Thread of Deceit Mar 30 2021 Something was terribly wrong with the shy, scared little girl. Every day, she came to Haven, Sam Hawke's inner-city youth center. But the former marine couldn't get Flora to open up. So he turned to newspaper reporter Ana Burns, hoping that her skill at asking nosy questions about him and his mission could be put to better use. Flora quickly captured Ana's heart. As did Sam and his dream of providing a haven for children with nowhere else to go. Ana's questions were soon answered—and worst fears confirmed—about little Flora. And protecting her and the center from a powerful predator would take all their love and faith combined.

Cage of Deceit Jan 09 2022 The fate of a kingdom lies with one girl.

Dissimulation and Deceit in Early Modern Europe Jun 01 2021 In this book, twelve scholars of early modern history analyse various categories and cases of deception and false identity in the age of geographical discoveries and of forced conversions: from two-faced conversos to serial converts, from demoniacs to stigmatics, and from self-appointed ambassadors to lying cosmographer.

Day Of Deceit Feb 02 2024 Using previously unreleased documents, the author reveals new evidence that FDR knew the attack on Pearl Harbor was coming and did nothing to prevent it.

Analytical Concordance to the Bible on an Entirely New Plan Sep 04 2021

Deceit and Self-Deception Aug 16 2022 We lie to ourselves every day: about how well we drive, how much we're enjoying ourselves - even how good looking we are. In this ground-breaking book, Robert Trivers examines not only how we self-deceive, but also why, taking fascinating examples from aviation disasters, con artists, sexual betrayals and conflicts within families. Revealing, provocative and witty, Deceit and Self-Deception is one of the most vital books written this century, and will make you rethink everything that you think you know. 'Original and important . . . remarkable, thick with ideas.' Financial Times 'One of the great thinkers in the history of Western thought.' Steven Pinker 'A swift tour of links between deception and evolutionary progress . . . fascinating.' Economist 'I devoured it from cover to cover . . . exhilarating.' Guardian 'A powerful book . . . essential for anyone who wants to try to counter their own unconscious biases.' Independent

The Nature, Power, Deceit, and Prevalency of the Reminders of Indwelling Sin in Believers Feb 07 2022

The Folly of Fools Feb 19 2023 Explores the author's theorized evolutionary basis for self-deception, which he says is tied to group conflict, courtship, neurophysiology, and immunology, but can be negated by awareness of it and its results.

In Love with Deceit 2 Jul 03 2021 After losing both her biological mother and the woman who raised her, Chink is not sure how much more she can stand. Lahmiek came into her life at the perfect time, and he is everything that she could want in a mate. When Lahmiek is arrested for a crime he swears he didn't commit, Chink must decide whether she should follow her head or her heart. Liem and Polo seem perfect for each other, but there are issues in their relationship that threaten to tear them apart. The couple must remember that, "All that glitters is not gold," but when they realize how true it is, it may be too late. In the explosive sequel to In Love with Deceit, lines are crossed and relationships are tested. Chink must decide who she can truly trust, and if being in love with deceit is truly worth it.

Deceit, Desire, and the Novel Apr 11 2022 Examines the novel based on an altruistic hero who dies, through a description of five novelists.

Serbia's Secret War May 01 2021 To understand Serbian nationalism requires profound attention to history and careful analysis. Cohen accomplishes both through years of studying primary sources never before translated, focusing on World War II and uncovering the foundations of ethnic cleansing. He argues that the Serbs collaborated with the Nazis in contrast to later Serbian rhetoric that claimed the Serbs were victims, "the thirteenth tribe of Israel." This official duplicity veiled the true objectives of the government to create an ethnically pure homeland. Annotation copyright by Book News, Inc., Portland, OR

Illuminati 2 Jun 06 2024 A depraved satanic cult called the Illuminati is waging a covert war against humanity. This is the key to mankind's tragic history and current predicament. For more than a thousand years, Cabalist money lenders have conspired to usurp power from church and aristocracy, according to a plan detailed in "The Protocols of the Elders of Zion." This plan does not represent Jews, but only a small cabal of bankers who organized in Masonic secret societies. They intermarried with prominent Gentiles and formed a vast occult and criminal underground. They are stealthily constructing a totalitarian world government. They involve nations in needless wars and enthrall the masses with porn, violence, trivia and toys. They attack our sources of identity and love -- God; family; country and race -- in order to stymie and dehumanize us. Sounds incredible, but after reading some of these 70 short essays, you'll nod in agreement. Their goal is to control your mind. If you know the truth, they can't.

Web of Deceit Apr 23 2023 As the Internet has become flooded with untrustworthy information, some of which is intentionally misleading or erroneous, this book teaches Web surfers how inaccurate data can affect their health, privacy, investments, business decisions, online purchases, and legal affairs.

Deceit on the Road to War Jan 21 2023 In Deceit on the Road to War, John M. Schuessler examines how U.S. presidents have deceived the American public about fundamental decisions of war and peace. Deception has been deliberate, he suggests, as presidents have sought to shift blame for war onto others in some cases and oversell its benefits in others. Such deceit is a natural outgrowth of the democratic process, in Schuessler's view, because elected leaders have powerful incentives to maximize domestic support for war and retain considerable ability to manipulate domestic audiences. They can exploit information and propaganda advantages to frame issues in misleading ways, cherry-pick supporting evidence, suppress damaging revelations, and otherwise skew the public debate to their benefit. These tactics are particularly effective before the outbreak of war, when the information gap between leaders and the public is greatest. When resorting to deception, leaders take a calculated risk that the outcome of war will be favorable, expecting the public to adopt a forgiving attitude after victory is secured. The three cases featured in the book—Franklin Roosevelt and World War II, Lyndon Johnson and the Vietnam War, and George W. Bush and the Iraq War—test these claims. Schuessler concludes that democracies are not as constrained in their ability to go to war as we might believe and that deception cannot be ruled out in all cases as contrary to the national

interest.

7th Son: Descent Dec 08 2021 As America reels from the bizarre presidential assassination committed by a child, seven men are abducted from their normal lives and delivered to a secret government facility. Each man has his own career, his own specialty. All are identical in appearance. The seven strangers were grown--- unwitting human clones---as part of a project called 7th Son. The government now wants something from these "John Michael Smiths." They share the flesh as well as the implanted memories of the psychopath responsible for the president's murder. The killer has bigger plans, and only these seven have the unique qualifications to track and stop him. But when their progenitor makes the battle personal, it becomes clear he may know the seven better than they know themselves.

Lies and Deceit 2 Jul 15 2022 Just when things were looking up for the Dunningans, they are hit hard with trouble again. Now, Malissa has kept another secret from Antonio, one that he did not even have a clue about but may send him packing with Antonio Jr. But the secret that Malissa has harbored all these years will cause someone to end up dead. Meanwhile, Douglas is still trying to find out who killed Charlene. As he comes closer to finding out, he stumbles upon something else. One thing Douglas does find out the hard way is that hell has no fury like a woman scorned. Caesar and Dante have so many issues until it is not funny anymore. Caesar once again has come in contact with Cynthia, who will cause a great deal of turmoil and frustration. Dante has married the love of his life so he thought until one night when they are out to dinner. Someone shoots out the back window of Dante's SUV. As Dante unravels the truth, he is hit with something that he never saw coming. By looking at Clinton and Vera, they look like the ideal parents and grandparents, but which one of them have a secret that will blow the family off the map? This book, *Lies and Deceit 2*, takes place in North Carolina. A real page-turner, it will have you thinking and guessing all the way through. I don't know if the Dunningans will recover from any of this.

She can't help but feel like a servant dressed up in diamonds and silk. Then she meets Alexander Ross, a young Scottish duke. Rose has heard all sorts of gossip about Alexander, but he alone treats her as a friend. Rose should know better than to give her heart to a man with a reputation, but it may already be too late. Meanwhile, Ada's also feeling miserable. She should be happy - she's engaged to a handsome man who shares her political passions and has promised to support her education. So why does she feel hollow inside? She knows that without this marriage, her family will be ruined, but it seems that in matters of love, the Averleys can only follow their hearts...

Veils of Deceit Nov 30 2023

Deadly Deceit May 25 2023 The chilling true crime story of a man willing to do whatever it takes to live life on his lavish terms—including murder his own parents. Gunned Down After years of hard work, Brian and Jeannie Legg had earned a well-deserved life of leisure in their picture-perfect Phoenix mansion. Until their troubled son showed up with a need for cash—and a thirst for murder . . . Two Bodies David Legg was an obsessive control freak and an army deserter. After fathering an illegitimate child, he wooed and wed a trusting young woman—only to destroy his marriage with lies and infidelities. But his deceptions were far from over . . . A Savage Son In June of 1996, Jeannie and Brian were found shot to death, their bodies sitting next to each other on their living room loveseat. Jeannie's expensive ring and the couple's credit cards were missing. Meanwhile, David, the prime suspect, was living it up in Hawaii with his fifteen-year-old girlfriend, draining his dead parents' savings through ATMs. After a long and costly chase this remorseless killer faced a jury of his peers in 2000, and was locked behind bars for life.

Masters Of Deceit: The Story Of Communism In America And How To Fight It Mar 11 2022 The Director of the Federal Bureau of Investigation explains the startling facts about the major menace of our time, communism: what it is, how it works, what its aims are, the real dangers it poses, and what loyal American citizens must know to protect their freedom. MASTERS OF DECEIT is a powerful and informative book—a firsthand account of American communism from its beginnings to the present, written by a man more intimately familiar with the complete story than any other American. Mr. Hoover shows the day-to-day operations of the Communist Party, USA: who the communists are, what they claim, why people become communists and why some break away. He describes life within the Party, communist strategy and tactics, methods of mass agitation and underground infiltration, espionage, sabotage, and its treatment of minorities. The picture of what life in this country would be under communism (toward which thousands of misguided Americans actually are working now!) is vivid and shocking. The forceful, driving message of this book is clarified with many incidents and anecdotes, definitions of communist terms, key dates, and a list of international communist organizations and publications which illustrate the communist Trojan horse in action. And it concretely outlines just what you can do now to combat the evils of the “false religion” of communism, so that you can stay free. MASTERS OF DECEIT is one of the most important books of our time—a warning of the clear and present danger to our way of life.

Deadly Deceit (Harbored Secrets Book #2) Nov 18 2022 Independent and tenacious journalist Vivian DeMarco is back in Walton, Georgia, for one reason--to do her job and get out. When her boss suddenly dies under suspicious circumstances, Vivian's only hope for finding the truth--and the next big story--is small-town law enforcement's lanky poster boy, Deputy Ryan Frost. But the deeper they dig, the more twisted the truth becomes, and Vivian finds herself fighting for not only answers but also her life. False leads, incriminating emails, and someone called The Watcher force Vivian to confront the secret of her past and decide: How much is she willing to risk for the sake of a headline? Author Natalie Walters welcomes you back to Walton, Georgia, where everyone knows your name--but no one knows your secret.

On the Edge of Truth and Honesty: Principles and Strategies of Fraud and Deceit in the Early Modern Period Oct 06 2021 In the early modern period, deceit and fraud were common issues. Acutely aware of the ubiquity and multiplicity of simulation and dissimulation, people from this period made serious efforts to gain a better understanding of the phenomenon, trying to distinguish between acceptable and unacceptable, pleasant and unpleasant, wicked and virtuous forms of deceit, and seeking to unravel its principles, strategies, and functions. The twelve case-studies in this volume focus on the use of deceit by several groups of people in different spheres of life, as well as on its representation in literary and artistic genres, and its conceptualization in philosophical and rhetorical discourses. The studies testify to the rich variety of deceitful strategies applied by people from the early modern period, as well as to the subtlety and diversity of the conceptual frameworks they construed in order to grasp the many aspects of the elusive yet all-pervasive phenomenon of deceit. Contributors include: Daniel Acke, Jacques Bos, Wiep van Bunge, Evelien Chayes, Paul J.C.M. Franssen, Paul van Heck, Toon van Houdt, Alfons K.L. Thijs, Bert Timmermans, Johannes Trapman, Mark van Vaeck, Natascha Veldhorst, and Johan Verberckmoes.

Within Obsession and Lies Jan 01 2024 *Within Obsession and Lies* is the sexy, action-packed first book in A Court of Gilt and Shadow Series by bestselling authors Stacy Jones and Harper Wylde. Power. Obsession. Lies. Other people dream of being special. They wouldn't, if they knew what a nightmare it is. Arawyn would give anything to be ordinary and rid herself of the power that lives inside her. Dangerous and alluring, it's caused nothing but pain and horror, making her the dark obsession of anyone who gets too close. After years of barely containing it, Arawyn thought she had control... until the night it bursts free and pulses like a beacon. As threats emerge from the shadows, each one more fixated on her than the last, she finds her life infiltrated by three mysterious men. A mafia boss, a psychopath, and a killer. Rathe, Viper, and Fear are much more than they seem. They taste of power and feel impossibly familiar. They call to her soul in a way she's never experienced and might have answers to questions she's been asking her entire life. But darkness and secrets surround them, ones covered in blood and mire. When the monsters stalking her endanger not only her power but her life, she'll have to make a decision: take a risk and let these dangerous men in, or do what she's always done--walk away and try to survive on her own. Trusting them would be a mistake. Yet, she may not have a choice. The monsters hunting her aren't human and they're out for blood. Rathe, Viper, and Fear might be her only chance of making it through this alive. There's only one problem. They aren't human either... From bestselling authors, Stacy Jones and Harper Wylde, comes a darkly seductive new series that blends romance, danger, and the supernatural into an unforgettable read.

A Dreadful Deceit Jul 27 2023 In 1656, a planter in colonial Maryland tortured and killed one of his slaves, an Angolan man named Antonio who refused to work the fields. Over three centuries later, a Detroit labor organizer named Simon Owens watched as strikebreakers wielding bats and lead pipes beat his fellow autoworkers for protesting their inhumane working conditions. Antonio and Owens had nothing in common but the color of their skin and the economic injustices they battled—yet the former is what defines them in America's consciousness. In *A Dreadful Deceit*, award-winning historian Jacqueline Jones traces the lives of these two men and four other African Americans to reveal how the concept of race has obscured the factors that truly divide and unite us. Expansive, visionary, and provocative, *A Dreadful Deceit* explodes the pernicious fiction that has shaped American history.

The Art of Deception Aug 04 2021 The world's most infamous hacker offers an insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries. Since his release from federal prison, in 1998, Mitnick has turned his life around and established himself as one of the most sought-after computer security experts worldwide. Now, in The Art of Deception, the world's most notorious hacker gives new meaning to the old adage, "It takes a thief to catch a thief." Focusing on the human factors involved with information security, Mitnick explains why all the firewalls and encryption protocols in the world will never be enough to stop a savvy grifter intent on rifling a corporate database or an irate employee determined to crash a system. With the help of many fascinating true stories of successful attacks on business and government, he illustrates just how susceptible even the most locked-down information systems are to a slick con artist impersonating an IRS agent. Narrating from the points of view of both the attacker and the victims, he explains why each attack was so successful and how it could have been prevented in an engaging and highly readable style reminiscent of a true-crime novel. And, perhaps most importantly, Mitnick offers advice for preventing these types of social engineering hacks through security protocols, training programs, and manuals that address the human element of security.
