Illywhacker Peter Carey

Illywhacker Peter Carey, 2010-09-01 In Australian slang an illywhacker is a country fair con man an unprincipled seller of fake diamonds and dubious tonics And Herbert Badgery the 139 year old narrator of Peter Carey s uproarious novel may be the king of them all Vagabond and charlatan aviator and car salesman seducer and patriarch Badgery is a walking embodiment of the Australian national character especially of its proclivity for tall stories and barefaced lies As Carey follows this charming scoundrel across a continent and a century he creates a crazy quilt of outlandish encounters with characters that include a genteel dowager who fends off madness with an electric belt and a ravishing young girl with a dangerous fondness for rooftop trysts Boldly inventive irresistibly odd Illywhacker is further proof that Peter Carey is one of the most enchanting writers at work in any hemisphere

Bliss Peter Carey, 2011-07-06 For thirty nine years Harry Joy has been the quintessential good guy But one morning Harry has a heart attack on his suburban front lawn and for the space of nine minutes he becomes a dead guy And although he is resuscitated he will never be the same For as Peter Carey makes abundantly clear in this darkly funny novel death is sometimes a necessary prelude to real life Part The Wizard of Oz part Dante s Inferno and part Australian Book of the Dead Bliss is a triumph of uninhibited storytelling from a writer of extravagant gifts

Oscar and Lucinda Peter Carey, 2010-12-22 Peter Carey s novel of the undeclared love between clergyman Oscar Hopkins and the heiress Lucinda Leplastrier is both a moving and beautiful love story and a historical tour de force set in Victorian times Made for each other the two are gamblers one obsessive the other compulsive incapable of winning at the game of love Oscar and Lucinda is now available as a Faber Modern Classics edition

Parrot and Olivier in America Peter Carey, 2010-04-20 Parrot and Olivier in America has been shortlisted for the 2010 Man Booker Prize From the two time Booker Prize winning author comes an irrepressibly funny new novel set in early nineteenth century America Olivier an improvisation on the life of Alexis de Tocqueville is the traumatized child of aristocratic survivors of the French Revolution Parrot is the motherless son of an itinerant English printer They are born on different sides of history but their lives will be connected by an enigmatic one armed marquis When Olivier sets sail for the nascent United States ostensibly to make a study of the penal system but more precisely to save his neck from one more revolution Parrot will be there too as spy for the marquis and as protector foe and foil for Olivier As the narrative shifts between the perspectives of Parrot and Olivier between their picaresque adventures apart and together in love and politics prisons and finance homelands and brave new lands a most unlikely friendship begins to take hold And with their story Peter Carey explores the experiment of American democracy with dazzling inventiveness and with all the richness and surprise of characterization imagery and language that we have come to expect from this superlative writer

[True History of the Kelly Gang](#) Peter Carey, 2010-10-22 SOON TO BE A MAJOR MOTION PICTURE The international bestseller Booker Prize winner and winner of the 2001 Commonwealth

Writers Prize for Best Book Out of 19th century Australia rides a hero of his people and a man for all nations Ned Kelly the son of poor Irish immigrants viewed by the authorities as a thief especially of horses and as a cold blooded killer To the people though he was a patriot hounded unfairly by rich English landlords and their stooges In the end Kelly and his so called gang his younger brother and two friends led a massive police manhunt on a wild goose chase that lasted twenty months in which Ned s talents as a bushman were augmented by bank robberies and the support of nearly everyone not in a uniform His one demand for which he would have surrendered himself was his jailed mother s freedom Executed by hanging more than a century ago speaking as if from the grave Kelly still resonates as the most potent legend in the land down under

Jack Maggs Peter Carey,2007-12-18 The Booker Prize winning author of Oscar and Lucinda returns to the nineteenth century in an utterly captivating mystery The year is 1837 and a stranger is prowling London He is Jack Maggs an illegal returnee from the prison island of Australia He has the demeanor of a savage and the skills of a hardened criminal and he is risking his life on seeking vengeance and reconciliation Installing himself within the household of the genteel grocer Percy Buckle Maggs soon attracts the attention of a cross section of London society Saucy Mercy Larkin wants him for a mate The writer Tobias Oates wants to possess his soul through hypnosis But Maggs is obsessed with a plan of his own And as all the various schemes converge Maggs rises into the center a dark looming figure at once frightening mysterious and compelling Not since Caleb Carr s *The Alienist* have the shadowy city streets of the nineteenth century lit up with such mystery and romance

My Life as a Fake Peter Carey,2010-08-06 Following the triumph of his Booker Prize winning *True History of the Kelly Gang* Peter Carey ventures into the Far East with a novel shot through with mysteries at once historical literary and personal Sarah Wode Douglass the editor of a London poetry magazine had grown up knowing the famous and infamous John Slater And because he figured prominently in the disaster that was her parents marriage when Slater proposes that she accompany him to Malaysia Sarah embarks out of curiosity on a journey that becomes instead a lifelong obsession Her discoveries spiral outward from Christopher Chubb a destitute Australian she meets by chance in the steamy fetid city of Kuala Lumpur He is mad Slater warns her explaining the ruinous hoax Chubb had committed decades earlier But lurking behind the man s peculiarity and arrogance Sarah senses is artistic genius in the form of a manuscript he teases her with and which she soon would do anything to acquire The provenance of this work she gradually learns is marked by kidnapping exile and death a relentless saga that reaches from Melbourne to Bali Sumatra and Java and that more than once compels her back to Malaysia without ever disclosing all of its secrets only the power of the imagination and the price it can exact from those who would wield it Astonishing mesmerizing and ultimately shocking *My Life as a Fake* is the most audacious novel yet in Peter Carey s extraordinary career

A Long Way From Home Peter Carey,2018-01-09 Longlisted for the 2019 International DUBLIN Literary Award Longlisted for the 2019 Walter Scott Historical Fiction Prize Irene Bobs loves fast driving Her husband is the best car salesman in rural south eastern Australia Together with Willie their lanky navigator they

embark upon the Redex Trial a brutal race around the continent over roads no car will ever quite survive *A Long Way from Home* is Peter Carey's late style masterpiece a thrilling high speed story that starts in one way then takes you to another place altogether Set in the 1950s in the embers of the British Empire painting a picture of Queen and subject black white and those in between this brilliantly vivid novel illustrates how the possession of an ancient culture spirals through history and the love made and hurt caused along the way *Peter Carey* Bruce Woodcock,2003 Peter Carey is one of the most respected novelists writing today Since the original edition of this book Carey's fiction has reached a far wider international audience he has won the Booker Prize for the second time with *True History of the Kelly Gang* while *Oscar and Lucinda* has been made into a successful feature film Bruce Woodcock's revised and expanded critical study now includes detailed readings of the recent novels *Jack Maggs* and *True History of the Kelly Gang* seeing them as the finest productions of a writer who continues to surprise and delight his readers with inventive creations and unique imagination **His Illegal Self** Peter Carey,2010-12-09 Seven year old Che was abandoned by his radical Harvard student parents during the upheaval of the 1960s and since then has been raised in isolated privilege by his New York grandmother He yearns to see or hear news of his famous outlaw parents but his grandmother refuses to tell him anything When a woman named Dial comes to collect Che it seems his wish has come true his mother has come back for him But soon they too are on the run and Che is thrown into a world where nothing is what it seems **The Chemistry of Tears** Peter Carey,2012-01-25 When her lover dies suddenly all Catherine has left is her work In an act of compassion her manager at London's Swinburne Museum gives her a very particular project a box of intricate clockwork parts that constitute a nineteenth century automaton a beautiful mechanical bird It's an object made of equal parts magic love madness and science a delight that contains the seeds of our age's downfall Once Catherine discovers the diary of the man who commissioned it one obsession merges into another *Amnesia* Peter Carey,2015-01-13 The two time Booker Prize winner now gives us an exceedingly timely exhilarating novel at once dark suspenseful and seriously funny that journeys to the place where the cyber underworld collides with international power politics When Gaby Baillieux releases the Angel Worm into Australia's prison computer system hundreds of asylum seekers walk free And because the Americans run the prisons let's be honest as they do in so many parts of her country the doors of some five thousand jails in the United States also open Is this a mistake or a declaration of cyber war And does it have anything to do with the largely forgotten Battle of Brisbane between American and Australian forces in 1942 Or with the CIA influenced coup in Australia in 1975 Felix Moore known to himself as our sole remaining left wing journalist is determined to write Gaby's biography in order to find the answers to save her his own career and perhaps his country But how to get Gaby on the run scared confused and angry to cooperate Bringing together the world of hackers and radicals with the special relationship between the United States and Australia and Australia and the CIA *Amnesia* is a novel that speaks powerfully about the often hidden past but most urgently about the more and more hidden present 30 Days in Sydney Peter

Carey,2010-07-15 After living abroad for years novelist Peter Carey returns home to Sydney and attempts to capture its character with the help of his old friends drawing the reader into a wild and wonderful journey of discovery and rediscovery as bracing as the southerly buster that sometimes batters Sydney's shores Famous sights such as Bondi Beach the Opera House the Harbour Bridge and the Blue Mountains all take on a strange new intensity when exposed to the penetrating gaze of the author and his friends

The Unusual Life of Tristan Smith Peter Carey,2015-04-22 Severely afflicted doomed never to be taller than three foot six Tristan Smith faces death and danger from the first moment of his energetic and ambitious life Here for the first time is the truth about him from his birth in the Republic of Efrica in the year 371 to the present day When he goes on trial for multiple offences in Voorstand a nation of rampaging global dominance Tristan must plead his case to the very culture that has done for his own Peter Carey's piercing allegory of imperialism is unmatched for originality and inventiveness

A Letter to Our Son Peter Carey,1994

Rewriting History Andreas Gaile,2010-01-01 Peter Carey is one of the most richly awarded and critically acclaimed novelists of the present day Most of his fictions relate to questions of Australian history and identity Rewriting History argues that taken together Carey's novels make up a fictional biography of Australia The reading proposed here considers both key events in the life of the subject of Carey's biography such as the exploration of the interior of the continent the dispossession of the Aborigines the convict experience the process of Australia's coming of age as a postcolonial country as well as its identity Rewriting History demonstrates how Carey exposes the lies and deceptions that make up the traditional representations of Australian history and supplants them with a new national story one that because of its fictional status is not bound to the rigidities of traditional historical discourse At a time of momentous cultural change when Australia is being transformed from a New Britannia in another world to a nation not merely in but actually of the Asia Pacific region Carey's fiction this book argues calls for the construction of a postcolonial national identity that acknowledges the wrongs of the past and gives Australians a sense of cultural orientation between their British past and their multicultural present

He Died with His Eyes Open Derek Raymond,2011-05-26 When a middle aged alcoholic is found brutally battered to death on a roadside in West London the case is assigned to a nameless detective sergeant a tough talking cynic and fearless loner from the Department of Unexplained Deaths at the Factory police station Working from cassette tapes left behind in the dead man's property our narrator must piece together the history of his blighted existence and discover the agents of its cruel end What he doesn't expect is that digging for the truth will demand plenty of lying and that the most terrible of villains will also prove to be the most attractive In the first of six police procedurals that comprise the Factory series Derek Raymond spins a riveting and vividly human crime drama Relentlessly pursuing justice for the dispossessed his detective narrator treads where few others dare in the darkest corners of London a city of sin plagued by unemployment racism and vice and peopled by a cast of low lifes all utterly convincing and brought to life by Raymond's pitch perfect dialogue
