I The Creation Of A Serial Killer Jack Olsen

I: The Creation of a Serial Killer Jack Olsen, 2003-08-18 Contains several autobiographical writing of serial killer Keith Hunter Jespersen **The Happy Face Killer** Jack Olsen, 2008-03-03 Based on access to interviews diaries court records and the criminal himself this is the story of serial killer Keith Hunter Jespersen who wrote confession signed with a happy face *I: The Creation of a Serial Killer* Jack Olsen, 2003-08 **The Misbegotten Son** Jack Olsen, 2020-05-28 Little Artie Shawcross bullied classmates insulted teachers started fires tortured animals and roved the woods of New York s hardscrabble North Country with imaginary friends talking in a high squawk He also scored top grades excelled in sports and shared his money and toys with the children who ridiculed him From the second grade on he was subjected to psychiatric examination regularly confounding the experts Years later while serving in Vietnam Arthur John Shawcross wrote bloodcurdling letters about his battlefield ordeals then returned to Watertown to commit a string of arsons and burglaries He served two years in prison was paroled to his respectable parents and murdered a boy and a girl Back in the penitentiary he proved as enigmatic as ever Some counselors saw him as a Frankenstein monster beyond hope irredeemable To others he was a troubled young man who could be saved No two psychiatrists seemed to agree Shawcross served fifteen years then conned a parole board into an early release He settled in Binghamton but angry citizens learned of his bloody history and ran him out of town After two smaller communities turned him away desperate parole authorities finally smuggled the child killer into Rochester in the dead of night neglecting to alert the local police Soon the corpses started turning up locked in winter ice covered by reeds in swamps floating in streams The homicidal pedophile had changed his M O this time murdering diminutive women As the body count grew Rochester streets swarmed with police and still the serial killer managed to snare his tenth victim then his eleventh Amazon com Accounts of more famous serial killers like Ted Bundy or Jeffrey Dahmer may have ghoulish entertainment value but I agree with writer Darcy O Brien that this meticulously factual study of child sex murderer Arthur Shawcross comes closer to capturing the psychology of a serial killer than anything else I ve ever read The strength of this book semi finalist for a 1994 Edgar Award comes first from the quality of the materials including first person interviews with the killer s wives girlfriends co workers police officers therapists and even a prostitute who played dead for Shawcross and second from Olsen s ability to weave the information into a highly readable story that reveals above all the ineffectiveness of our system of rehabilitation and parole From Publishers Weekly An experienced and skilled writer Olsen Predator proves himself equal to the formidable task of studying serial killer Arthur Shawcross Born in 1945 in upstate New York Shawcross was perceived as different even in childhood his classmates dubbed him Oddie and elementary school officials called for mental health evaluations In the early 70s he murdered two children and was sentenced to up to 25 years in prison he served less than 15 years before he was paroled in 1987 He was difficult to place townspeople drove him out as

soon as his past became known After three such episodes parole officials sent him surreptitiously to Rochester N Y where he killed at least 11 prostitutes He was arrested in 1990 and eventually sentenced to 250 years in prison During the trial he claimed that he had been physically and sexually abused by his mother untrue the authorities concluded and that he had committed horrible atrocities in Vietnam probably untrue He did not fit the classic pattern of the sociopath nor did he seem either schizophrenic or paranoid It remained for psychiatrist Richard Kraus to hypothesize that physiology was the basis for Shawcross s behavior he diagnosed Shawcross as suffering from a metabolic ailment known as pyroluria and an abnormal genetic constitution Told by Olsen with contributions from others affected by Shawcross s crimes the story is a triumph of true crime writing Son: A Psychopath and his Victims Jack Olsen,2020-05-28 A classic from the dean of true crime The Washington Post now with a new foreword this 1983 masterpiece tells the incredible story of a Spokane Washington serial rapist who was exposed as the handsome privileged son of one of the city s most elite families For more than two years a rapist prowled the night streets of the homey All American city of Spokane Washington terrorizing women sparking a run on gun stores and finally causing one newspaper to offer a reward the calls taken by the distinguished managing editor himself Gordon Coe In March 1981 luck and inspired police work at last produced an arrest and Spokane shuddered The suspect was clean cut and conservative and Gordon Coe s son For eighteen months Jack Olsen researched the cases of Fred and Ruth Coe to try to learn not only what happened within that family but how and why He interviewed more than 150 people and built up a portrait not only of that extraordinary family but of the mind of a psychopath And searching the memories of the women in Fred Coe s life he unearthed a most horrifying question What is it like to love and live with a man for years and then discover he is a psychopathic criminal In this gruesomely spellbinding Glamour examination of the mind of a psychopath and of the women and men who were his victims Olsen delivers a harrowing portrait It has become fashionable with books about vicious crimes to compare them to Truman Capote s In Cold Blood Finally there is a book that deserves the comparison Richmond Times Dispatch *Predator* Jack Olsen,2020-05-28 Jack Olsen the master of the true crime book now gives us an incisive probing look into the creation and development of the criminal mind as well as a shocking case of justice gone awry From childhood McDonald Smith took to heart the lessons drummed into him by antisocial relatives and peers As a teenager unburdened by conscience or pity he experimented with child abuse and bestiality then moved on to larceny stickups incest and finally rape Warned by a witch that he was about to be arrested he fled Los Angeles for Seattle and the Northwest already the breeding ground of predatory monsters like Ted Bundy Kenneth Bianchi and the Green River Killer There for years he stalked the women of Seattle seeking his prey on the dark streets and in the quiet homes then returning to his wife and family too careful and too clever to be caught By fall 1980 Mac Smith s luck still held A respectable young businessman named Steve Titus found himself charged with one of Smith s most sadistic rapes in a nightmarish case of mistaken identity and injustice The idealistic Titus was certain that the American system of justice would clear him right up to the day that a

jury of his peers returned a verdict of guilty as charged While Mac Smith continued to terrorize the women of Seattle Titus lost everything his reputation his job his loved ones his freedom It was only when a Pulitzer prize winning reporter answered Titus s pleas for justice that the terrible truth emerged a truth that was darker than anyone imagined Predator is a gripping work of true crime reporting Jack Olsen doing what he does best It is a searing study of violations of women of justice of power and of the human spirit Jonathan Kellerman Review With careful reporting that sticks close to the facts Jack Olsen tells stories that seem straight out of crime fiction and yet are all the more compelling for being true This book focuses on three men a criminal who preyed on women a carefree partygoer who was wrongly convicted of the predator s crimes and a reporter for the Seattle Times who won a Pulitzer Prize for tracking down the truth It s supposed to be a rare event in the U S judicial system that someone this innocent gets screwed this badly Even if it only happened to one person every decade it would still be a horrible thing And the smiling rapist described as having a sweet Jesus like countenance knowingly allowed that to happen Olsen not only delivers a real page turner but he ties up all the loose ends before the book s memorable and satisfying finale

Last Man Standing Jack Olsen,2001-11-06 Jack Olsen s Last Man Standing is the gripping story of Geronimo Pratt war hero and community leader who was framed by the FBI in one of the greatest travesties of justice in American history Geronimo Pratt did not commit the murder for which he served twenty seven nightmarish years As a UCLA student though he had led the Los Angeles Chapter of the Black Panther Party and became a target of the FBI Here is the spellbinding saga of Pratt his heroic lawyers Johnnie Cochran and Stuart Hanlon and the Reverend James McCloskey who overcame all the odds to bring the truth to light and free Geronimo

Cold Kill Jack Olsen,2020-05-28 David loved Cindy and was loved in return Or so he thought The troubled young man clung to his new love and dreamed of their future together So begins the chain of events that was to evolve into a horror of terrifying proportions Jack Olsen bestselling author of Son now reveals the details of a true life romance gone hideously awry After weeks of planning the young misfits from two fine old Texas families donned grotesque battle gear and crept into the luxurious home where Cindy Ray s parents lay asleep with her two small sons In the hot muggy room the cold kill was over in seconds Everyone who knew the unpredictable Cindy suspected that she was involved but the ghastly crime had been so carefully orchestrated that Houston s top homicide detectives could get nowhere Cindy wore black and sobbed at the funeral then began a frenzied attempt to collect her inheritance and as many of her wealthy parents possessions as she could haul away No one except David West was surprised when she walked out on him Then the story took another bizarre turn In a final bid to solve the case a seductive young private investigator named Kim Paris was assigned to cozy up to West Soon the gullible killer was in love once again with fateful consequences Traditionally true crime drama illuminates the sinister motivations in the human psyche Yet Cold Kill reveals something still more frightful unspeakable murders are committed not out of greed revenge or blind demented rage but out of a troubled young man s tragically misconceived code of honor and a desperate need to please and protect the

woman of his dreams Jack Olsen's *Cold Kill* is a stunning testament to the profoundly discerning eye of a grand master of true crime To read *Cold Kill* is not to forgive David West It is however to undergo the uncanny experience of feeling oneself slowly but surely moving into the shoes of a pathological killer *The Man with Candy* Jack Olsen,2008-06-30 The mass murder of almost thirty young boys in Houston may well have been the most heinous crime of the century How could such a series of murders go undetected for almost three years before being exposed *The Man with the Candy* is a brilliant investigative journalist's story of the crime and the answer to that question The night David Hilligiest didn't come home was both like and unlike other nights when other Houston boys disappeared between the years 1971 and 1973 At three in the morning the police were called but they just said that boys were running away from the best of homes nowadays and that they'd list David as a runaway No there would be no official search for the youngster Aghast the Hilligiests in the months that followed hired their own detective put up posters even sought the aid of clairvoyants But David never did come home again because along with at least twenty six other Houston boys he had been murdered and buried by the homosexual owner of a candy factory the mass murderer of the century Dean Corll according to his two teenage confessed accomplices Elmer Wayne Henley Jr and David Brooks Many of the young boys had not even been reported as missing and the fact that they were dead would probably never have come to light had not one of the murderers confessed For in Houston where in a typical year the total number of murders is twice that of London despite the fact that London is six times as large and far more densely populated missing persons and violence are likely to be considered commonplace In the months before the trial of Henley and Brooks Jack Olsen interviewed and probed for answers about the criminals the victims and the city itself which remained for the most part silent angry and defensive The result is a classic of true crime reportage **Abandoned Prayers** Gregg Olsen,2007-04-01 On Christmas Eve in 1985 a hunter found a young boy's body along an icy corn field in Nebraska The residents of Chester Nebraska buried him as Little Boy Blue unclaimed and unidentified until a phone call from Ohio two years later led authorities to Eli Stutzman the boy's father Eli Stutzman the son of an Amish bishop was by all appearances a dedicated farmer and family man in the country's strictest religious sect But behind his quiet facade was a man involved with pornography sadomasochism and drugs After the suspicious death of his pregnant wife Stutzman took his preschool age son Danny and hit the road on a sexual odyssey ending with his conviction for murder But the mystery of Eli Stutzman and the fate of his son didn't end on the barren Nebraska plains It was just beginning *Salt of the Earth* Jack Olsen,2020-05-28 Joe Gere said he died on the afternoon his twelve year old daughter Brenda disappeared It was left to Brenda's mother Elaine to sustain her stricken family search for her missing child and pressure the authorities for justice From the first minutes of the investigation suspicion fell on Michael Kay Green a steroid abusing Mr Universe hopeful but there was no proof of a crime leaving police and prosecutors stymied With a new introduction by bestselling true crime author M William Phelps Tips and sightings

poured in as lawmen and volunteers combed the Cascades forest in the biggest search on Northwest history Years passed with no sight of the blue eyed girl or the bright clothes she d worn on the day she disappeared but Elaine remained undaunted Salt of the Earth is the true story of how one woman fought and triumphed over life shattering violence and how she healed her family and herself Salt of the Earth is the true story of a courageous woman who survived a hellish twentieth century nightmare Mob violence injustice kidnapping murder and suicide were the black holes in the awful astronomy of Elaine Gere s life Somehow she had to summon the courage to endure to honor her beloved dead and to rebuild the shattered lives of the sons who depended on her strength Jack Olsen has been lauded for his psychological insights into the most violent criminals in such previous masterworks as Doc The Misbegotten Son and Predator but he has never overlooked their victims By viewing the world through the eyes of Elaine Gere and her devastated family he finds the core values that enabled them not only to survive and flourish but in the end to triumph Gilbert Taylor In the annals of humanity the Gere family is unexceptional and ordinary unless one looks as closely at their lives as Olsen does A boomer age couple Joe and Elaine Gere move between California and Idaho a dozen times on their roller coaster ride of solvency and bankruptcy and have three children Much the steadier spouse energetic Elaine always manages to land a clerical federal job wherever Joe moves the family The wanderlust ensues from Joe s first career misfortune as a cop disabled during a melee with a mob His relatives thought that incident started his slide toward suicide and his addictive regrets of hitting her and promises to reform abuse of Elaine demonstrates the complexity of Joe s insidious demons But he holds on Elaine remaining loyal until another bolt from the blue the kidnapping and murder of their 12 year old daughter Here Olsen is at his dispassionate yet concerned best introducing the subplot of the suspect s life a wife beater the course of the investigation and the ultimate denouement of the case In this mass media age many women will identify with and perhaps be inspired by Olsen s fine chronicle of the Gere family

Give a Boy a Gun Jack Olsen, The war between society and the antisocial personality has long been a subject of fascination and few have explored it as thoroughly as award winning author Jack Olsen In his national best seller Son A Psychopath and His Victims Olsen studied a psychopathic rapist who found the perfect protective coloration in jogging shoes and sweats In this book the story of Claude Lafayette Dallas Jr Olsen takes on perhaps his most challenging assignment explicating the curious relationship between a homicidal young mountain man and those who saw in his colorful ways the embodiment of the cowboy mystique of the West On a snow blown day Dallas killed two game wardens who entered his trapping and poaching camp in Idaho s Owyhee Desert The cold bloodedness of Dallas s crime shocked the West Stained with his victim s blood he confessed to a companion This is Murder One for me Then Claude Dallas vanished into the wild and rugged mountains that had sheltered him for so long For fifteen long months he was the subject of an international manhunt until the FBI and a drawling country sheriff joined forces to run him to earth in a rain of bullets Only then did lawmen learn about the network of friends who had helped him elude capture To some of Dallas s rustic neighbors the deadly progression

from cowboy to poacher to killer seemed justifiable even admirable Clanking around the bars and barrancas of the high desert country in his hand filed spurs and well oiled guns Claude Dallas had brought a strange new madness to the mythology of the West a madness that even a jury of his peers found nostalgically seductive in a sensational trial Claude Dallas came within a whisker of going free Only Jack Olsen through painstaking research into Dallas s background and exhaustive on the scene interviewing could unravel such a rat s nest of contradictions and confusions and create so compelling a portrait of the killer whose bloody deeds might have been foreordained from childhood From Publishers Weekly Claude Dallas Jr was raised in Upper Michigan and Ohio by a father whose philosophy was give a boy a gun and you re makin a man After high school the young man went to the rugged border area of Idaho Oregon and Nevada and worked as a cow puncher and handyman on several ranches But his dream was evidently to become a 19th centurystyle mountain man and so he turned to poaching often killing animals even though he had no need for the meat In 1981 he killed two game wardens in front of a witness On the run for 15 months he was eventually captured in a shootout and found guilty of manslaughter in a singularly bizarre trial From Library Journal Give a boy a gun and you re makin a man Claude Dallas Sr is quoted as saying in this book about his son Claude Jr a self made cowboy trapper and mountain man who was convicted of manslaughter in the shooting deaths of two Idaho game wardens Claude Jr was well liked by many including a sympathetic jury which rejected possible first or second degree murder verdicts Was it a case of self defense or outright murder Olsen who last wrote the popular Son a psychopath and his victims LJ 11 15 83 skillfully presents his viewpoint in a readable tale more reminiscent of Old West traditions than of the 1980s Recommended *Doc: The Rape of the Town of Lovell* Jack Olsen,2020-05-28 Award Winner For twenty five years the trusted family doctor in a small Wyoming town had been raping and molesting the women and children who most relied on him Mostly Mormons the naive victims sometimes realized on their wedding nights the truth about what had happened in Dr Story s office In riveting detail veteran crime writer Jack Olsen tells the searing story of a small group of courageous women who decided to bring a doctor to justice and unearthed a legacy of pain and anger that would divide their families their neighbors and an entire town Publishers Weekly This masterful book by the author of Son as much a searching sociological study as a true crime narrative tells what happened in Lovell when these happenings came to light the community lost its bearings and the doctor was convicted of rape Kirkus From popular true crime veteran Olsen Son Cold Kill etc the widely publicized case that tore a small Wyoming town apart when the local doctor was accused then convicted of raping patients under the guise of giving them pelvic examinations Lowell Wyoming was a town divided largely along religious lines a Mormon majority and a Baptist minority When Dr John Story arrived to start up a practice he found a warm welcome a doctor was needed and though he was a Baptist his strict habits which led him to start his own more fundamentalist church won the respect of Mormons who flocked to him as patients But in 1983 after years of suspicions they had tried to dismiss two sisters came forward with accusations of rape inspiring dozens of other women some elderly to at

last speak up Some victims had been silent because of the Mormon code that seemed to hold women responsible for any extramarital sex others had taken their case to the police and not been believed to Church leaders who told them to switch doctors and to the medical association which did nothing The 1983 accusers were vilified by the town even by many Mormons some grateful for Story s medical care others sensitive to his claim that the case was a Mormon conspiracy some lost their jobs and businesses but Story was eventually convicted and is now doing 15 20 years Engrossing true drama and a more balanced than usual picture of Mormon life and values The award winning author of thirty three books Jack Olsen s books have published in fifteen countries and eleven languages Olsen s journalism earned the National Headliners Award Chicago Newspaper Guild s Page One Award commendations from Columbia and Indiana Universities the Washington State Governor s Award the Scripps Howard Award and other honors He was listed in Who s Who in America since 1968 and in Who s Who in the World since 1987 The Philadelphia Inquirer described him as an American treasure Olsen was described as the dean of true crime authors by the Washington Post and the New York Daily News and the master of true crime by the Detroit Free Press and Newsday Publishers Weekly called him the best true crime writer around His studies of crime are required reading in university criminology courses and have been cited in the New York Times Notable Books of the Year In a page one review the Times described his work as a genuine contribution to criminology and journalism alike **Hastened to the Grave** Jack Olsen,2010-04-01 They were a notorious gypsy family that seeped into their victims lives like a deadly cancer And they couldn t be stopped until one courageous woman took on the cases no one else would touch THE VICTIMS Elderly well to do men and women who due to their failing health strength and faculties could be conned out of their fortunes by heinous neglect abuse and possibly even murder THE ACCUSED Several members of a ruthless family of Gypsies known for their cunning con games and remarkable ability to extract large sums of money from their unwitting pawns THE INVESTIGATOR Fay Faron a beautiful never say die P I determined to bring these culprits to justice even when the authorities turned a blind eye to the Gypsies crimes time and time again In this shattering expose bestselling author Jack Olsen follows Fay Faron as she retraces every step of the Gypsy family and the crimes they stand accused of moving in on their helpless prey extorting money signing the fortunes of elderly millionaires into their own names and speeding up the death process with sadistic neglect slow poison and unspeakable cruelty Not since Peter Maas King of the Gypsies has the world of Gypsy crime been exposed in such shocking detail and with more fascinating insight *Charmer* Jack Olsen, In a tree lined community near Seattle young women were drawn to George Russel Jr They crowned him cool trusted him and took him to their hearts And why not An articulate young African American he was a cheerful companion flashy dancer and urban sophisticate He had good looks professional parents rich friends a beguiling style and smile George was a local favorite Then bodies started turning up in a night club parking lot in a quiet out of the way house and in a tastefully decorated apartment The victims attractive young females had been bludgeoned to death violated sexually then outrageously posed like

gallery sculptures Seasoned investigators were sickened by the cold brutality A prosecutor described the bodies as the killer's collected works of art No one suspected George Russell He offered the police helpful clues and even fingered a pal When frustrated detectives ran out of leads they came close to giving up the case In this riveting examination into the mind and life of a vicious killer and his deceptively charming persona Jack Olsen tracks Russell's thirty year psychological decline which culminated in a shocking killing spree Charmer is a thrilling and tragic story of a murderer and his victims *The Serial Killer Whisperer* Pete Earley, 2012-01-10 From New York Times bestselling author Pete Earley the strange but true story of how a young man's devastating brain injury gave him the unique ability to connect with the world's most terrifying criminals Fifteen year old Tony Ciaglia had everything a teenager could want until he suffered a horrific head injury at summer camp When he emerged from a coma his right side was paralyzed he had to relearn how to walk and talk and he needed countless pills to control his emotions Abandoned and shunned by his friends he began writing to serial killers on a whim and discovered that the same traumatic brain injury that made him an outcast to his peers now enabled him to connect emotionally with notorious murderers Soon many of America's most dangerous psychopaths were revealing to him heinous details about their crimes even those they'd never been convicted of Tony despaired as he found himself inescapably drawn into their violent worlds of murder rape and torture until he found a way to use his gift Asked by investigators from the National Center for Missing and Exploited Children to aid in solving a murder Tony launched his own searches for forgotten victims with clues provided by the killers themselves *The Serial Killer Whisperer* takes readers into the minds of murderers like never before but it also tells the inspiring tale of a struggling American family and a tormented young man who found healing and closure in the most unlikely way by connecting with monsters **Killer Twins** Michael Benson, 2012-03-01 The chilling true story of the Spahalski brothers who looked alike acted alike and killed alike Robert Bruce Spahalski and Stephen Spahalski were identical twins Same hair same eyes same thirst for blood Stephen was the first brother to kill by viciously bashing in storeowner Ronald Ripley's head with a hammer Unlike Stephen Robert didn't stop with just one victim With the cord of an iron Robert strangled prostitute Morraine Armstrong during sex With his bare hands he choked his girlfriend Adrian Berger He brutally bludgeoned to death businessman Charles Grande Even his friend Vivian Irizarry didn't escape his lurid killing spree Robert ultimately confessed to the four murders in vivid detail But police suspected there were many more The twins' twisted story became even more bizarre as the true nature of their sick psyches came to light In *Killer Twins* through extensive interviews Michael Benson reveals for the first time the horrific details of Robert Spahalski's life and crimes in a disturbing look at the inner workings of a homicidal mind **Head Shot** Burl Barer, 2011-10-24 A Storm Of Violence Paul St Pierre was an alcoholic driven by an urge to kill all the time He bullied his younger brother Chris into committing unspeakable acts His childhood friend Andrew Webb took drugs talked to skulls and dreamed about eating human flesh It was only a matter of time before the trio terrorized a quiet neighborhood near Tacoma Washington with the

brutal murders of innocent victims caught in a storm of senseless rage Then the twisted triad turned on each other over money Paul shot Andrew in the stomach Chris called the cops But with tortured individuals like these justice opened the doors to more surprising revelations Warning contains graphic photos True crime at its best Jack Olsen [In Cold Blood](#) Truman Capote,2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library s new set of beautifully repackaged hardcover classics by Truman Capote also available are Breakfast at Tiffany s and Other Voices Other Rooms in one volume Portraits and Observations and The Complete Stories Truman Capote s masterpiece In Cold Blood created a sensation when it was first published serially in The New Yorker in 1965 The intensively researched atmospheric narrative of the lives of the Clutter family of Holcomb Kansas and of the two men Richard Eugene Hickock and Perry Edward Smith who brutally killed them on the night of November 15 1959 is the seminal work of the new journalism Perry Smith is one of the great dark characters of American literature full of contradictory emotions I thought he was a very nice gentleman he says of Herb Clutter Soft spoken I thought so right up to the moment I cut his throat Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet then between the investigation of the case and the killers flight Capote s account is so detailed that the reader comes to feel almost like a participant in the events *Predator* Jack Olsen,2019-03-26 New file updated and posted March 1 2018 Jack Olsen the master of the true crime book now gives us an incisive probing look into the creation and development of the criminal mind as well as a shocking case of justice gone awry From childhood McDonald Smith took to heart the lessons drummed into him by antisocial relatives and peers As a teenager unburdened by conscience or pity he experimented with child abuse and bestiality then moved on to larceny stickups incest and finally rape Warned by a witch that he was about to be arrested he fled Los Angeles for Seattle and the Northwest already the breeding ground of predatory monsters like Ted Bundy Kenneth Bianchi and the Green River Killer There for years he stalked the women of Seattle seeking his prey on the dark streets and in the quiet homes then returning to his wife and family too careful and too clever to be caught By fall 1980 Mac Smith s luck still held A respectable young businessman named Steve Titus found himself charged with one of Smith s most sadistic rapes in a nightmarish case of mistaken identity and injustice The idealistic Titus was certain that the American system of justice would clear him right up to the day that a jury of his peers returned a verdict of guilty as charged While Mac Smith continued to terrorize the women of Seattle Titus lost everything his reputation his job his loved ones his freedom It was only when a Pulitzer prize winning reporter answered Titus s pleas for justice that the terrible truth emerged a truth that was darker than anyone imagined *Predator* is a gripping work of true crime reporting Jack Olsen doing what he does best It is a searing study of violations of women of justice of power and of the human spirit Jonathan Kellerman Amazon.com Review With careful reporting that sticks close to the facts Jack Olsen tells stories that seem straight out of crime fiction and yet are all the more compelling for being true This book focuses on three men a criminal who preyed on women a carefree

partygoer who was wrongly convicted of the predator s crimes and a reporter for the Seattle Times who won a Pulitzer Prize for tracking down the truth It s supposed to be a rare event in the U S judicial system that someone this innocent gets screwed this badly Even if it only happened to one person every decade it would still be a horrible thing And the smiling rapist described as having a sweet Jesus like countenance knowingly allowed that to happen Olsen not only delivers a real page turner but he ties up all the loose ends before the book s memorable and satisfying finale
