Keepers of the Secret Code Jul 01 2021 Peter Farrow is a slave. He's grown up with his family on Dover Plantation, South Carolina where he does small jobs. When he's not working, Peter likes to play with the other slave's children, or go fishing with the master's daughter, Emily. Sometimes, he even gets to sit in on Emily's school lessons and learn to read. Since Peter is almost twelve, it's time for him to learn a trade. The master has agreed for Peter to apprentice with Samuel, the plantation's carpenter. Peter is happy he won't have to fetch and carry anymore, or work in the dairy, churning butter. However, Peter's mother decides it's time he learns the family's secret. She and her husband have been active in the Underground Railroad, helping slaves escape. They use secret codes sewn into quilts and wagons with a secret hiding place. When traveling to other plantations doing work for the master, Peter's father transports runaways in the wagon's false bottom. Until now, Peter has been too young to keep a secret of this magnitude. But John, the cruel overseer, has other plans for Peter. He wants Peter out in the fields, doing the backbreaking work of a grownup slave, where Peter is close enough to feel his whip. When Peter comes between Samuel and the sadistic overseer's whip, Peter makes a terrible enemy. Overseer John alerts the master about Emily spending too much time with Peter. When the two friends are caught together multiple times, the master decides to sell Peter down south. Distraught, Peter's mother and father decide to "transport" him away from Dover Plantation before he can be sold. Using the secret quilt codes, other runaways join Peter's family as they make their way to the first safe house on the Underground Railroad. When they arrive, Peter's parents make the hard decision to send him on to Canada with Samuel while they remain in South Carolina, helping more runaways escape to freedom. A poignant tale of an enslaved family making the difficult decision to "do their part" for their kinsmen instead of running together toward their own freedom.

The Secret Code of Success Oct 16 2022 Americans spend more than \$11 billion a year on self-help products—everything from books to diet pills to career coaches to seminars. So why—with all this time, money, and energy being spent—are so few people living the life they really want? Why are millions of smart, talented, motivated people still going through life with one foot on the brake? Here's the real Secret: You don't need any more how-to-succeed information to reach your full potential. The problem isn't lack of motivation or lack of information. The real problem is that most people focus on the "how-to" aspects of success taught by traditional self-help programs, without coming to terms with what productivity expert Noah St. John calls your "head trash"—the subconscious, emotional roadblocks that prevent people from acting on their real hopes, dreams, and ambitions. In this groundbreaking book, based on work with thousands of clients around the world, Noah St. John has created a remarkable, step-by-step approach that helps you achieve long-term happiness, success, and wealth. In *The Secret Code of Success*, you will learn how to: Eliminate the causes of self-sabotage and fear of success Allow yourself to make more money Remove stress while dramatically increasing personal productivity Improve relationships with coworkers, family, and friends Experience enhanced feelings of happiness, connection, and love *The Secret Code of Success* shows that, when it comes to success, the conscious mind is exactly the wrong place to start. It's only when we first conquer the self-sabotage of our subconscious (which accounts for 90 percent of our behavior) that we can truly begin to enjoy a life filled with success. This insight is at the core of *The Secret Code of Success* and leads to Noah's revolutionary 7-step method for eliminating these psychological obstacles. True financial freedom and personal success is possible at last! *The Secret Code of Success* shows you how to get your foot off the brake and start living the life you deserve.
