the past 25 years she has also written many book reviews for a general public in periodicals such as The New Republic and The New York Review of Books Dating from 1986 to the present these essays engage constructively and also critically with authors like Roger Scruton Allan Bloom Charles Taylor Judith Butler Richard Posner Catharine MacKinnon Susan Moller Okin and other prominent intellectuals of our time Throughout her views defy ideological predictability heralding valuable work from little known sources deftly criticizing where criticism is due and generally providing a compelling picture of how philosophy in the Socratic tradition can engage with broad social concerns For this volume Nussbaum provides an intriguing introduction that explains her selection and provides her view of the role of the public philosopher

The New Religious Intolerance Martha C. Nussbaum, 2012-04-24 What impulse prompted some newspapers to attribute the murder of 77 Norwegians to Islamic extremists until it became evident that a right wing Norwegian terrorist was the perpetrator Why did Switzerland a country of four minarets vote to ban those structures How did a proposed Muslim cultural center in lower Manhattan ignite a fevered political debate across the United States In The New Religious Intolerance Martha C Nussbaum surveys such developments and identifies the fear behind these reactions Drawing inspiration from philosophy history and literature she suggests a route past this limiting response and toward a more equitable imaginative and free society Fear Nussbaum writes is more narcissistic than other emotions Legitimate anxieties become distorted and displaced driving laws and policies biased against those different from us Overcoming intolerance requires consistent application of universal principles of respect for conscience Just as important it requires greater understanding Nussbaum challenges us to embrace freedom of religious observance for all extending to others what we demand for ourselves She encourages us to expand our capacity for empathetic imagination by cultivating our curiosity seeking friendship across religious lines and establishing a consistent ethic of decency and civility With this greater understanding and respect Nussbaum argues we can rise above the politics of fear and toward a more open and inclusive future

Hiding from Humanity Martha C. Nussbaum, 2009-01-10 Should laws about sex and pornography be based on social conventions about what is disgusting Should felons be required to display bumper stickers or wear T shirts that announce their crimes This powerful and elegantly written book by one of America s most influential philosophers presents a critique of the role that shame and disgust play in our individual and social lives and in particular in the law Martha Nussbaum argues that we should be wary of these emotions because they are associated in troubling ways with a desire to hide from our humanity embodying an unrealistic and sometimes pathological wish to be invulnerable Nussbaum argues that the thought content of disgust embodies magical ideas of contamination and impossible aspirations to purity that are just not in line with human life as we know it She argues that disgust should never be the basis for criminalizing an act or play either the aggravating or the mitigating role in criminal law it currently does She

writes that we should be similarly suspicious of what she calls primitive shame a shame at the very fact of human imperfection and she is harshly critical of the role that such shame plays in certain punishments Drawing on an extraordinarily rich variety of philosophical psychological and historical references from Aristotle and Freud to Nazi ideas about purity and on legal examples as diverse as the trials of Oscar Wilde and the Martha Stewart insider trading case this is a major work of legal and moral philosophy

Not for Profit Martha C. Nussbaum,2016-11-08 In this short and powerful book celebrated philosopher Martha Nussbaum makes a passionate case for the importance of the liberal arts at all levels of education Historically the humanities have been central to education because they have been seen as essential for creating competent democratic citizens But recently Nussbaum argues thinking about the aims of education has gone disturbingly awry in the United States and abroad We increasingly treat education as though its primary goal were to teach students to be economically productive rather than to think critically and become knowledgeable productive and empathetic individuals This shortsighted focus on profitable skills has eroded our ability to criticize authority reduced our sympathy with the marginalized and different and damaged our competence to deal with complex global problems And the loss of these basic capacities jeopardizes the health of democracies and the hope of a decent world In response to this dire situation Nussbaum argues that we must resist efforts to reduce education to a tool of the gross national product Rather we must work to reconnect education to the humanities in order to give students the capacity to be true democratic citizens of their countries and the world In a new preface Nussbaum explores the current state of humanistic education globally and shows why the crisis of the humanities has far from abated Translated into over twenty languages Not for Profit draws on the stories of troubling and hopeful global educational developments Nussbaum offers a manifesto that should be a rallying cry for anyone who cares about the deepest purposes of education

[Making Sense of the Bible \[Leader Guide\]](#) Adam Hamilton,2014-09-15 In this six week video study Adam Hamilton explores the key points in his new book Making Sense of the Bible With the help of this Leader Guide groups learn from Hamilton as his video presentations lead groups through the book focusing on the most important questions we ask about the Bible its origins and meaning

Liberty of Conscience Martha Craven Nussbaum,2008-02-05 An analysis of America s commitment to religious liberty uses political history philosophical ideas and key constitutional cases to discuss its basis in six principles equality respect for conscience liberty accommodation of minorities nonestablishment and separation of church and state

Covering Kenji Yoshino,2011-11-02 A lyrical memoir that identifies the pressure to conform as a hidden threat to our civil rights drawing on the author s life as a gay Asian American man and his career as an acclaimed legal scholar Kenji Yoshino offers his personal search for authenticity as an encouragement for everyone to think deeply about the ways in which all of us have covered our true selves We really do feel newly inspired The New York Times Book Review Everyone covers To cover is to downplay a disfavored trait so as to blend into the mainstream Because all of us possess stigmatized attributes we all encounter pressure to cover in our daily lives

Racial minorities are pressed to act white by changing their names languages or cultural practices Women are told to play like men at work Gays are asked not to engage in public displays of same sex affection The devout are instructed to minimize expressions of faith and individuals with disabilities are urged to conceal the paraphernalia that permit them to function Given its pervasiveness we may experience this pressure to be a simple fact of social life Against conventional understanding Kenji Yoshino argues that the work of American civil rights law will not be complete until it attends to the harms of coerced conformity Though we have come to some consensus against penalizing people for differences based on race sex sexual orientation religion and disability we still routinely deny equal treatment to people who refuse to downplay differences along these lines At the same time Yoshino is responsive to the American exasperation with identity politics which often seems like an endless parade of groups asking for state and social solicitude He observes that the ubiquity of covering provides an opportunity to lift civil rights into a higher more universal register Since we all experience the covering demand we can all make common cause around a new civil rights paradigm based on our desire for authenticity a desire that brings us together rather than driving us apart Praise for Covering Yoshino argues convincingly in this book part luminous moving memoir part cogent level headed treatise that covering is going to become more and more a civil rights issue as the nation and the nation's courts struggle with an increasingly multiethnic America San Francisco Chronicle A remarkable debut Yoshino's sense of justice is pragmatic and infectious Time Out New York

Keeping Faith with the Constitution Goodwin Liu, Pamela S. Karlan, Christopher H. Schroeder, 2010-08-05 Chief Justice John Marshall argued that a constitution requires that only its great outlines should be marked and its important objects designated Ours is intended to endure for ages to come and consequently to be adapted to the various crises of human affairs In recent years Marshall's great truths have been challenged by proponents of originalism and strict construction Such legal thinkers as Supreme Court Justice Antonin Scalia argue that the Constitution must be construed and applied as it was when the Framers wrote it In Keeping Faith with the Constitution three legal authorities make the case for Marshall's vision They describe their approach as constitutional fidelity not to how the Framers would have applied the Constitution but to the text and principles of the Constitution itself The original understanding of the text is one source of interpretation but not the only one to preserve the meaning and authority of the document to keep it vital applications of the Constitution must be shaped by precedent historical experience practical consequence and societal change The authors range across the history of constitutional interpretation to show how this approach has been the source of our greatest advances from Brown v Board of Education to the New Deal from the Miranda decision to the expansion of women's rights They delve into the complexities of voting rights the malapportionment of legislative districts speech freedoms civil liberties and the War on Terror and the evolution of checks and balances The Constitution's framers could never have imagined DNA global warming or even women's equality Yet these and many more realities shape our lives and outlook Our Constitution will remain vital into our changing future the authors write if judges

remain true to this rich tradition of adaptation and fidelity

In Defense of Plural Marriage Ronald C. Den

Otter,2015-05-28 With over half of Americans now in favor of marriage equality it is clear that societal norms of marriage are being quickly redefined The growing belief that the state may not discriminate against gays and lesbians calls into question whether the state may limit other types of marital unions including plural marriage While much has been written about same sex marriage as of yet there has been no book length legal treatment of unions among three or more individuals The first major study on plural marriage and the law In Defense of Plural Marriage begins to fill this lacuna in the scholarly literature Ronald C Den Otter shows how the constitutional arguments that support the option of plural marriage are stronger than those against Ultimately he proposes a new semi contractual marital model that would provide legal recognition for a wide range of intimate relationships

Cultural Politics of Emotion Sara Ahmed,2014-06-11 Emotions work to define who we are as well as shape what we do and this is no more powerfully at play than in the world of politics Ahmed considers how emotions keep us invested in relationships of power and also shows how this use of emotion could be crucial to areas such as feminist and queer politics Debates on international terrorism asylum and migration as well as reconciliation and reparation are explored through topical case studies In this book the difficult issues are confronted head on The Cultural Politics of Emotion is in dialogue with recent literature on emotions within gender studies cultural studies sociology psychology and philosophy Throughout the book Ahmed develops a theory of how emotions work and the effects they have on our day to day lives New for this edition A substantial 15 000 word Afterword on Emotions and Their Objects which provides an original contribution to the burgeoning field of affect studies A revised Bibliography Updated throughout

The Religion Clauses Erwin Chemerinsky,Howard Gillman,2020 The relationship between the government and religion is deeply divisive With the recent changes in the composition of the Supreme Court the First Amendment law concerning religion is likely to change dramatically in the years ahead The Court can be expected to reject the idea of a wall separating church and state and permit much more religious involvement in government and government support for religion The Court is also likely to expand the rights of religious people to ignore legal obligations that others have to follow such laws that require the provision of health care benefits to employees and prohibit businesses from discriminating against people because of their sexual orientation This book argues for the opposite and the need for separating church and state After carefully explaining all the major approaches to the meaning of the Constitution s religion clauses the book argues that the best approaches are for the government to be strictly secular and for there to be no special exemptions for religious people from neutral and general laws that others must obey The book argues that this separationist approach is most consistent with the concerns of the founders who drafted the Constitution and with the needs of a religiously pluralistic society in the 21st century

WikiLeaks David Leigh,Luke Harding,2011-02 It was the biggest leak in history WikiLeaks infuriated the world s greatest superpower embarrassed the British royal family and helped cause a revolution in Africa The man behind it was

Julian Assange one of the strangest figures ever to become a worldwide celebrity Was he an internet messiah or a cyber terrorist Information freedom fighter or sex criminal The debate would echo around the globe as US politicians called for his assassination Award winning Guardian journalists David Leigh and Luke Harding have been at the centre of a unique publishing drama that involved the release of some 250 000 secret diplomatic cables and classified files from the Afghan and Iraq wars At one point the platinum haired hacker was hiding from the CIA in David Leigh s London house Now together with the paper s investigative reporting team Leigh and Harding reveal the startling inside story of the man and the leak *From Sacramento to Contract* John Witte,2012-01-01 This newly revised and enlarged edition of John Witte s authoritative historical study explores the interplay of law theology and marriage in the Western tradition Witte uncovers the core beliefs that formed the theological genetic code of Western marriage and family law He explores the systematic models of marriage developed by Catholics Lutherans Calvinists Anglicans and Enlightenment thinkers and the transformative influence of each model on Western marriage law In addition he traces the millennium long reduction of marriage from a complex spiritual social contractual and natural institution into a simple private contract with freedom of entrance exercise and exit for husband and wife alike This second edition updates and expands each chapter and the bibliography It also includes three new chapters on classical biblical and patristic sources

Anger and Forgiveness Martha C. Nussbaum,2016-04-01 Anger is not just ubiquitous it is also popular Many people think it is impossible to care sufficiently for justice without anger at injustice Many believe that it is impossible for individuals to vindicate their own self respect or to move beyond an injury without anger To not feel anger in those cases would be considered suspect Is this how we should think about anger or is anger above all a disease deforming both the personal and the political In this wide ranging book Martha C Nussbaum one of our leading public intellectuals argues that anger is conceptually confused and normatively pernicious It assumes that the suffering of the wrongdoer restores the thing that was damaged and it betrays an all too lively interest in relative status and humiliation Studying anger in intimate relationships casual daily interactions the workplace the criminal justice system and movements for social transformation Nussbaum shows that anger s core ideas are both infantile and harmful Is forgiveness the best way of transcending anger Nussbaum examines different conceptions of this much sentimentalized notion both in the Jewish and Christian traditions and in secular morality Some forms of forgiveness are ethically promising she claims but others are subtle allies of retribution those that exact a performance of contrition and abasement as a condition of waiving angry feelings In general she argues a spirit of generosity combined in some cases with a reliance on impartial welfare oriented legal institutions is the best way to respond to injury Applied to the personal and the political realms Nussbaum s profoundly insightful and erudite view of anger and forgiveness puts both in a startling new light

The Cambridge Handbook of the Capability Approach Enrica Chiappero-Martinetti,Siddiqur Osmani,Mozaffar Qizilbash,2020-11-19 This landmark handbook collects in a single volume the current state of cutting edge research on the capability approach It

includes a comprehensive introduction to the approach as well as new research from leading scholars in this increasingly influential multi disciplinary field including the pioneers of capability research Martha C Nussbaum and Amartya Sen Incorporating both approachable introductory chapters and more in depth analysis relating to the central philosophical conceptual and theoretical issues of capability research this handbook also includes analytical and measurement tools as well as policy approaches which have emerged in the recent literature The handbook will be an invaluable resource for students approaching the capability approach for the first time as well as for researchers engaged in advanced research in a wide range of disciplines including development studies economics gender studies political science and political philosophy

Research Handbook on Law and Emotion Susan A. Bandes, Jody L. Madeira, Kathryn D. Temple, Emily Kidd White, 2021-04-30 This illuminating Research Handbook analyses the role that emotions play and ought to play in legal reasoning and practice rejecting the simplistic distinction between reason and emotion **Anger, Mercy, Revenge** Lucius Annaeus Seneca, 2010-07-15 Lucius Annaeus Seneca 4 BCE 65 CE was a Roman Stoic philosopher dramatist statesman and adviser to the emperor Nero all during the Silver Age of Latin literature The Complete Works of Lucius Annaeus Seneca is a fresh and compelling series of new English language translations of his works in eight accessible volumes Edited by world renowned classicists Elizabeth Asmis Shadi Bartsch and Martha C Nussbaum this engaging collection restores Seneca whose works have been highly praised by modern authors from Desiderius Erasmus to Ralph Waldo Emerson to his rightful place among the classical writers most widely studied in the humanities Anger Mercy Revenge comprises three key writings the moral essays On Anger and On Clemency which were penned as advice for the then young emperor Nero and the Apocolocyntosis a brilliant satire lampooning the end of the reign of Claudius Friend and tutor as well as philosopher Seneca welcomed the age of Nero in tones alternately serious poetic and comic making Anger Mercy Revenge a work just as complicated astute and ambitious as its author

From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum Introduction

In today's digital age, the availability of From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals for download has revolutionized the way we access information. Gone are the days of

physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical

documents. In conclusion, From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum books and manuals for download and embark on your journey of knowledge?

FAQs About From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum is one of the best book in our library for free trial. We provide copy of From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum. Where to download From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum online for free? Are you looking for From Disgust To Humanity Sexual Orientation And Constitutional Law Martha C Nussbaum PDF? This is definitely going to save you time and cash in something you should think about.
