Introduction to Latin Susan C. Shelmerdine, 2013-04-01 Introduction to Latin Second Edition is an introductory Latin textbook designed with a streamlined flow that allows it to be completed in one year Its concise and uncluttered approach gives students what they need to master the material Grammar is integrated within the context of reading fluency Innovative exercises provide translation practice as well as build instinctive skills that prepare students for reading authentic Latin works Features Concise streamlined presentation focuses on what students need to know allowing the material to be covered in a year even for courses which meet only three days a week Innovative exercises that go beyond the usual translation practice engaging students with the mechanisms of the language and developing more instinctive skills Succinct grammatical explanations that don't overwhelm the students with superfluous detail while also providing help for students with little or no understanding of English grammar Latin readings from ancient sources in the form of both sentences and short passages allow for students to connect with authentic Latin Practical instructions often overlooked by other textbooks including reading a dictionary entry reading strategies sentence patterns gapping and expectations New to the Second Edition Revised order of presentation that spreads material out more evenly between the first and second halves of the book Derivatives exercises added at the end of each chapter providing practice connecting English words with their Latin roots Bridge to next level final three chapters provide review and include longer narrative readings with minimal editing to bridge students to the next level of Latin Revised selection of readings for more appropriate level of difficulty

Lughat-UL-Quran 2 Ghulam Ahmad Parwez, 2015-01-18 In order to understand the true message and spirit of the Holy Quran it is essential to know the language it has been revealed in The first step is to understand the meaning of individual words One needs to understand how words were used by the ancient Arabs by the time of Quranic revelation and not depend on anyone's explanation or understanding as to what they mean today Along with proper understanding of Arabic grammar the true meanings of Quranic words and their use with respect to the context in which they have been revealed in one student of Quran may get closer to the Truth The task of creating a Quranic dictionary or encyclopedia that would explain the classical meanings of Quranic words and their use along with significance was undertaken by Allama Ghulam Ahmed Parwez in 1960 where he compiled Lughat ul Quran in Urdu language Now this dictionary has been translated to English by Quranic Education Society in Norway in order to appeal to a larger audience worldwide and to inspire modern Quranic students
