### Exam TIP

#### Identifying key information

- Elicit why it is important to underline key words and phrases in multiple-choice questions (so they know what to look for in the main text and answer options).
  - Tell students to mark the sections of text where they find the answers, so it's easier to check their ideas when they finish.
- Do the first item with the class. Students identify the key words in the first question (second paragraph, suggest about colour). They then scan the second paragraph of the text to find the answer (B). Choose a student to read the sentence with the answer aloud.
  - Students read the rest of the Exam Task and underline the key words in the questions, then check their ideas in pairs. Get feedback.
