Hajj Mar 22 2022 The complete translation of Ali Shariati's famous work on Hajj. This work is different from any other book on hajj in that it is not a treatise on the hajj, but a reflection on Hajj by one of the most important Islamic thinkers on what the hajj means. Ali Shariati provides a chronological narration on the meaning and significance of the rituals performed during Hajj. Excerpts: P 14-15"Sarah, the wife of Ibrahim had a black maid (Ethiopian) called Hajar. She was extremely poor and humbled to the degree that Sarah did not object to her becoming a bed-mate of her husband, Ibrahim, in order to bear him a child. Here was a woman who was not honored enough to

become a second wife to Ibrahim yet Allah connected the symbol of Hajar's skirt to His symbol, Kaaba. The skirt of Hajar was the area in which Ismail was raised. The house of Hajar is there. Her grave is near the third column of Kaaba. What a surprise since no one, not even prophets, is supposed to be buried in mosques but in this case, the house of a black maid is located next to Allah's house! Hajar, the mother of Ismail is buried there. Kaaba extends toward her grave. As a result, Allah's house is directed toward her skirt! There is a narrow passage between the wall (Hajar's skirt) and Kaaba. When circumambulating around Kaaba, Allah commanded that you must go around the wall (not through the passage) otherwise your Hajj will not be accepted. Those who believe in monotheism and those who have accepted Allah's invitation to go to Hajj must touch this skirt when circumambulating the Kaaba. The grave of a black African maid and a good mother is now a part of Kaaba; it will be circumambulated by man forever! Allah, the Almighty, in His great and glorious Divinity is all alone by Himself. He needs nobody and nothing. Nevertheless, among all His countless and eternal creatures, He has chosen one, mankind, the noblest of them. From among all humanity: a woman, From among all women: a slave, And from among all slaves: a black maid! The weakest and most humiliated

one of His creatures was given a place at His side and a room in His house. He has come to her house and become her neighbor and roommate. So now, there are two, Allah and Hajar, under the ceiling of this "house"!

HAJJ - Ali Shariati Jun 17 2024 Introduction What has the experience of Hajj taught me? First one must ask - what does Hajj mean? In essence, Hajj is man's evolution toward Allah. It is a symbolic demonstration of the philosophy of Creation of Adam. To further illustrate this, it may be stated that the performance of Hajj is a simultaneous show of many things; it is a "show of creation", a "show of history", a "show of unity", a "show of Islamic ideology" and show of the Ummah.

Fatimah Jul 14 2021 Suatu ketika, Rasulullah Saw. sedang bersujud dalam shalat di depan Ka'bah. Kaum Quraisy berniat menghina beliau. Mereka menumpahkan amat banyak kotoran unta ke punggung Rasulullah sehingga beliau sesak napas dan tak bisa bangkit. Mereka pun tertawa terpingkal-pingkal. Mendengar kabar itu, Fatimah Az-Zahra, yang saat itu masih seorang gadis kecil, segera berlari mencari ayahnya. Tanpa gentar dia menghampiri orang-orang Quraisy itu dan menghardik mereka.

Ajaib, mereka merasa malu dan perlahan menyingkir. Fatimah membersihkan kotoran unta dari pundak ayahnya sambil menangis. Rasulullah menghiburnya, "Jangan menangis, wahai anakku. Sesungguhnya, Allah melindungi ayahmu." [Mizan, Qanita, Referensi, Inspirasi]

A Mathematical Approach to Special Relativity Mar 02 2023 A Mathematical Approach to Special Relativity introduces the mathematical formalisms of special and general relativity. Developed from the author's experience teaching physics to students across all levels, the valuable resource introduces key concepts, building in complexity and using increasingly advanced mathematical tools as it progresses. Without assuming a background in calculus, the text begins with symmetry, before delving more deeply into Galilean relativity. Throughout, the book provides examples and useful "Guides to the Literature." This unique text emphasizes the experimental consequences and verifications of the underpinning theory in order to provide students with a solid foundation in this key area. Based on the professor's 25+ years of

*experience teaching physics students at every level
Covers key topics in special relativity, including some
group theory, as well as an introduction to general
relativity and basic differential geometry Contains
numerous worked examples and "Guides to the
Literature" throughout the text*

*Ghosts of Revolution May 12 2021 "Opening the
enormous metal gate, the guard suddenly took away
my blindfold and asked me, tauntingly, if I would
recognize my parents. With my eyes hurting from the
strange light and anger in my voice, I assured him that
I would. Suddenly I was pushed through the gate and
the door was slammed behind me. After more than
eight years, here I was, finally, out of jail" In this
haunting account, Shahla Talebi remembers her years
as a political prisoner in Iran. Talebi, along with her
husband, was imprisoned for nearly a decade and
tortured, first under the Shah and later by the Islamic
Republic. Writing about her own suffering and survival
and sharing the stories of her fellow inmates, she
details the painful reality of prison life and offers an
intimate look at a critical period of social and political
transformation in Iran. Somehow through it
all—through resistance and resolute hope, passion and
creativity—Talebi shows how one survives. Reflecting
now on experiences past, she stays true to her
memories, honoring the love of her husband and*

friends lost in these events, to relate how people can hold to moments of love, resilience, and friendship over the dark forces of torture, violence, and hatred. At once deeply personal yet clearly political, part memoir and part meditation, this work brings to heartbreaking clarity how deeply rooted torture and violence can be in our society. More than a passing judgment of guilt on a monolithic "Islamic State," Talebi's writing asks us to reconsider our own responses to both contemporary debates of interrogation techniques and government responsibility and, more simply, to basic acts of cruelty in daily life. She offers a lasting call to us all. "The art of living in prison becomes possible through imagining life in the very presence of death and observing death in the very existence of life. It is living life so vitally and so fully that you are willing, if necessary, to let that very life go, as one would shed chains on the legs. It is embracing, and flying on the wings of death as though it is the bird of freedom."

SOCIOLOGY OF RELIGIONS Sep 15 2021

Considerable number of books and research articles have been published on the concept of religion and comparative religion. But rarely has any religious scholar elaborated the contribution of different religions from sociological point of view. This well-

researched and erudite study discusses the concept of religion with special reference to Dr. Ali Shariati, an eminent sociologist and Muslim scholar of Iran. He brought forth the unique dimensions of the comparative study of religions. The text provides a complete sociological background of various religions and stresses their contributions. In addition, different Islamic ideals and thoughts which need to be understood in modernist's religious perspective are discussed. For example, the concepts of Imamah, Ijtihad, 'Enjoining good and forbidding evil' and Hajj are dealt from a sociological viewpoint. Finally, even the less known dimensions of Islamic ideologies are explained. The book is intended for the postgraduate students of Islamic Studies. Research scholars and postgraduate students of philosophy may also find the book useful. In addition, any reader who is interested in sociology of religion and, in particular, the ideology and other aspects of Islam will benefit from this book.
