Lucy Maud Montgomery was born in Clifton, Prince Edward Island, Canada, on November 30, 1874. Her mother died when she was a toddler and her devastated father asked her grandparents to raise her. Her childhood years in Cavendish were very lonely. Lucy's solution at this early age was to create imaginary worlds and people them with imaginary friends. Her creativity was beginning to establish itself in her life. With her studying days over Lucy began a career as a teacher and worked at various Prince Edward Island schools. It was soon obvious to her that she

did not enjoy teaching but the benefit was that it gave her time to write. That was now her real passion. Much of her early career was spent writing short stories. Indeed in the decade from 1897 magazines and newspapers published over 100 stories from the prolific young writer. In 1908, Lucy published her first book, the classic, *Anne of Green Gables*. It was an immediate success and quickly established her career. During her lifetime, Lucy published 20 novels, 530 short stories, 500 poems, and 30 essays. Aware of her fame, by 1920 Lucy began editing and recopying her journals, reframing her life as she wanted it remembered. Lucy Maud Montgomery died on April 24, 1942 in Toronto. A note was found beside her bed, "I have lost my mind by spells and I do not dare think what I may do in those spells. May God forgive me and I hope everyone else will forgive me even if they cannot understand. My position is too awful to endure and nobody realizes it. What an end to a life in which I tried always to do my best." The official cause of death was a coronary thrombosis. Lucy Maud Montgomery OBE (November 30, 1874 - April 24, 1942), published as L. M. Montgomery, was a Canadian author best known for a series of novels beginning in 1908 with *Anne of Green Gables*. The book was an immediate success. Anne Shirley, an orphaned girl, made Montgomery famous in her lifetime and gave her an international following. The first novel was followed by a series of sequels with Anne as the central character. Montgomery went on to publish 20 novels as well as 530 short stories, 500 poems, and 30 essays. Most of the novels were set in Prince Edward Island, and locations within Canada's smallest province became a literary landmark and popular tourist site - namely Green Gables farm, the genesis of Prince Edward Island National Park. She was made an officer of the Order of the British Empire in 1935. *Anne of Green Gables* (1908), a sentimentalized but often charming story of a spirited, unconventional orphan girl who finds a home with an elderly couple, which helped her achieve international success with both adults and children. *Anne of Avonlea* (1909) follows Anne from the age of 16 to 18, during the two years that she teaches at Avonlea school. *Anne of the Island* (1915). Anne attends Redmond College in Kingsport, where she is studying for her BA. Lucy Maud Montgomery (1874 – 1942) was a Canadian author with roots in Scotland. She lost her mother at an early age, and was raised by her maternal grandparents. She began to keep a diary and discovered at the age of 10 that she could write poetry. The novels about Anne and Emily are semi-autobiographical and contain many of her own

memories from the 1880s and 1890s on Prince Edward Island in Canada. Montgomery went on to publish 20 novels as well as 530 short stories, 500 poems, and 30 essays. L. M. Montgomery has charmed readers for over a century with her delightful tales of 'Anne of Green Gables', detailing provincial life in turn-of-the-century Canada. Montgomery and is a sequel to Chronicles of Avonlea. Published in 1920, it includes a number of stories relating to the inhabitants of the fictional Canadian village of Avonlea and its region, located on Prince Edward Island. Sometimes marketed as a book in the Anne Shirley series, Anne plays only a

minor role in the book: out of the 15 stories in the collection, she narrates and stars in only one ("The Little Brown Book of Miss Emily"), and is briefly mentioned in passing in two others ("Aunt Cynthia's Persian Cat" and "The Return of Hester"). Rare edition with unique illustrations. At sixteen Anne is grown up...almost. Her gray eyes shine like evening stars, but her red hair is still as peppery as her temper. In the years since she arrived at Green Gables as a freckle-faced orphan, she has earned the love of the people of Avonlea and a reputation for getting into scrapes. But when Anne begins her job as the new schoolteacher, the real test of her character begins. Along with teaching the three Rs, she is learning how complicated life can be when she meddles in someone else's romance, finds two orphans at Green Gables, and wonders about the strange behaviour of the very handsome Gilbert Blythe. As Anne enters womanhood, her adventures touch the heart and the funny bone. Invoking theories of popular culture, film, literature, drama, and tourism, contributors probe the emotional attachment and loyalty of many generations of readers to L.M. Montgomery's books. It was first published in 1909. Plot summary: Anne is about to start her first term teaching at the Avonlea school, although she will still continue her studies at home with

Gilbert, who is teaching at the nearby White Sands School. The book soon introduces Anne's new and problematic neighbor, Mr. Harrison, and his foul-mouthed parrot, as well as the twins, Davy and Dora. They are the children of Marilla's third cousin and she takes them in when their mother dies while their uncle is out of the country. Dora is a nice, well-behaved girl, somewhat boring in her perfect behaviour. Davy is Dora's exact opposite, much more of a handful and constantly getting into many scrapes. They are initially meant to stay only a short time, but the twins' uncle postpones his return to collect the twins and then eventually dies. Both Anne and Marilla are relieved (Marilla inwardly, of course) to know the twins will remain with them. Other characters introduced are some of Anne's new pupils, such as Paul Irving, an American boy living with his grandmother in Avonlea while his widower father works in the States. He delights Anne with his imagination and whimsical ways, which are reminiscent of Anne's in her childhood. Later in the book, Anne and her friends meet Miss Lavendar Lewis, a sweet but lonely lady in her 40s who had been engaged to Paul's father 25 years before, but parted from him after a disagreement. At the end of the book, Mr. Irving returns and he and Miss Lavendar marry. Anne discovers the delights and troubles of being a teacher, takes part in the raising of Davy and Dora, and organizes the A.V.I.S. (Avonlea Village Improvement Society) together with Gilbert, Diana, and Fred Wright, though their efforts to improve the town are not always successful. The Society takes up a subscription to repaint an old town hall, only to have the painter provide the wrong color of paint, turning the hall into a bright blue eyesore. Towards the end of the book, Mrs. Rachel Lynde's husband dies and Mrs. Lynde moves in with Marilla at Green Gables, allowing Anne to go to college at last. She and Gilbert make plans to attend Redmond College in the fall. This book sees Anne maturing slightly, even though she still cannot avoid getting into a number of her familiar scrapes, as only Anne can—some of which include selling her neighbor's cow (having mistaken it for her own), or getting stuck in a broken duck house roof while peeping into a pantry window....

Montgomery - Chronicles of Avonlea is a collection of short stories by L. M. Montgomery, related to the Anne of Green Gables series. It features an abundance of stories relating to the fictional Canadian village of Avonlea, and was first published in 1912. Sometimes marketed as a book in the Anne Shirley series, Anne plays only a minor role in the book: out of the 12 stories in the collection, she stars in only one ("The Hurrying of Ludovic"), and has a small supporting role in another ("The Courting of Prissy Strong"). She is otherwise only briefly mentioned in passing in five other stories: "Each in His Own Tongue", "Little Joscelyn", "The Winning of Lucinda", "Quarantine at Alexander Abraham's" and "The End of a Quarrel". The book's title is fitting, as Anne is no longer simply "of Green Gables" as she was in the previous book, but now takes her place among the "important" people (and the "grown up" people) of Avonlea society, as its only schoolteacher. She is also a founding member of the A.V.I.S. (the Avonlea Village Improvement Society), which tries to improve (with questionable results) the Avonlea landscape. Why buy our paperbacks? Anne of Green Gables is a 1908 novel by Canadian author Lucy Maud Montgomery (published as L.M. Montgomery). Written for all ages, it has been considered .. When it originally appeared, Elizabeth Rollins Epperly's *The Fragrance of Sweet-Grass* was one of the first challenges to the idea that L.M. Montgomery's books were unworthy of serious study. Examining all of Montgomery's fiction, Epperly argues that Montgomery was much more than a master of the romance genre and that, through her use of literary allusions, repetitions, irony, and comic inversions, she deftly manipulated the normal conventions of romance novels. Focusing on Montgomery's memorable heroines, from Anne Shirley to Emily Byrd Starr, Valancy Stirling, and Pat Gardiner, Epperly demonstrates that Montgomery deserves a place in the literary canon not just as the creator of *Anne of Green Gables* but as an artist in her chosen profession. Since its publication more than twenty years ago, *The Fragrance of Sweet-Grass* has become a favourite of scholars, writers, and Montgomery fans. This new edition adds a preface in which Epperly discusses the book's contribution to the ongoing research on the life and writing of L.M. Montgomery, reflects on how Montgomery studies have flourished over the past two decades, and suggests new ways to approach and explore the Canadian writer's work. Miss Montgomery continues to follow up the vein she opened in "*Anne of Green Gables*." These stories are all of Spencervale or Avonlea. Anne herself—or what we hope to be a caricature of her—appears on the cover, and is mentioned now and again within. But she is not the leading figure in any of the tales, which might have been called "*Romances of Middle Age*," so strongly does a single motive dominate them. Ten out of the dozen stories deal with belated love-affairs, or with the pathetic devotion of age for youth. Eleven-year-old Anne recounts her mishaps before she wins the heart of her foster mother. But an August afternoon, with blue hazes scarfing the harvest slopes, little winds whispering elfishly in the poplars, and a dancing splendor of red poppies outflaming against the dark coppice of

young firs in a corner of the cherry orchard, was fitter for dreams than dead languages. The Virgil soon slipped unheeded to the ground, and Anne, her chin propped on her clasped hands, and her eyes on the splendid mass of fluffy clouds that were heaping up just over Mr. J. A. Harrison's house like a great white mountain, was far away in a delicious world where a certain school-teacher was doing a wonderful work, shaping the destinies of future statesmen, and inspiring youthful minds and hearts with high and lofty ambitions. You might think I'd have grown out of getting myself into scrapes now that I'm half past sixteen. But between being vexed by my freckles, taunted by a brazen Jersey cow and kept on my toes by the new twins, Dora and Davy, life at Green Gables is just as eventful as ever. I do try to be a little more grown-up now that I'm a school teacher. The other day I asked the class, 'If you had three candies in one hand and two in the other, how many would you have altogether?' One of my pupil piped up, 'A mouthful.' Could you have kept a straight face?!

Anne Shirley, now 16, is moving from childhood into adulthood. As she begins teaching at Avonlea school she is determined to treat the children as she wishes she had been treated, and has many theories as to how that should be accomplished. She also enters the grown-up world of Avonlea in typical Anne fashion by working to beautify the landscape, and helping to form the Avonlea Village Improvement Society. Old friends are joined by new ones, including an outspoken neighbor with a rude parrot and a young-at-heart spinster who proves to be a true kindred spirit. Anne of Avonlea, originally published in 1909, is the sequel to *Anne of Green Gables*, and follows Anne Shirley through her next two years. While it has received less critical acclaim than its predecessor, it has enjoyed enduring popularity and has been adapted into television, movie, and theater. Anne Of Avonlea by L. M.
