The Case Of Mary Bell Gitta Sereny, 2013-03-31 In December 1968 two girls who lived next door to each other Mary aged eleven and Norma thirteen stood before a criminal court in Newcastle accused of strangling two little boys Martin Brown four years old and Brian Howe three Norma was acquitted Mary Bell the younger but infinitely more sophisticated and cooler of the two was found guilty of manslaughter She evaded being branded as a murderer due to what the court ruled as diminished responsibility but she was sentenced to detention for life Step by step Gitta Sereny pieces together a gripping and rare study of a horrifying crime the murders the events surrounding them the alternately bizarre and nonchalant behaviour of the two girls their brazen offers to help the distraught families of the dead boys the police work that led to their apprehension and finally the trial itself What emerges from this extraordinary case is the inability of society to anticipate such events and to take adequate steps once disaster has struck

Mary Flora Bell: The Horrific True Story Behind an Innocent Girl Serial Killer Ryan Becker, Nancy Veysey, 2019-01-06 What can drive a young and seemingly innocent child to kill Murder is horrible enough when perpetrated by adults and yet the concept takes on a whole new level of chilling morbidity when a murderer is revealed to be a young boy or girl Is it the result of severe trauma manifesting itself in the most macabre of ways Is it the progeny of some severe mental disorder Or were they influenced by the actions of the people they grew up with Most of the time the answers to such a question are simple but no less horrific Eleven year old Mary Flora Bell was tried and found guilty in 1968 for the coldhearted murders of two very young boys crimes which she committed without any hint of remorse After her past and motives have been examined hindsight asks the pressing question Had Mary being a victim herself turned her into a killer In this brand new expanded edition the author sets out to discover what really happened to turn young Mary into an infamous killer In addition to the previously printed material you will find an all new introduction and chapters filled with the author s never before published in depth study into what made Mary angry enough to kill and her life after the crimes From the details of her murders to the dark childhood she suffered Mary Flora Bell s short but horrific time as a child serial killer will be analyzed in detail within *Mary Flora Bell The Horrific True Story Behind An Innocent Girl Serial Killer* Get your copy now and learn the tragic nature of a good girl gone bad and her road to redemption

Shocking and Sensational Julian Upton, 2018-06-05 Already part of a genre known for generating controversy some true crime and scandal books have wielded a particular power to unsettle readers provoke authorities and renew interest in a case The reactions to such literature have been as contentious as the books themselves clouding the truth with myths and inaccuracies From high profile publishing sensations such as Ten Rillington Place Fatal Vision and Mommie Dearest to the wealth of writing on the JFK assassination the death of Marilyn Monroe and the Black Dahlia murder this book delves into that hard copy era when crime and scandal books had a cultural impact beyond the genre s film and TV documentaries fueling outcries that sometimes matched the notoriety of the cases they discussed and leaving legacies that still resonate today

Modern Peoplehood John LIE,John Lie,2009-06-30 In modern states John Lie argues ideas of race ethnicity and nationality can be subsumed under the rubric of peoplehood He argues indeed that the modern state has created the idea of peoplehood That is the seemingly primitive atavistic feelings of belonging associated with ethnic racial and national identity are largely formed by the state Not only is the state responsible for the development and nurturing of these feelings it is also responsible for racial and ethnic conflict even genocide When citizens think of themselves in terms of their peoplehood identity they will naturally locate the cause of all troubles from neighborhood squabbles to wars in racial ethnic or national attitudes and conflicts Far from being transhistorical and transcultural phenomena race ethnicity and nation Lie argues are modern notions modernity here associated with the rise of the modern state the industrial economy and Enlightenment ideas
