**Klara and the Sun** Kazuo Ishiguro, 2021-03-02 NEW YORK TIMES BESTSELLER Once in a great while a book comes along that changes our view of the world This magnificent novel from the Nobel laureate and author of *Never Let Me Go* is an intriguing take on how artificial intelligence might play a role in our futures a poignant meditation on love and loneliness The Associated Press A GOOD MORNING AMERICA Book Club Pick Here is the story of Klara an Artificial Friend with outstanding observational qualities who from her place in the store watches carefully the behavior of those who come in to browse and of those who pass on the street outside She remains hopeful that a customer will soon choose her *Klara and the Sun* is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator and one that explores the fundamental question what does it mean to love

*Tangled Up in Blue* Rosa Brooks, 2021-02-09 Named one of the best nonfiction books of the year by The Washington Post *Tangled Up in Blue* is a wonderfully insightful book that provides a lens to critically analyze urban policing and a road map for how our most dispossessed citizens may better relate to those sworn to protect and serve The Washington Post Remarkable Brooks has produced an engaging page turner that also outlines many broadly applicable lessons and sensible policy reforms Foreign Affairs Journalist and law professor Rosa Brooks goes beyond the blue wall of silence in this radical inside examination of American policing In her forties with two children a spouse a dog a mortgage and a full time job as a tenured law professor at Georgetown University Rosa Brooks decided to become a cop A liberal academic and journalist with an enduring interest in law s troubled relationship with violence Brooks wanted the kind of insider experience that would help her understand how police officers make sense of their world and whether that world can be changed In 2015 against the advice of everyone she knew she applied to become a sworn armed reserve police officer with the Washington DC Metropolitan Police Department Then as now police violence was constantly in the news The Black Lives Matter movement was gaining momentum protests wracked America s cities and each day brought more stories of cruel corrupt cops police violence and the racial disparities that mar our criminal justice system Lines were being drawn and people were taking sides But as Brooks made her way through the police academy and began work as a patrol officer in the poorest most crime ridden neighborhoods of the nation s capital she found a reality far more complex than the headlines suggested In *Tangled Up in Blue* Brooks recounts her experiences inside the usually closed world of policing From street shootings and domestic violence calls to the behind the scenes police work during Donald Trump s 2016 presidential inauguration Brooks presents a revelatory account of what it s like inside the blue wall of silence She issues an urgent call for

new laws and institutions and argues that in a nation increasingly divided by race class ethnicity geography and ideology a truly transformative approach to policing requires us to move beyond sound bites slogans and stereotypes An explosive and groundbreaking investigation Tangled Up in Blue complicates matters rather than simplifies them and gives pause both to those who think police can do no wrong and those who think they can do no right
