The poem, which has been called "arguably the best-known verses ever written by an American", is largely responsible for some of the conceptions of Santa Claus from the mid-nineteenth century to today. Prior to the poem, American ideas about St. Nicholas and other Christmastide visitors varied considerably. On Christmas Eve night, while his wife and children sleep, a man awakens to noises outside his house. Looking out the window, he sees St. Nicholas in an air-borne sleigh pulled by eight reindeer. After landing his sleigh on the roof, the

saint enters the house through the chimney, carrying a sack of toys with him. The man watches Nicholas filling the children's Christmas stockings hanging by the fire, and laughs to himself. They share a conspiratorial moment before the saint bounds up the chimney again. As he flies away, Saint Nicholas wishes everyone a "Happy Christmas to all, and to all a good night."

Clement Clarke Moore (1779 - 1863) was an American Professor of Oriental and Greek Literature, as well as Divinity and Biblical Learning, at the General Theological Seminary of the Protestant Episcopal Church. Located on land donated by the "Bard of Chelsea" himself, the seminary still stands today on Ninth Avenue between 20th and 21st Streets, in an area known as Chelsea Square. Moore's connection with that institution continued for over twenty-five years. He is the author of the yuletide poem "A Visit from St. Nicholas", which later became famous as "'Twas the Night Before Christmas". as the title refers, this is a story about a living Christmas tree named Jasper. In the beginning, Jasper himself explains how he came to be from seed to sprout at his birthplace at Christy Farms. It is there that he makes friends with his growing tray mates and a large orange orb known as a pumpkin named

Oscar. Jasper was a slow grower and known as the runt of the crop and had received grief for it. Over time he and one of his tray mates grew to be two of the largest trees at Christy Farms. Jasper, his fellow tray mate, and Oscar the Pumpkin win a local grow-off competition, which in turn sends them to the state fair. At the state fair, Jasper is bought at an auction by a casino mogul, and he is shipped to Las Vegas, where he experiences the life of being an official Christy Christmas tree. Through the days leading to Christmas, life was grand. Lots of attention was given to Jasper. On Christmas Eve late at night, Jasper makes friends with a special guy in a red suit that recognizes Jasper as a Christy tree. Jaspers newfound late-night friend promises Jasper a belated Christmas gift for an act of kindness Jasper had shown. After Christmas, the situation goes downhill for poor Jasper now that his job is finished, and life as he knows it seem grim. Read to see how Jaspers life turns out being a past tree of Christmas. It is about Maddie, a spoiled child who loves Christmas and thinks she knows what it's all about. On Christmas Eve, she confronts Santa over the lack of presents he is leaving under the tree for her. Santa teaches her that the true spirit of Christmas is in giving and not receiving. Reunited with her first love... For an unforgettable Christmas Ciara Harris hoped her first Christmas working back at Loughmore Castle would mark a fresh start, but the return of Tom, now Duke of Bainsworth, threatens to uncover feelings she thought long buried. As the castle's fires burn warm and festive, so do Tom's and Ciara's feelings of hope... A woman's first Christmas on Martha's Vineyard comes with a mysterious surprise gift in a heartfelt novel that "brims with holiday cheer" (Library Journal). In her cozy rented cottage on Chappaquiddick, novelist Annie Sutton is finally following her dream of living on Martha's Vineyard. As she settles in for her first Vineyard

winter, a fierce nor'easter brings high winds and deep snow. But the blizzard also brings something unexpected to Annie's front porch: a baby girl in a basket. The note reads: "I named her Bella, after my grandmother. Please help her, because I can't." Annie has always been grateful for her adoptive parents who raised her as their own. Yet she now hopes to spare little Bella the feelings of abandonment that still haunt her. Rather than take the baby to the police, Annie tries to find the birth mother, giving her a chance to change her mind. But it's not easy keeping a secret in a close-knit island community, especially amid the bustle of Christmas. Before the holiday ends, there will be revelations, rekindled hope, and proof that families—the ones we are born into and the ones we claim for ourselves—are the gifts that truly matter. Book includes press and play sound device with colorful illustrations about preparations for Santa's arrival on Christmas eve. A holiday story that is sure to warm the hearts and inspire the imaginations of readers of all ages—from the Land of the Lost and Days of Our Lives actor. Set mostly inside of Santa's magical red sack, the action takes place in a land that most of us would call make-believe. However, for one orphaned

boy named Albert, this place becomes very real. Wandering the streets of nineteenth-century London on Christmas Eve, Albert seeks warmth and finds it in a red, velvety sack. When he crawls in to sleep, he expects to dream of happiness and love, but ends up discovering something quite different. Young Albert enters the magical realm of Santa's great red sack and is welcomed into this fantasy world by a host of happy toys, waiting to be given to grateful children on Christmas Day. However, Albert soon learns that he has not left the danger of the outside world behind. A diabolical toy, known only as No-Name, is determined to stop Christmas. He and the other "Garbles" are snatching the smiles of Albert's new friends. It's up to Albert, who is mistaken for a toy, to stop the ever more desperate war.

Wesley Eure's imaginative writing and Ronald G. Paolillo's full-color artistic renderings give each character a special breath of life as they cross the pages. *The Red Wings of Christmas* is sure to become a family holiday classic to be shared season after season.

northern fishing village, a young boy named Nicholas is orphaned when his father is drowned at sea. His mother braves the raging storm to get medical help for Kati, the younger sister, and leaves Nicholas to sit by her bedside. When the villagers arrive at the cottage in morning, he learns that Kati has died of a fever, and his mother is killed by a falling tree as she passes through the forest. The fishermen's wives gather to discuss how Nicholas will be cared for, and decide that if each family takes him in for one year, he will reach an age to care for himself. So it is that Nicholas moves in with his first family-for-a-year on Christmas Eve. He hides in a closet and cries himself to sleep. The next day, Christmas, is sorrowful for Nicholas but brightened by the company of the family's children, two girls and especially Otto, who becomes Nicholas' life-long friend. Nicholas has learned to carve by watching his father repair fishing gear and as his father's knife is his only inherited possession, he uses it to repair Otto's broken Christmas toy. When a year passes and it's time for Nicholas to move on to another family, he carves a doll and a chair for the girls and a toy sleigh with beautiful carved runners for Otto. The children are so pleased with the toys that Nicholas promises, "Next year, I'll

know how to make better toys and I'll make you some next Christmas, too." That is how every home where Nicholas the wandering orphan stayed, he left gifts for each child and each child in every family came to expect a Christmas gift from Nicholas. The story proceeds to weave an incentive for hanging the first Christmas stocking; for designing the first red suit; for replacing his old horse with reindeer; for resorting to go down the chimney to leave gifts; for the occasion of the first Christmas tree; and other favorite legends and traditions surrounding Christmas. Book includes press and play sound device with colorful illustrations about preparations for Santa's arrival on Christmas eve. A beautiful festive romance, all about the joy of Christmas with family, second chances, and finding love under the falling snow. White Oaks Inn has always been at the heart of Christmas celebrations for Scarlett Bailey and her family. together there... Over the holiday season, amidst much-loved festive traditions of baking cookies and decorating the tree, Scarlett throws herself into saving the hotel. Scarlett is determined to show him how much White Oaks Inn means to her family and the guests who return there every year and, as they spend more time together, she begins to realize there is more to Charlie than his serious appearance... But Charlie is struggling with a secret from his own past. Will he be able to face it, or will it stop him from truly opening up and getting close to anyone? NetGalley Reviewer, 4 stars Family is always the reason for the season. What better way to celebrate the holidays than to have a party with your loved ones. The smell of hot chocolate, gingerbread, & winter fills the air. With holiday music, a blissfully decorated tree, presents, games, lights, and more, there is Christmas in every corner. Not to mention a delicious spread of food, holiday inspired drinks, candy, cakes and pies. While cookies are set out for you know who, Santa isn't the only arrival this family is waiting for. This colorfully illustrated book brings the spirit of family, love, & Christmas to your home no matter what time of the year. Life isn't always sweet, even for girls called Candy. When Candice Parker married the love of her life on Christmas Eve, her romance with Gerald Ford became a family affair. Over the

years, they have faced their trials together, bringing them closer as each challenge is met and surpassed. The holiday season still terrifies her, but she is surrounded with family and friends ready to see her through the difficult winter months. This year, when her mother Lanelle's failing health threatens to spoil their holiday, Caroline is eager to help. Candy agrees to bring in Carol's old friend Holly to take on the care of the ailing matriarch, while hoping to finish her education and keep the household strong. In true Ford family form, chaos is not far behind Holly's addition to the staff, and the house is once again faced with tough choices that could spell disaster for their delicate balance. Is there room for another couple within the walls of the Ford residence, or will this year see the end of Candy's Christmas spirit? Lauren Richmond isn't a fan of Christmas. Which is why she rarely makes the trip home to the Midwest for the holidays. After all, she has plenty to keep her busy--namely, her duties as a set decorator on a TV sitcom. But this December, Lauren's brother and his wife are expecting a baby, so her brother arranges a ride home for her with his good friend, Will. Unfortunately for Lauren, she's been trying to forget college baseball coach and childhood crush

Will Sinclair for more than ten years. Now, thanks to her fear of flying, she's stuck in a car with him from California to Illinois. She's circumspect and organized. He's flirty and spontaneous. She's convinced that people don't change. He's trying to prove to her (and himself) that he has. On this cross-country road trip, they'll both discover that history doesn't exactly repeat itself. . . but like any good Christmas carol, it does have a second verse. ★★★★★ "I loved this series and hate to see it end!" --Amazon Reviewer
