Learning Targets Connie M. Moss, Susan M. Brookhart, 2012-07-02 In Learning Targets Connie M Moss and Susan M Brookhart contend that improving student learning and achievement happens in the immediacy of an individual lesson what they call today s lesson or it doesn t happen at all The key to making today s lesson meaningful Learning targets Written from students point of view a learning target describes a lesson sized chunk of information and skills that students will come to know deeply Each lesson s learning target connects to the next lesson s target enabling students to master a coherent series of challenges that ultimately lead to important curricular standards Drawing from the authors extensive research and professional learning partnerships with classrooms schools and school districts this practical book Situates learning targets in a theory of action that students teachers principals and central office administrators can use to unify their efforts to raise student achievement and create a culture of evidence based results oriented practice Provides strategies for designing learning targets that promote higher order thinking and foster student goal setting self assessment and self regulation Explains how to design a strong performance of understanding an activity that produces evidence of students progress toward the learning target Shows how to use learning targets to guide summative assessment and grading Learning Targets also includes reproducible planning forms a classroom walk through guide a lesson planning process guide and guides to teacher and student self assessment What students are actually doing during today s lesson is both the source of and the yardstick for school improvement efforts By applying the insights in this book to your own work you can improve your teaching expertise and dramatically empower all students as stakeholders in their own learning

Dual Language Education Kathryn J. Lindholm-Leary, 2001-01-01 Dual language education is a program that combines language minority and language majority students for instruction through two languages This book provides the conceptual background for the program and discusses major implementation issues Research findings summarize language proficiency

and achievement outcomes from 8000 students at 20 schools along with teacher and parent attitudes *Curriculum* Allan C. Ornstein, Francis P. Hunkins, 2013 The ideal resource for researchers theoreticians and practitioners of curriculum a ready reference for teachers supervisors and administrators who participate in curriculum making and a widely popular text for courses in curriculum planning development implementation and evaluation this book presents a comprehensive thoroughly documented balanced overview of the foundations principles and issues of curriculum today The information presented encourages readers to consider choices and then formulate their own views on curriculum **Law and Ethics in**

Educational Leadership David L. Stader, 2013 For graduate level Law and Ethics courses in Educational Leadership Programs A user friendly coherent look at the study of legal issues in a real world problem based approach that emphasises the knowledge skills and dispositions needed for successful PK 12 leadership In this real world problem based approach to law and ethics in educational leadership the author emphasises the knowledge skills and dispositions today s educators need to be successful leaders In a user friendly coherent approach to the study of legal issues how changes in law and society impact decision and how to apply ethical frameworks to future decision making David Stader encourages candidates to analyse evaluate and synthesise legal knowledge and ethical frameworks and then present their own views in a logical coherent manner **Focus on the Wonder Years** Jaana Juvonen, Vi-Nhuan Le, Tessa Kaganoff, Catherine H.

Augustine, Louay Constant, 2004-03-25 Young teens undergo multiple changes that seem to set them apart from other students But do middle schools actually meet their special needs The authors describe some of the challenges and offer ways to tackle them such as reassessing the organization of grades K 12 specifically assisting the students most in need finding ways to prevent disciplinary problems and helping parents understand how they can help their children learn at home

Curriculum Development Jon W. Wiles, 2014 **Developmentally Appropriate Practice in Early Childhood**

Programs Sue Bredekamp, Carol Copple, 1997-01-01 This volume spells out more fully the principles undergirding developmentally appropriate practice and guidelines for making decisions in the classroom for young children **What We Know About Grading** Thomas R. Guskey, Susan M. Brookhart, 2019-02-04 Grading is one of the most hotly debated topics in education and grading practices themselves are largely based on tradition instinct or personal history or philosophy But to be effective grading policies and practices must be based on trustworthy research evidence Enter this book a review of 100 plus years of grading research that presents the broadest and most comprehensive summary of research on grading and reporting available to date with clear takeaways for learning and teaching Edited by Thomas R Guskey and Susan M Brookhart this indispensable guide features thoughtful thorough dives into the research from a distinguished team of scholars geared to a broad range of stakeholders including teachers school leaders policymakers and researchers Each chapter addresses a different area of grading research and describes how the major findings in that area might be leveraged to improve grading policy and practice Ultimately Guskey and Brookhart identify four themes emerging from the research that can guide these

efforts Start with clear learning goals Focus on the feedback function of grades Limit the number of grade categories and Provide multiple grades that reflect product process and progress criteria By distilling the vast body of research evidence into meaningful actionable findings and strategies this book is the jump start all stakeholders need to build a better understanding of what works and where to go from here **School Law and the Public Schools** Nathan L. Essex,2012 School Law and the Public Schools is a practical easy to read comprehensive guide to the legal issues facing public schools in the U S today An essential reference for all teachers educational leaders and policymakers at all levels the book is organized and written in a style that is accessible to all even those with little or no knowledge of the legal issues in education

Classroom Assessment W. James Popham,2018-03-07 Jim Popham s widely popular Classroom Assessment shows teachers how to use classroom testing skillfully and formatively to dramatically increase their teaching effectiveness and make a difference in how well students learn As in past editions the author pays particular attention to the instructional payoffs of well designed classroom tests and highlights the implications of testing on teaching throughout in special But What Does This Have to Do with Teaching sections in each chapter Decision Time vignettes present practical classroom problems and show readers actual decisions being made Parent Talk features describe situations in which a teacher needs to explain something about assessment to parents and show what the author would say in that situation And a lighter tone is established with cartoons to which readers can relate The new Eighth Edition highlights the increasing importance of educational assessment in an era of common core state standards and teacher evaluations based on students tests scores incorporates the Standards for Educational and Psychological testing guidelines throughout relevant sections and includes a new section on instructionally diagnostic tests to help readers evaluate the merits of commercial or locally developed diagnostic assessment Also available with MyLab Education MyLab tm is the teaching and learning platform that empowers you to reach every student By combining trusted author content with digital tools and a flexible platform MyLab personalizes the learning experience and improves results for each student MyLab Education helps teacher candidates bridge the gap between theory and practice better preparing them for success in their future classrooms Note You are purchasing a standalone product MyLab Education does not come packaged with this content Students if interested in purchasing this title with MyLab Education ask your instructor to confirm the correct package ISBN and Course ID Instructors contact your Pearson representative for more information If you would like to purchase both the physical text and MyLab Education search for 0134027299 9780134027296 Classroom Assessment What Teachers Need to Know with MyEducationLab with Enhanced Pearson eText Loose Leaf Version Access Card Package Package consists of 0134053869 9780134053868 Classroom Assessment What Teachers Need to Know Loose Leaf Version 0134239903 9780134239903 MyEducationLab with Pearson eText Access Card for Classroom Assessment What Teachers Need to Know
