Into That Darkness An Examination Of Conscience Gitta Sereny

Into That Darkness Gitta Sereny, 2011-08-03 Based on 70 hours of interviews with Franz Stangl commandant of Treblinka the largest of the five Nazi extermination camps this book bares the soul of a man who continually found ways to rationalize his role in Hitler's final solution

Albert Speer Gitta Sereny, 1996-10-29 Albert Speer was not only Hitler's architect and armaments minister but the Fuhrer's closest friend his unhappy love Speer was one of the few defendants at the Nuremberg Trials to take responsibility for Nazi war crimes even as he denied knowledge of the Holocaust Now this enigma of a man is unveiled in a monumental biography by a writer who came to know Speer intimately in his final years Out of hundreds of hours of interviews Sereny unravels the threads of Speer's personality the genius that made him indispensable to the German war machine the conscience that drove him to repent and the emotional wounds that made him susceptible to Hitler's lethal magnetism Read as an inside account of the Third Reich or as a revelatory unsparing yet compassionate study of the human capacity for evil Albert Speer His Battle with Truth is a triumph Fascinating Not only a major addition to our knowledge of the Third Reich but a stunning attempt to understand the nature of good and evil Newsday More than a biography It also constitutes a perceptive re-examination of the mysterious appeal of Adolf Hitler San Francisco Chronicle

Cries Unheard Gitta Sereny, 2000-04-15 England's controversial 1 best seller What brings a child to kill another child In 1968 at age eleven Mary Bell was tried and convicted of murdering two small boys in Newcastle upon Tyne England Gitta Sereny who covered the sensational trial never believed the characterization of Bell as the incarnation of evil the bad seed personified If we are ever to understand the pressures that lead children to commit serious crimes Sereny felt only those children as adults can enlighten us Twenty seven years after her conviction Mary Bell agreed to talk to Sereny about her harrowing childhood her terrible acts her public trial and her years of imprisonment to talk about what was done to her and what she did who she was and who she became Nothing Bell says is intended as an excuse for her crimes But her devastating story forces us to ponder society's responsibility for children at the breaking point whether in Newcastle Arkansas or Oregon A masterpiece of wisdom and sympathy Gitta Sereny's wrenching portrait of a girl's damaged childhood and a woman's fight for moral regeneration urgently calls on us to hear the cries of all children at risk

God's Bankers Gerald Posner, 2015-02-03 New York Times Bestseller A deeply researched exposé of the money and the clerics turned financiers at the heart of the Vatican Chicago Tribune From a master chronicler of legal and financial misconduct a magnificent investigation nine years in the making God's Bankers traces the political intrigue of the Catholic Church in a meticulous work that cracks wide open the Vatican's legendary enabling secrecy Kirkus Reviews Decidedly not about faith belief in God or religious doctrine this book is about the church's accumulation of wealth and its byzantine financial entanglements across the world Telling the story through two hundred years of prelates bishops cardinals and the popes who oversee it all Gerald

Posner uncovers an eyebrow raising account of money and power in one of the world's most influential organizations God's Bankers is a revelatory and astounding saga marked by poisoned business titans murdered prosecutors and mysterious deaths written off as suicides a carnival of characters from popes and cardinals to financiers and mobsters to kings and prime ministers and a set of moral and political circumstances that not only clarify the church's aims and ambitions but reflect the larger tensions of more recent history Posner also assesses Pope Francis's potential to overcome the resistance to change in the Vatican's Machiavellian inner court and rein in the excesses of its seemingly uncontrollable financial quagmire As exciting as a mystery thriller Providence Journal this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power Reads like a sprawling novel full of complex characters and surprising twists Readers interested in issues involving religion and international finance will find Posner's work a compelling read Library Journal An extraordinarily intricate tale of intrigue corruption and organized criminality Posner's gifts as a reporter and storyteller are most vividly displayed in a series of lurid chapters on the American archbishop Paul Marcinkus the arch Machiavellian who ran the Vatican Bank from 1971-1989 The New York Times Book Review

A History of the Dora Camp Andre Sellier, 2003-05-27 In mid 1943 Nazi Germany entered a crisis from which it was to emerge vanquished Faced with a shortage of manpower in armaments factories the Third Reich sent concentration camp prisoners to work as slaves While the genocide of the Jews and the Gypsies continued at extermination camps numerous outside Kommandos were set up in the vicinity of the large concentration camps The Dora Camp located in the center of Germany was one of the most notorious Originally a mere Kommando attached to Buchenwald it became one of the largest Nazi concentration camps There prisoners were put to work in a huge underground factory building V 2 rockets the secret weapon developed by German scientists in an attempt to reverse the course of the war under the direction of Wernher von Braun In this dispassionate but powerful account Andr Sellier himself a former prisoner at Dora tells the dramatic story of the camp the tunnel factory and the underground work sites He has utilized all available documents as well as unpublished testimony from several dozen fellow prisoners He recounts the horrors of everyday life at Dora prisoners dying by the hundreds and indescribable suffering and the murderous evacuation of the camp by railroad convoys and death marches which took place in early 1945 and led to the death of thousands of prisoners Illustrated with 20 pages of photographs and drawings and 24 maps

The German Trauma Gitta Sereny, 2000 IN 1945 Germany underwent a radical political transformation moving certainty and irreversibility from dictatorship to freedom under a model federal constitution But despite this remarkable public success and the economic revival that accompanied it the experience of war remains current in the imagination of Germans Indeed so total was their defeat so complete was their culpability that Germany's obvious dynamism has coexisted with the always open wound of their history The fact that this wound exists and has been felt so deeply for more than half a century has altered what has usually been thought of as the German character Nazis on the

Run Gerald Steinacher,2012-08-23 The story of how Nazi war criminals fled justice after Second World War and the role played by the Red Cross the Vatican and the Secret Services of the great powers in helping them get away The Theory and Practice of Hell Eugen Kogon,2006-09-19 By the spring of 1945 the Second World War was drawing to a close in Europe Allied troops were sweeping through Nazi Germany and discovering the atrocities of SS concentration camps The first to be reached intact was Buchenwald in central Germany American soldiers struggled to make sense of the shocking scenes they witnessed inside They asked a small group of former inmates to draft a report on the camp It was led by Eugen Kogon a German political prisoner who had been an inmate since 1939 The Theory and Practice of Hell is his classic account of life inside Unlike many other books by survivors who published immediately after the war The Theory and Practice of Hell is more than a personal account It is a horrific examination of life and death inside a Nazi concentration camp a brutal world of a state within state and a society without law But Kogon maintains a dispassionate and critical perspective He tries to understand how the camp works to uncover its structure and social organization He knew that the book would shock some readers and provide others with gruesome fascination But he firmly believed that he had to show the camp in honest unflinching detail The result is a unique historical document a complete picture of the society morality and politics that fueled the systematic torture of six million human beings For many years The Theory and Practice of Hell remained the seminal work on the concentration camps particularly in Germany Reissued with an introduction by Nikolaus Waschmann a leading Holocaust scholar and author of Hitler s Prisons this important work now demands to be re read The Case Of Mary Bell Gitta Sereny,2013-03-31 In December 1968 two girls who lived next door to each other Mary aged eleven and Norma thirteen stood before a criminal court in Newcastle accused of strangling two little boys Martin Brown four years old and Brian Howe three Norma was acquitted Mary Bell the younger but infinitely more sophisticated and cooler of the two was found guilty of manslaughter She evaded being branded as a murderer due to what the court ruled as diminished responsibility but she was sentenced to detention for life Step by step Gitta Sereny pieces together a gripping and rare study of a horrifying crime the murders the events surrounding them the alternately bizzare and nonchalant behaviour of the two girls their brazen offers to help the distraught families of the dead boys the police work that led to their apprehension and finally the trial itself What emerges from this extraordinary case is the inability of society to anticipate such events and to take adequate steps once disaster has struck **The Boy** Dan Porat,2010-10-26 A cobblestone road A sunny day A soldier A gun A child arms high in the air A moment captured on film But what is the history behind arguably the most recognizable photograph of the Holocaust In The Boy A Holocaust Story the historian Dan Porat unpacks this split second that was immortalized on film and unravels the stories of the individuals both Jews and Nazis associated with it The Boy presents the stories of three Nazi criminals ranging in status from SS sergeant to low ranking SS officer to SS general It is also the story of two Jewish victims a teenage girl and a young boy who encounter these Nazis in Warsaw in the spring of 1943 The book is

remarkable in its scope picking up the lives of these participants in the years preceding World War I and following them to their deaths One of the Nazis managed to stay at large for twenty two years One of the survivors lived long enough to lose a son in the Yom Kippur War Nearly sixty photographs dispersed throughout help narrate these five lives And in keeping with the emotional immediacy of those photographs Porat has deliberately used a narrative style that drawing upon extensive research experience and oral interviews places the reader in the middle of unfolding events

The Diary of Dawid Sierakowiak Dawid Sierakowiak,1998 Presents diary entries that document the author s experiences during the Nazi persecution of Jews in d Poland

The Italian Executioners Simon Levis Sullam,2020-12-08 In this revisionist history of Italy s role in the Holocaust the author presents an account of how ordinary Italians actively participated in the deportation of Italy s Jews between 1943 and 1945 when Mussolini s collaborationist republic was under German occupation

Treblinka Jean-François Steiner,1994 Re examines the events leading up to the 1943 Jewish rebellion in a Nazi extermination camp

My War Criminal Jessica Stern,2020-01-28 An investigation into the nature of violence terror and trauma through conversations with a notorious war criminal by Jessica Stern one of the world s foremost experts on terrorism Between October 2014 and November 2016 global terrorism expert Jessica Stern held a series of conversations in a prison cell in The Hague with Radovan Karadzic a Bosnian Serb former politician who had been indicted for genocide and other war crimes during the Bosnian War and who became an inspiration for white nationalists Though Stern was used to interviewing terrorists in the field in an effort to understand their hidden motives the conversations she had with Karadzic would profoundly alter her understanding of the mechanics of fear the motivations of violence and the psychology of those who perpetrate mass atrocities at a state level and who like the terrorists she had previously studied target noncombatants in violation of ethical norms and international law How do leaders persuade ordinary people to kill their neighbors What is the ecosystem that creates and nurtures genocidal leaders Could anything about their personal histories personalities or exposure to historical trauma shed light on the formation of a war criminal s identity in opposition to a targeted Other In *My War Criminal* Jessica Stern brings to bear her incisive analysis and her own deeply considered reactions to her interactions with Karadzic a brilliant and often shockingly charming psychiatrist and poet who spent twelve years in hiding disguising himself as an energy healer while also offering a deeply insightful and sometimes chilling account of the complex and even seductive powers of a magnetic leader and what can happen when you spend many many hours with that person

The Mind of the Holocaust Perpetrator in Fiction and Nonfiction Erin McGlothlin,2021-05-04 Examines textual representations of the consciousness of men responsible for committing Holocaust crimes *The Mind of the Holocaust Perpetrator in Fiction and Nonfiction* examines texts that portray the inner experience of Holocaust perpetrators and thus transform them from archetypes of evil into complex psychological and moral subjects Employing relevant methodological tools of narrative theory Erin McGlothlin analyzes these unsettling depictions which manifest a certain tension regarding the

ethics of representation and identification Such works she asserts endeavor to make transparent the mindset of their violent subjects yet at the same time they also invariably contrive to obfuscate in part its disquieting character The Mind of the Holocaust Perpetrator in Fiction and Nonfiction contains two parts The first focuses on portraits of real life perpetrators in nonfictional interviews and analyses from the 1960s and 1970s These works provide a nuanced perspective on the mentality of the people who implemented the Holocaust via the interventional role of the interviewer or interpreter in the perpetrators performances of self disclosure In part two McGlothlin investigates more recent fictional texts that imagine the perspective of their invented perpetrator narrators Such works draw readers directly into the perpetrator s experience and at the same time impede their access to the perpetrator s consciousness by retarding their affective connection Demonstrating that recent fiction featuring perpetrators as narrators employs strategies derived from earlier nonfictional portrayals McGlothlin establishes not only a historical connection between these two groups of texts whereby nonfictional engagement with real life perpetrators gradually gives way to fictional exploration but also a structural and aesthetic one The book bespeaks new modes of engagement with ethically fraught questions raised by our increasing willingness to consider the events of the Holocaust from the perspective of the perpetrator Students scholars and readers of Holocaust studies and literary criticism will appreciate this closer look at a historically taboo topic

Building the Wall Robert Schenkkan, 2017-09-29 On January 20 2017 Donald J Trump was sworn in as the 45th president of the United States Over the next sixteen months events would unravel that test every American s strength of character executive actions an immigration round up of unprecedented scale and a declaration of martial law Rick finds himself caught up as the frontman of the new administration s edicts and loses his humanity In a play that recalls George Orwell s Nineteen Eighty Four and the Nazi regime BUILDING THE WALL is a terrifying and gripping exploration of what happens if we let fear win

The Polish Underground and the Jews, 1939-1945 Joshua D. Zimmerman, 2015-06-05 Zimmerman examines the attitude and behavior of the Polish Underground towards the Jews during the Holocaust

Facing The Extreme Tzvetan Todorov, 1997-04-15 Studies the moral practices in concentration camps uncovering the virtues that persevered throughout inhuman living conditions

The Body is the Hero Ronald J. Glasser, 1976

The Good Germans Catrine Clay, 2021-08-31 After 1933 as the brutal terror regime took hold most of the two thirds of Germans who had never voted for the Nazis some 20 million people tried to keep their heads down and protect their families They moved to the country or pretended to support the regime to avoid being denounced by neighbours and tried to work out what was really happening in the Reich surrounded as they were by Nazi propaganda and fake news They lived in constant fear Yet many ordinary Germans found the courage to resist Catrine Clay argues that it was a much greater number than was ever formally recorded Her ground breaking book focuses on six very different characters They are not seen in isolation but as part of their families Each experiences the momentous events of Nazi history as they unfold in their own small lives Good Germans all
