Globalectics Ngũgĩ wa Thiong'o, 2012-01-31 A masterful writer working in many genres Ngugi wa Thiong'o entered the East African literary scene in 1962 with the performance of his first major play *The Black Hermit* at the National Theatre in Uganda. In 1977 he was imprisoned after his most controversial work *Ngaahika Ndeenda I Will Marry When I Want* produced in Nairobi sharply criticized the injustices of Kenyan society and unequivocally championed the causes of ordinary citizens. Following his release Ngugi decided to write only in his native Gikuyu communicating with Kenyans in one of the many languages of their daily lives and today he is known as one of the most outspoken intellectuals working in postcolonial theory and the global postcolonial movement. In this volume Ngugi wa Thiong'o summarizes and develops a cross section of the issues he has grappled with in his work which deploys a strategy of imagery language folklore and character to decolonize the mind. Ngugi confronts the politics of language in African writing the problem of linguistic imperialism and literature's ability to resist it the difficult balance between orality or orature and writing or literature the tension between national and world literature and the role of the literary curriculum in both reaffirming and undermining the dominance of the Western canon. Throughout he engages a range of philosophers and theorists writing on power and postcolonial creativity including Hegel Marx L. v. Strauss and Aimé Césaire. Yet his explorations remain grounded in his own experiences with literature and orature and reworks the difficult dialectics of theory into richly evocative prose.

The Trial of Dedan Kimathi Ngugi wa Thiong'o, Micere Githae Mugo, 2013-10-11 Kenyan born novelist and playwright Ngugi wa Thiong'o and his collaborator Micere Githae Mugo have built a powerful and challenging play out of the circumstances surrounding the 1956 trial of Dedan Kimathi the celebrated Kenyan hero who led the Mau Mau rebellion against the British colonial regime in Kenya and was eventually hanged. A highly controversial character Kimathi's life has been subject to intense propaganda by both the British government who saw him as a vicious terrorist and Kenyan nationalists who viewed him as a man of great courage and commitment. Writing in the 1970s the playwrights' response to colonialist writings about the Mau Mau movement in *The Trial of Dedan Kimathi* is to sing the praises of the deeds of this hero of the resistance who refused to surrender to British imperialism. It is not a reproduction of the farcical trial at Nyeri. Rather according to the preface it is an imaginative recreation and interpretation of the collective will of the Kenyan peasants and workers in their refusal to break under sixty years of colonial torture and ruthless oppression by the British ruling classes and their continued determination to resist exploitation oppression and new forms of enslavement.
