Patti, 2009 Focusing on an effectiveness driven approach to management in the human services Rino J Patti's *The Handbook of Human Services Management* Second Edition explores the latest information on practice innovations theoretical perspectives and empirical research to provide an essential perspective on what managers do to create and sustain organizations that deliver high quality effective services to consumers Offering the most comprehensive coverage of human services management available today this second edition includes 24 chapters authored by distinguished practitioners and scholars in human services management 10 that are entirely new and 14 that have been extensively revised *The Handbook* is accompanied by an Instructor's Manual

Human Services as Complex Organizations Yeheskel Hasenfeld, 2010 This new edition looks at the many recent changes in the arena of Human Services Organizations

Organizational Change in the Human Services Rebecca Ann Proehl, 2001-08-15 Organizations today whether public or private exist in environments where the pace of change is dizzying Human service organizations face both external and internal challenges The public demands better services at more reasonable costs Clientele is more diverse more stratified and more vocal than ever The organizations themselves must keep up with rapid changes in technological innovation and labor management relationships Organizational Change in the Human Services looks at the context of organizational change describes how individuals and systems change and pinpoints keys to successful change Author Rebecca Proehl then presents a proven model of organizational change built on lessons learned from both the public and private sectors but tailored for human service organizations Proehl also discusses in depth labor union management issues the political strategies leaders must use to implement change and how to build collaborative relationships in human services Full of examples of successful change projects within human services the book emphasizes understanding the skills and tools needed for successfully leading and implementing change As a special feature case studies organizational assessments and inventories and exercises that can help the reader to adapt the change model to their own organization are included Practicing managers in the human services will find this book a necessary guide to leading and implementing change in their organization It will also make a useful text for advanced courses in human services administration and management

Human Services Management David M. Austin, 2002 This book assists participants in human service organizations in understanding the dynamics that are shaping such organizations Austin's comprehensive analysis of human services management examines the historical development and program structures of such organizations their stakeholders including users personnel funders and policy boards and the organizational processes of accountability and dealing with change

Designing and Managing Programs Peter M. Kettner, Robert M. Moroney, Lawrence L. Martin, 2016-01-19 The Fifth Edition of the classic *Designing and Managing Programs* for human services helps readers grasp the meaning and significance of measuring performance and evaluating outcomes The authors all leaders in the field incorporate the principles of effectiveness based planning as they address the steps of designing implementing and evaluating a human services program at the local agency level Meaningful examples at every stage of the process from problem analysis and needs assessment to evaluating effectiveness and calculating costs enhance reader understanding of how concepts are implemented in the real world

Changing Human Service Organizations George Brager, 2002-02 From Simon Schuster *Changing Human Service Organizations* is George Brager and Stephen Holloway's exploration of politics and practice *Changing Human Service Organizations* is concerned with the process of planned change with human service organizations Its focus is on innovation initiated by staff at the lower and middle levels of hierarchy of the organization they wish to alter

Managing the Human Service Organization Richard Steiner, 1977-08

Excellence in Human Service Organization Management Peter M. Kettner, 2013 An integrated model for management and administrative practice Excellence in Human Service Organization Management 2 e provides guidelines to insure internal consistency within Human Service Organizations Integrated in management theory the model presented in the text is adapted to human service organizations generally and social work issues specifically The text first identifies problems in organizational functioning as well as proposes what managers need to do to put their organizations back on track toward excellence Then it guides managers through a plan to bring employees on board and continuously nurture them so they identify their success with that of the organization Standards for Excellence Series Designed to help students advance their knowledge values and skills the Standards for Excellence Series assists students in associated CSHSE s National Standards to all levels of human service practice Learning Goals Upon completing this book readers will be able to Identify problems in organizational functioning Recognize what managers need to do to get organizations on the track for excellence Understand what employees need to do to help the overall well being of an organization

Navigating Human Service Organizations Rich Furman, Margaret Gibelman, Ren Winnett, 2020 It has been 17 years since the first edition of Navigating Human Service Organizations Navigating was published and about twenty years since the Margaret Gibelman began working on a unique and engaging textbook that has been used in many dozens of classrooms I did not participate in the initial writing of the book I joined the project later Yet shortly after it was released I reviewed it for possible adoption for a practice class so can semi dispassionately reflect upon the initial notes I made about the latest book of the director of the doctoral program from which I graduated

Organization Practice Mary Katherine O'Connor, F. Ellen Netting, 2009-01-28 Human service organizations are under increasing pressure to demonstrate that their programs work Organization Practice Second Edition helps students and professionals in human services and nonprofit management understand complex behaviors in organizations This new edition provides a new practical model for understanding cultural identities within organizations Also it is significantly revised to include numerous real world cases critical thinking questions empirical support and engaging exercises Social workers as well as public health and nonprofit administrators will benefit from the insights in this book

The Future of Human Service Organizational & Management Research Bowen McBeath, Karen Hopkins, 2020-09-10 This book provides panoramic overviews of critical human service organizational and management practice challenges as well as new and needed research frontiers The Future of Human Service Organizational and the rise and uncertain effects of new developments in social work public policy and public management and other helping professions The contributors identify how future generations of macro practitioners and scholar researchers can Improve service delivery and program effectiveness Implement evidence based practices and evidence informed practices Promote leadership and social innovation Build linkages across micro meso and macro levels of practice Train organizational leaders and educate practitioners and Advocate for more socially just visions of social welfare and society This edited collection argues that human service organizational and management practice and research are needed to support new discoveries in social welfare social work and related professions This book was originally published as a special issue of the journal Human Service Organizations Management Leadership Governance

Developing Human Service Leaders Deborah Harley-McClaskey,2015-12-24 Developing Human Service Leaders is an empowering text for human services students that covers the skills and behaviors essential for leaders to manage themselves their teams and the organization Using a unique coaching voice author Deborah Harley McClaskey follows a Reflection Diagnosis Prescription approach for leadership development with exercises built into the dialogue The final chapter Prognosis offers a workbook style exercise to help students make a personal change

Achieving Excellence in the Management of Human Service Organizations Peter M. Kettner,2002 This book attempts to create an integrated model for management and administrative practice in the management of human service organizations The book presents a theoretical foundation for human services management and identifies the major roles and responsibilities of the manager administrator To date management books have identified problems in organizational functioning and described how systems should work This book goes beyond description First it identifies themes that serve as guidelines to insure internal consistency within the organization Then it proposes what managers need to do to put their organizations back on track toward excellence The overall emphasis is on how to get employees to perform at their optimum levels to insure organizational efficiency effectiveness quality and productivity For people in Human Services Management and Social Work Administration Management

Designing and Managing Programs / Proposal Writing/ Managing the Challenges in Human Service Organizations/ The Handbook of Human Services Management Peter M. Kettner,Robert M. Moroney,Lawrence L. Martin,Soraya M. Coley,Cynthia A. Scheinberg,2009-05-01

Organizational Change and Development in Human Service Organizations David Bargal,Hillel Schmid,2012-11-12 Through change and development human service organizations can promote the well being of their clients more effectively This important book describes and analyzes recent research on organizational change and development in the social and human services It is particularly relevant in light of the significant changes in these organizations during the last decade and the lack of literature in the area Organizational Change and Development in Human Service Organizations brings together the work of scholars who deal with social welfare administration and change in human services combining research studies with theoretical approaches to change and development It helps readers better understand the process of change and the role of the environment in creating change Insightful chapters encourage practitioners scholars and students to plan change in organizations utilize models of change and organizational development in real life and evaluate change and its results and impacts This much needed book addresses a variety of topics including the uses of force field analysis in assessing prospects for organizational change planned change in voluntary and government social service agencies interorganizational coordination of services to children in state custody early stages in the creation of self help organizations organization and community transformation organizational development in public social services strategic and structural change in human service organizations a developmental approach to program evaluation Many readers will find the information in Organizational Change and Development in Human Service Organizations to be extremely beneficial in their daily work Covering the important issues it gives readers a deeper insight into the processes of change and development so they can provide better services to their clients This book is a vital resource for social workers professionals in public administration individuals involved in MSW programs and students in the social sciences including sociology and political science

Organization, Policy, and Practice in the Human Services Bernard Neugeboren,1991 Here is a timely insightful book that greatly increases the effectiveness of human service professionals and the organizations in which they function Organization Policy and Practice in the Human Services is the first such text to bring together in a systematic fashion the concepts of organizational theory policy and practice in the human services Offering a basic orientation to the structure and operations of social service organizations Neugeboren addresses society s need for the successful operation of these complex institutions in our highly organized society He also calls for a re examination of what is meant by dependency and postulates new methods of dealing with the social and personal problems confronting people in contemporary society This book is indispensable for administrators practitioners and students Practitioners gain instruction in bureaucratic expertise enabling them to maximize opportunities limit organizational constraints reduce the likelihood of burnout and otherwise become a good bureaucrat instead of an ineffective if well intentioned one Administrators will benefit from a model of organizational goals practical guidelines for evaluating the effectiveness of an organizational structure and methods for identifying and remedying the causes of organizational dysfunction Neugeboren s practical ideas make a significant contribution in preparing tomorrow s social workers to deal more effectively with the world facing each of us His theoretical insights are grounded in discussions of actual cases making them easy to apply to any human service organization

Human Services as Complex Organizations Yeheskel Hasenfeld,2009-07-29 Hasenfeld has done it again An excellent collection of essays on many of the most important trends and issues involving human service organizations Mayer N Zald Professor emeritus Sociology Social Work and Management University of Michigan The Second Edition of this best selling text provides a comprehensive and state of the art perspective on human service organizations This vanguard collection weaves the latest theoretical and empirical studies in macro theory with contemporary examples from hospitals schools social service organizations mental health centers and public welfare agencies Blending theory with application this outstanding anthology highlights the moral choices and accomplishments made by human service organizations Key Features of This Edition Presents the latest theoretical and empirical studies on human service organizations offering students key analytical tools to study and understand human behavior in various contexts Introduces important new topics such as the impact of the policy environment emotional labor and advocacy Offers students a new perspective with original studies on organizational ideologies conditions of work structuration of service technologies diversity and discretion Intended Audience This exceptional compilation of the best theoretical and empirical studies on human service organizations is indispensable to graduate students and scholars of organization studies organizational behavior and Human Behavior in the Social Environment
