Levinthal, 2013-06-26 Provides students with a deeper understanding of what impacts drug use The eighth edition of *Drugs Behavior and Modern Society* examines the impact of drug taking behavior on our society and our daily lives The use and abuse of a wide range of licit and illicit drugs are discussed from historical biological psychological and sociological perspectives In today's world drugs and their use present a social paradox combining the potential for good and for bad As a society and as individuals we can be the beneficiaries of drugs or their victims This text features a comprehensive review of psychoactive drugs and is notable for the attention it gives to two aspects of drug taking behavior that have been underreported in other texts steroid abuse and inhalant abuse This text is available in a variety of formats digital and print Pearson offers its titles on the devices students love through Pearson's MyLab products CourseSmart Amazon and more Learning Goals Upon completing this book readers will be able to Understand the impact of drug use on behavior and society Examine the pros and cons to drug use 0205966977 9780205966974 *Drugs Behavior and Modern Society with MySearchLab with eText Access Card Package* Package consists of 0205959334 9780205959334 *Drugs Behavior and Modern Society* 0205961347 9780205961344 MySearchLab with Pearson eText Standalone Access Card for *Drugs Behavior and Modern Society* [Drugs, Behavior, and Modern Society](#) Charles F. Levinthal, 2020-04-28 I welcome all of you to the Ninth Edition of *Drugs Behavior and Modern Society* As always the overarching goal has been to provide a valuable learning experience and a greater understanding of the complex world of drug taking behavior Throughout the chapters of this book the focus will be on the relevance of drugs and drug taking behavior on your daily lives as well as the contemporary society in which we live There is no need for a background in biology sociology psychology or chemistry to receive benefit from the contents of this book The only requirement is a sense of curiosity about the range of drugs that affect our minds and our bodies and a concern about the social and personal challenges that drugs bring to our daily lives These challenges can be framed in terms of three fundamental themes of understanding Understanding the patterns of drug taking

behavior throughout history Present day issues concerning drug misuse and abuse are issues that society has confronted for a long time Drugs and drug taking behavior are consequences of a particularly human need to feel stronger more alert calmer more distant and dissociated from our surroundings or simply to feel good It is the misuse and abuse of chemical substances to achieve these ends that have resulted in major problems in the United States and around the world

Understanding the diversity of psychoactive drugs in our society There is an enormous diversity among drugs that affect the mind and the body There is a great need to educate ourselves not only about drugs such as cocaine amphetamines heroin hallucinogens and marijuana but also about drugs that are legally sanctioned and readily available to us specifically alcohol and nicotine

Drugs Behavior and Modern Society is a comprehensive survey of all types of psychoactive drugs addressing the issues of drug taking behavior from psychological biological and sociological perspectives Understanding the impact of society on drug related issues in our lives Like it or not the decision to use drugs is one of life's choices within our contemporary society regardless of your racial ethnic or religious background how much money you have where you live how much education you have acquired your age or gender identity As has been demonstrated through our collective experiences during the days of the COVID pandemic our behaviors will be continually influenced by changes in the social environment around us

As far as the contents of this new edition are concerned let's say that there are some things that are old and some things that are new On the one hand the Ninth Edition of Drugs Behavior and Modern Society continues to maintain standards of clarity readability comprehensiveness and organization that have been set by previous editions as well as a commitment to the importance of historical storytelling as a meaningful context to the technical material in the chapters On the other hand the story of drug taking behavior through the years is like a breathless ride on a high speed train with twists and turns and unknown territory just around the bend It is obvious that certain patterns of drug taking behavior and associated social issues have changed dramatically since the previous edition of this book In fact there are a number of subjects addressed in the new edition that hardly existed at the time the Eighth Edition was released Some examples include the widespread prevalence of nicotine vaping and the use of e-cigarettes in general Chapter 10 advancements in medical applications of cannabis Chapter 7 and the impactful nature of the opioid abuse epidemic made worse by the availability of synthetic opioids such as fentanyl Chapter 4 In addition there have been groundbreaking developments in understanding the neurochemical basis for behavioral addiction Chapter 3

**Insert Screen break Content Highlights** As you will see chapters about particular drugs have been grouped not in terms of their pharmacological or chemical characteristics but rather in terms of how readily accessible they are to the general public and today's societal attitudes toward their use The last section of the book concerns itself with prevention and treatment In addition several special features throughout the book will enhance your experience as a reader and serve as learning aids This text is available in a variety of formats digital and print To learn more about our programs pricing options and customization visit [www.pearsonhighered.com](http://www.pearsonhighered.com) Beyond the subject

matter however there are several features contained in the book itself that are new to this edition
