Study Guide for Decoding Persepolis Steven Smith,2023-11-10 Decoding Persepolis takes the reader deep into Marjane Satrapi's Persepolis The Story of a Childhood offering a comprehensive look into the memoir's exploration of character dynamics themes symbolism and the overarching narrative The guide begins by exploring Marjane's intricate relationships with her family and friends which form the emotional backbone of the story Throughout the memoir Marjane navigates a labyrinth of conflicts mirroring the tumultuous environment of revolutionary Iran These conflicts range from internal struggles with faith and identity to confrontations with societal norms the education system and the broader political turmoil that envelops her country This guide examines the author's use of potent symbolism throughout the narrative using elements like the veil keys to paradise and cigarettes to convey repression manipulation and rebellion themes The climax of the story is reached with Marjane's increasing rebellion against societal norms leading to her parents' decision to send her to Austria This moment of departure marks a significant transition in her life symbolizing not just a physical departure but also a departure from childhood Persepolis provides a deeply personal glimpse into a critical period of Iranian history inviting readers to reflect on the intersections of politics family and personal development Through its exploration of Marjane's growth amidst political upheaval Decoding Persepolis aims to enhance students' understanding of the memoir unpacking Satrapi's complex themes and narrative strategies

Persepolis Marjane Satrapi,2008 Wise often funny sometimes heartbreaking I Persepolis The Story of a Childhood It tells the story of Marjane Satrapi's life in Tehran from the ages of six to fourteen years that saw the overthrow of the Shah's regime the triumph of the Islamic Revolution and the devastating effects of war with Iraq

Does My Head Look Big in This? Randa Abdel-Fattah,2014-05-01 Don't panic I'm Islamic Amal is a 16-year-old Melbourne teen with all the usual obsessions about boys chocolate and Cosmo magazine She's also a Muslim struggling to honour the Islamic faith in a society that doesn't understand it The story of her decision to shawl up is funny surprising and touching by turns

Coming Apart Charles Murray,2013-01-29 NEW YORK TIMES BESTSELLER A fascinating explanation for why white America has become fractured and divided in education and class from the acclaimed author of *Human Diversity* I'll be shocked if there's another book that so compellingly describes the most important trends in American society David Brooks New York Times In *Coming Apart* Charles Murray explores the formation of American classes that are different in kind from anything we have ever known focusing on whites as a way of driving home the fact that the trends he describes do not break along lines of race or ethnicity Drawing on five decades of statistics and research *Coming Apart* demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying American kinship divergence that has nothing to do with income inequality and that has grown during good economic times and bad The top and bottom of white America increasingly live in different cultures Murray argues with the powerful upper class living in enclaves surrounded by their own kind ignorant about life in mainstream America and the lower class suffering from erosions of family and community life that strike at the heart of the pursuit of happiness That divergence puts the success of the American project at risk The evidence in *Coming Apart* is about white America Its message is about all of America

Vietnamerica GB Tran, 2013-05-01 A superb new graphic memoir in which an inspired artist storyteller reveals the road that brought his family to where they are today Vietnamerica GB Tran is a young Vietnamese American artist who grew up distant from and largely indifferent to his family's history Born and raised in South Carolina as a son of immigrants he knew that his parents had fled Vietnam during the fall of Saigon But even as they struggled to adapt to life in America they preferred to forget the past and to focus on their children's future It was only in his late twenties that GB began to learn their extraordinary story When his last surviving grandparents die within months of each other GB visits Vietnam for the first time and begins to learn the tragic history of his family and of the homeland they left behind In this family saga played out in the shadow of history GB uncovers the root of his father's remoteness and why his mother had remained in an often fractious marriage why his grandfather had abandoned his own family to fight for the Viet Cong why his grandmother had had an affair with a French soldier GB learns that his parents had taken harrowing flight from Saigon during the final hours of the war not because they thought America was better but because they were afraid of what would happen if they stayed They entered America a foreign land they couldn't even imagine where family connections dissolved and shared history was lost within a span of a single generation In telling his family's story GB finds his own place in this saga of hardship and heroism Vietnamerica is a visually stunning portrait of survival escape and reinvention and of the gift of the American immigrants' dream passed on to their children Vietnamerica is an unforgettable story of family revelation and reconnection and a new graphic memoir classic

Make Just One Change Dan Rothstein, Luz Santana, 2011-09-01 The authors of Make Just One Change argue that formulating one's own questions is the single most essential skill for learning and one that should be taught to all students. They also argue that it should be taught in the simplest way possible. Drawing on twenty years of experience, the authors present the Question Formulation Technique, a concise and powerful protocol that enables learners to produce their own questions, improve their questions, and strategize how to use them. Make Just One Change features the voices and experiences of teachers in classrooms across the country to illustrate the use of the Question Formulation Technique across grade levels and subject areas and with different kinds of learners.
