[Six Steps  
to College Success](#) Kathleen C. Straker, Eugenia G. Kelman, 2014-12-20 Six Steps to College Success is written for students  
who want to take charge of their own learning Originally developed for graduate medical dental veterinary and nursing  
students these evidence based techniques proved to be so successful that undergraduate students requested their own  
version of the book The new field of Educational Neuroscience draws from the disciplines of education psychology and  
neuroscience We have been drawing from these same disciplines of study for over 20 years Much of the recent research in  
educational neuroscience better explains WHY the strategies we have been teaching are so effective This study system will  
help you retain the information presented in your classes textbooks and labs and will teach you to Reduce stress by  
developing a manageable schedule Get the most out of lectures Use critical thinking to organize essential information Create  
highly organized notes for easy review and self testing Recall and apply information for exams and laboratory work Improve  
long term memory Increase concentration Reduce test anxiety Take exams with confidence
