Heaven Jesse Duplantis, 2021-05-18 Heaven has often been pictured as a place where everyone sits on fluffy clouds and plays a harp for eternity According to the Word however this picture is far from the truth So what is Heaven really like In this amazing testimony you ll find out as Jesse shares his close encounters of the God kind with you Your faith will be strengthened as Jesse Duplantis shares his most miraculous spiritual encounters including his supernatural trip to Heaven in 1988 You ll be encouraged as Jesse reveals the answers to such questions as What is Paradise Are there children in Heaven Will I recognize family members Will I really have my own mansion in Heaven What is God s great Throne Room like Plus much more As you experience this amazing testimony it s our prayer that you will understand the great love God has for you and the great future He has for you in Heaven Start spreading the news that Jesus is coming soon As Jesse says Heaven it s a great place You don t want to miss it

The Glory Now Revealed Andrew M. Davis, 2021-10-19 Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us But what actually happens in heaven What are we going to be doing there Won t it get boring at some point According to Scripture a large part of our experience of heaven will be a continual revealing of God s glory Not just his glory in the moment but during all of time The mysteries of providence the hidden movements of God throughout history and the forgotten and unnoted works of even the most obscure of God s people will be unveiled so that we can see how wise loving gracious and powerful our God is And though we will experience perfection in heaven we will never be omniscient which means we will always be learning more about God s glory inspiring us to return joyful praise and thanksgiving If your vision of heaven has been limited to clouds and harps and angels it s time to expand that view with the truth found in this biblically based look at the afterlife

Crossing the Lines Sulari Gentill, 2017 2018 Winner of the Ned Kelly Awards for Best Crime Fiction As one for whom certain story lines and characters have become as real as life itself Crossing the Lines was a pure delight a swift yet psychologically complex read cleverly conceived and brilliantly executed Dean Koontz New York Times bestselling author Sulari Gentill author of the 1930s Rowland Sinclair Mysteries jumps to the post modern in Crossing the Lines A successful writer Madeleine creates a character Edward and begins to imagine his life He too is an author Edward is in love with a woman Willow who s married to a man Edward loathes and who loathes him but he and Willow stay close friends She s an artist As Madeleine develops the plot Edward attends a gallery show where a scummy critic is flung down a flight of fire stairs murdered Madeleine still stressed from her miscarriages and grieving her inability to have a child grows more and more enamored of Edward spending more and more time with him and the progress of the investigation and less with her physician husband Hugh who in turn may be developing secrets of his own As Madeline engages more with Edward he begins to engage back A crisis comes when Madeleine chooses the killer in Edward s story and Hugh begins to question her immersion in her novel Yet Crossing the Lines is not about collecting clues and solving crimes Rather it s about the process of creation a gradual undermining of the authority of the author as the act of writing spirals away and merges with the story being told a self referring narrative crossing over boundaries leaving in question who to trust and who and what is true For fans of Paul Auster Jesse Kellerman Vera Caspary s Laura Martin Amis Haruki Murakami Marisha Pessl
