The book is comprised of 12 chapters that cover the theoretical elements up to the practical applications. The first two chapters provide the introduction and historical review of the subject of reinforced soil. The third chapter presents a catalogue of some of the application areas for the use of earth reinforcement, while the fourth chapter covers the theoretical concepts. The next six chapters deal with the practical aspects of earth reinforcements, such as design, construction, costs, and durability. The remaining two chapters provide some worked examples and discuss the developments in earth reinforcement, respectively. The text will be of great use to undergraduate students of civil engineering and other related fields. Book & CD. A rescued rogue . . . Scandal has rocked the city of London. Colin Eversea, a handsome, reckless unapologetic rogue is sentenced to hang for murder and, inconveniently for him, the only witness to the crime disappears. Then again, throughout

history, the Everseas have always managed to cheat fate in style: Colin is snatched from the gallows by a beautiful, clever mercenary. A captivating captor. . . Cool-headed, daring Madeleine Greenway is immune to Colin's vaunted charm. Her mission is not to rescue Colin but to kidnap him, and to be paid handsomely for it. But when it becomes clear that whoever wants Colin alive wants Madeline dead, the two become uneasy allies in a deadly race for truth. Together, they'll face great danger—and a passion neither can resist. Lined pages with medium ruled line spacing for easy writing. 130 writable pages. Lined pages without illustrations offering you maximum space to write. Why Write? Writing with pen and paper helps to boost creativity. Helps to improve your memory. Helps to structure your thoughts. Writing on paper is just as important now as it was 10, 20, 50 years ago. Maybe even more. Online media offer many distractions. It's so easy to quickly click or swipe. You might almost forget to just sit down and write down your thoughts, your list of things, draw or doodle whatever is on your mind. Many people talk about mindfulness, conscious living, but getting this notebook and taking time to write or draw helps to get some rest, to get grounded, to pace yourself. Creativity and Inspiration Writing by hand will increase your creativity. It helps you focus your energy and support your flow. Whether you are structuring strategic plans, organising your day, writing your next book, or jotting down your thoughts as a reminder, writing it down makes your creative juices flow. More and better ideas. Quicker and easier. Organising and Memorising Writing down your goals, actions and achievements helps to accomplish more, and to feel proud and

successful of what you have achieved. Feeling better. Besides, it has been scientifically proved that writing things down will increase your memory. Last but not least, writing down your experiences and reflections will help to process and manage emotions, and support self-improvement. (We suspect one journal will not be enough, for all the things you can do with pen and paper). A perfect gift and unique present

Our Journals and Notebooks are great gifts presents for ladies, women, mom, mother, aunt, sister, girlfriend, teacher, valentine's day, christmas, or on any other occasion. And don't forget mother's day, graduation gifts, co-workers or boss, birthdays, gift baskets or stocking stuffers, your hostess. Or just for yourself, as a daily journal, travel journal, doodle diary, school workbook, grocery lists, to collect poems or recipes, writing stories. And so much more...

The Stone God is building in power.... Defeating an empire takes many weapons, and Rhenna and her band--including shape-shifting panther Cian--must brave unpredictable dangers, crossing vast deserts, trackless jungles and impenetrable swamps to seek the Hammer of the Earth. Yet the Exalted Ge, who holds the Hammer in her stronghold, has set deadly traps that rise out of the Earth itself. Even if Rhenna and her companions can defeat a goddess, do they dare trust each other when the Hammer has done its work? Meanwhile, in Karchedon, their ally Quintus must decide if working from within the Emperor's palace will aid in the downfall of the Stone God or simply betray all he holds dear. Despite every battle won, the power of the Stone God still stands against them. And the ultimate victory may demand the ultimate price....
