The Nineteenth and Their Times Dec 25 2021

"The bones of British soldiers lie scattered far and wide. In every portion of the globe, their unmarked graves are strewn on mountain and plain, by stream and forest, by swamp and desert; silent witnesses of their devotion to their Sovereign and country. But they have not died in vain, if the remembrance of their achievements survives, to swell the hearts and nerve the arms of their successors, and to remind their countrymen what they owe to their sufferings and their valour." Colonel John Biddulph gives this historical account of the four cavalry regiments in the British army that have borne the number 'Nineteen' and of the campaigns in which they served, from the time of the first inception in 1759.

Becoming Billie Holiday Jun 18 2021

Coretta Scott King Author Honor Award The stunning voice and hard life of legendary jazz singer Billie Holiday is revealed through evocative, accessible poetry. In 1915, Sadie Fagan gave birth to a daughter she named Eleanora. The world, however, would know her as Billie Holiday, possibly the greatest jazz singer of all time. Eleanora's journey to become a legend took her through pain, poverty, and run-ins with the law. By the time she was fifteen, she knew she possessed something that

could possibly change her life--a voice. Eleanora could sing. Her remarkable voice led her to a place in the spotlight with some of the era's hottest big bands. Through a sequence of raw and poignant poems, New York Times best-selling and award-winning poet Carole Boston Weatherford chronicles the singer's young life, her fight for survival, and the dream she pursued with passion.
