**Building A Character** Dec 17 2023 **Building a Character** is one of the three volumes that make up Stanislavski's **The Acting Trilogy**. **An Actor Prepares** explores the inner preparation an actor must undergo in order to explore a role to the full. In this volume, Sir John Gielgud said, this great director "found time to explain a thousand things that have always troubled actors and fascinated students." **Building a Character** discusses the external techniques of acting: the use of the body, movement, diction, singing, expression, and control. **Creating a Role** describes the preparation that precedes actual performance, with extensive discussions of Gogol's **The Inspector General** and Shakespeare's **Othello**.
