Following the overwhelming success of AWKWARD and BRAVE, Svetlana Chmakova's award winning Berrybrook Middle School series continues with its next installment - CRUSH! Jorge seems to have it all together. He's big enough that nobody really messes with him, but he's also a genuinely sweet guy with a solid, reliable group of friends. The only time he ever really feels off his game is when he crosses paths with a certain girl... But when the group dynamic among the boys starts to shift, will Jorge be able to balance what his friends expect of him versus what he actually wants? Looking forward to reuniting with her summer crush during an annual family beach vacation, Lauren's carefully planned strategies to win his heart are challenged by the appearance of a friend from school, who captures the boy's attentions. An informal view of dining and entertaining the Texas way. The instant #1 New York Times Bestselling Series Everything feels off—especially me. I’ve returned to Katmere Academy, but I’m haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don’t know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play, and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else’s is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I’m able to give. Don’t miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish In a world of subtle horrors, Elizabeth Mason is about to meet one monster she never counted on—herself. On the day of her 18th birthday Liz undergoes a strange metamorphosis which, for reasons unknown, causes her to transform into the monster called Crush! As if that wasn't enough, Liz soon has to deal with a deadly, ruthless agent tailing her—with teenage werewolves! At least she has her best friend, the vivacious Jen Tanaka, to count on. What at first seems to be a curse may be the very thing that leads Liz to understand who she truly is. Written by the amazing Jason Hall with dynamic illustrations by the talented Sean Murphy. Mediterranean food expert Wright presents a jaw-dropping collection of more than 500 recipes for all sorts of traditional Mediterranean appetizers, snacks, and little foods. "Cookery and Dining in Imperial Rome" by Apicius is the oldest known cookbook in existence. There are recipes for cooking fish and seafood, game, chicken, pork, veal, and other domesticated animals and birds, for vegetable dishes, grains, beverages, and sauces; virtually the full range of cookery is covered. There are also methods for preserving food and revitalizing them in ways that are surprisingly still relevant. When a class assignment requires seventeen-year-old Julie to shadow someone on the job, she's overwhelmed by the decisions she'll have to make. After all, she has no clue what she wants from life post-graduation. So when her Uncle Charlie, Oakland's Chief of Police, suggests Julie fulfill her twenty hours of required job shadowing at the local police department, she's thrilled at his solution. Thinking she'll spend her days filing paperwork behind a desk, she finds herself quickly agreeing to his proposition. But Julie's expectations are quickly turned upside down when she meets Luke, the young and handsome (albeit somewhat stubborn) officer she's assigned to shadow on patrol. With every hour she logs with Luke at the wheel, her feelings stir deeper, and Julie can't help but wonder if what she's feeling has developed into more than just a little crush. It's a fine line between obsession and admiration, and Tia isn't certain on which side she stands. One thing is sure, she needs to meet Eric Larsson—the Hollywood movie star that makes her insides twist. Eric Larsson doesn't even know she exists. Can Tia make her dream come true without her mug shot being broadcasted on the five o'clock news? Meet Lizzie Hart. Small town girl...big time problems. Hindered only by her raging crush on the office hunk, wannabe sleuth Lizzie Hart spies, accuses, and gossips her way to the truth in bestselling author Caroline Fardig's first book of The Lizzie Hart Mysteries Series! The sleepy town of Liberty hasn't seen murder in...well...ever. Residents are stunned when the body of a young woman is found strangled, and reporters at the Liberty Chronicle are thrilled, rather disturbingly, over the biggest news story to hit town this century. Lizzie Hart has even bigger problems. Lately, she can't seem to concentrate on her job as copy editor at the Chronicle with the new hunky investigative reporter, Blake Morgan, swaggering around the office. How can a girl work when she's using all of her energy combating Blake-induced hot flashes and struggling to repress the giggly inner schoolgirl that's constantly rearing her dorky head? It's a good thing that Blake barely knows Lizzie exists. After an odd string of events, however, Lizzie begins to wonder if Blake is really as fabulous as she has fantasized. When Lizzie and Blake find a co-worker dead, Blake's personality changes completely—and not in a good way. Even though the police rule the death as an accident, Lizzie immediately suspects foul play and senses a connection to the recent murder. She is determined to bring the killer to justice, but is having some trouble getting her Nancy Drew on thanks to the pesky stalker she's picked up—Blake Morgan. Wait, didn't she want him to follow her around and pay attention to her? Not like this. Blake has turned from cool and smooth to cold and downright scary, making Lizzie wonder if he should be next on her suspect list. A very important aspect of this book are selected core of ideas relating to achieving happiness in life—ideas which have made people famous, rich, and successful leaders of human compassion. We call these ideas Food for Thought which, undoubtedly, is soul and/or spiritual food for the body. This food for thought addition to the book makes it a unique recipe book compared to all other books of the kind. Surely the body needs food for thought if only for spiritual well being. Indigenous words used to describe some food ingredients in each Asian recipe are included in some of the recipe descriptions. Little Crush is a series of three children's books about a talking teddy bear, who introduces a touch of magic to a young family's lives. In 'A Bear's Beginning' Little Crush finds himself lost & alone when his owner leaves him behind on a beach after a trip to the seaside. Luckily for the bear, two local children find him & take him home. But can his new family help him to get home again? 'A Bear's Beginning' is the first a series of three books featuring Little Crush. Written to be ideal for bedtime reading, & featuring full colour illustrations, the series has charmed children & adults alike. The team behind the critically acclaimed revamp of Batgirl returns with an exciting sci-fi-action-adventure series! By day, Domino Swift competes for fame and fortune in a worldwide motorcycle racing league. By night, she cracks heads of rival gangs in brutal bike wars to gain possession of a rare, valuable contraband: an engine-boosting Òmachine narcoticÓ known as Crush. Featuring Part One of ISOLA: PROLOGUE by BRENDEN FLETCHER and KARL KERSCHL! Named one of New York Times Top-20 Cookbooks of 2006. Have you ever wanted to host a full evening of Indian food, culture, and music? How about preparing a traditional Balinese banquet? Or take a trip to Cairo and enjoy an Egyptian feast? The Ethnomusicologists' Cookbook takes you around the world on a culinary journey that is also a cultural and social odyssey. Many cookbooks offer a snapshot of individual recipes from different parts of the world, but do nothing to tell the reader how different foods are presented together, or how to relate these foods to other cultural practices. For years, ethnomusicologists have visited the four corners of the earth to collect the music and culture of native peoples, from Africa to the Azores, from Zanzibar to New Zealand. Along the way, they've observed how music is an integral part of social interaction, particularly when it's time for a lavish banquet or celebration. Foodways and cultural expression are not separate; this book emphasizes this connection through offering over thirty-five complete meals, from appetizers to entrees to side dishes to desserts and drinks. A list of recommended CDs fills out the culinary experience, along with hints on how to present each dish and to organize the overall meal. The Ethnomusicologists' Cookbook combines scholarship with a unique and fun approach to the study of the world's foods, musics, and cultures. More than just a cookbook, it is an excellent companion for anyone embarking on a cultural-culinary journey. Vols. for 1874-76 include also "Transactions of the Kansas Academy of Science." Charlie is living the life he wants, except for one thing: he needs someone to take his virginity. Working his way up the management ladder at Crush doesn’t leave much time for hooking up. The support he receives from his family means everything to him, but they can’t help him with this. Josh had plenty of time to sow his oats at college, but he chose to stay true to his boyfriend. An art student with a place at university waiting for him, he has little to complain about until he finds his boyfriend in a compromising position. After ending their relationship, he seeks comfort in his family – the one thing that never lets him down. Every corner exposes new secrets, which shake the foundations of the family. Charlie and Josh find solace in one another, crossing boundaries they never expected to. But between blackmail and assault, what are they even fighting for? And who will stand with them? Find out what happens when they knock down the first domino in a long line of changes set to test their loyalty and put them on a path neither anticipated. Good girls stay away from Ryder Briggs . . . or, at least, they try to. In the first emotional novel of heartache and seduction in Renita Pizzitola’s Crush series, one college freshman just can’t get enough. Brinley Dawson doesn’t drink, she studies—and despite the accusations of her alcoholic mother, she’s still a virgin. But if Brinley’s life is so put together, why is she freaking out to be going to college with the gorgeous, green-eyed jerk she kissed on a stupid dare in high school? Ryder Briggs can have any girl he wants . . . and the rumors say that he does. So why, after publicly embarrassing Brinley four years ago, is he suddenly acting like he’s interested? Ryder never forgot Brinley. In fact, those perfect seven minutes permanently raised the bar for what a kiss could be. The truth is, Ryder doesn’t dare get too close to anyone. He knows how that worked out for his parents. But when his roommate takes a shot at Brinley, Ryder can’t contain his jealousy. Now he must do the hardest thing he’s ever done: forget about sex and convince Brinley his feelings are real. Brinley isn’t sure whether she believes Ryder, but for the first time, her body isn’t playing by the rules. Then she discovers that she’s an unwilling part of a cruel game, humiliating her all over again—and Ryder might be to blame. Has Brinley’s little crush turned into a huge mistake . . . or has she found the one guy worth trusting with her heart? Praise for Just a Little Crush “Brinley and Ryder are the perfect combination of sweet and hot. They’ll have you pulling for second chances.”—USA Today bestselling author Lisa Desrochers “Be prepared to swoon hard over Ryder in Just a Little Crush, Renita Pizzitola’s impressive New Adult debut. Brinley and Ryder are drawn together in an almost hypnotic way and I couldn’t help but be mesmerized by the utterly sexy, sweet, romantic, and scorching moments between them. I loved it!”—Christina Lee, author of

the Between Breaths series “Just a Little Crush is everything I love about New Adult romance. . . . If you’re a fan of college romance, stories where the not-so-popular girl gets the campus king, and characters that are wonderfully normal, flawed, and often funny, this is the book for you.”—Fic Central “A sweet, hot, interesting story that makes you forget everything else.”—Hot Stuff Book Reviews “Steamy . . . The pace was fast, and the premise intriguing. What more could you want in a book? I would definitely recommend this one to anyone who enjoys the New Adult genre or just romance in general.”—Examiner.com While most poker players dream of winning \$10,000,000 on poker's biggest stage, most find it impossible to win at even the smallest stakes. They usually blame bad luck for their failures whereas in reality, they are simply not skilled enough at poker. The secret to mastering poker is not in memorizing hand ranking charts or following a predetermined system. You must learn to think for yourself while at the table in order to adjust your strategy based on your specific opponents. Strategies for Beating Small Stakes Poker Tournaments will explain how. In this guide, two-time World Poker Tour champion Jonathan Little explains numerous strategies he uses that will allow you to crush your opponents, giving you the opportunity to progress to the middle and high stakes. "Containing the decennial census, for ...., illustrated; descriptive statements, statistics, maps, and general information relating to each county, and the geographical and topographical features of the state, ..." (varies). "When goodness collides with a conscience-less sociopath, the results can be devastating to the innocent"--Cover I'm her teacher and I have rules about sleeping with my students. I don't go there. Never. But I wasn't prepared to be challenged like this. There's only so much a man can take... Dr. Walker Rhodes, DVM: Rule #1: I don't do relationships. Rule #2: I don't sleep with the vet students in my class. When Emmaline Phillips waltzes into my class, that rule lands on shaky ground. But I know myself. I'll break and make her mine. Soon. Smart and beautiful with long blonde hair I'll wrap around my hands, and caramel eyes that stare back at me, Emmaline licks those cherry red lips when she thinks I'm not looking. But I'm watching her every move while I wait to make her mine. Graduation day. As soon as we're no longer teacher and student, I'll get her in my bed and keep her there until she leaves this small Texas town to chase her dreams in the Kentucky Bluegrass. She's got plans that don't include me. Perfect. I'm not looking for long term. Just enough time with her to satisfy my needs and to get her out of my head. But when a twist of fate makes this filly my summer intern before I can wrangle her properly, she's once again off-limits. A summer of watching her lick her plump red lips? There's no way I'm going to last. I may be a horse vet, but I'm a cowboy through and through. I need to break Rule #2 and take this filly for a ride she won't forget. As long as I don't break Rule #1, I'll be fine. But can all this no-strings sex lead to something we're not expecting? Her staying in our small town and me...falling in love? The Cowboy's Forbidden Crush is part of the Wild Texas Heart Cowboy Series but can be read as a standalone. No cheating. No cliffhanger. HEA Guaranteed.
