

# Problem and Solution

Match each problem to the best solution.

It's a hot day and the air conditioner isn't working.

Ask others in your house if they have seen it.

You can't find your favorite toy.

Ask someone to help you.

You want chocolate ice cream, but the store is out of that flavor.

Go outside and sit under a shady tree.

You have to do a homework assignment you don't understand.

Try a different flavor with chocolate sprinkles or syrup.

You want to swing, but someone else is using it.

Play on something else while you wait for them to finish.
