Get ready for the Common Core Math Test with a PERFECT Math Workbook! Published By: Effortless Math Education [www.EffortlessMath.com](http://www.EffortlessMath.com) This book is your comprehensive workbook for 5th Grade Common Core Math. By practicing and mastering this entire workbook, your child will become very familiar and comfortable with the state math exam and common core standards. This 5th Grade Common Core Math Workbook (Multiple Choice) includes: \* 20 Weeks of Daily Multiple Choice Practice \* Weekly Assessments \* State Aligned Common Core Curriculum \* End of Year Assessment \* Detailed Video Answer Explanations to all questions in the workbook For practice with Free Response questions, be sure to check out Part II of our workbook titled: Common Core Math Workbook, Grade 5: Free Response, Everyday Practice (5th Grade) Each question is labeled with the specific common core standard so both parents and teachers can use this workbook for their student(s). This workbook takes the Common Core State Standards and divides them up among 20 weeks. By working on these problems on a daily basis, students will be able to (1) find any deficiencies in their understanding and/or practice of math and (2) have small successes each day that will build competence and confidence in their abilities. We know the common core can be challenging. For that reason we have decided to provide detailed video explanations to each math question. If your child is having trouble with any questions, you can easily access our video explanations where an instructor will show the student how to get the correct answer. We strongly recommend watching the videos as it will reinforce the fundamental concepts. Please note, scrap paper may be necessary while using this workbook so that the student has sufficient space to show their work This First Grade Common Core Workbook: Math Activities is filled with First Grade Common Core Math Activities for every First Grade Common Core Math Standard.
