Boice, this practical guide to personal application of Romans 12:1-2 to daily life will radically change not only how you see the world, it will change how you live. Step away from the trends of mainstream culture, and follow a narrow but rewarding path to the transformation of your mind and life. These principles for discerning and following God's will are perfect for meaningful group discussion or life-changing personal reading. Renewal of the mind is the Great Physician's prescription for the troubled soul. The Bible, in Romans 12:1-2, teaches the need to become a transformed person through the renewal of the mind. Transformation is the metamorphoses (a change in form) of our minds, changing the expressions of the old life and nature for the new nature each believer has. Indeed, it is a whole new manner of life. This book is a study guide, designed to help each person learn how to properly participate in the transformation process to make it most effective. This book is for people who feel stuck in life, as though they were going through the motions, spinning their wheels, but accomplishing nothing. Many feel controlled by their pasts or in bondage to their own emotional baggage. The Lord wants to deliver us from our own dysfunctional and misguided minds by renewing them, and in the process our lives will be transformed. Then we will be able to think and act as the new person we are in Jesus Christ; life will have purpose and control will flow from within us. Who we really are deep inside, is defined by entities such as character, attitude, conscience, values, etc. These reside in the deeper recesses of the soul, in the central core of our being. They can be deeply scarred by the events of life, sin, self, false concepts..., and these scars are often created early in life. Thus, our scarred souls (minds) carry the baggage of our pasts, the emotional pain of our lives, and the thinking characteristic of the non-regenerated mind. Our dilemma is: we are powerless to do anything about these scars

(which are like scratches on DVD) and we can't function correctly with them. Resolving this dilemma is the Lord's work, and that is what mind renewal accomplishes. This is why the Holy Spirit works in the deepest parts of our minds, to reach the inner, core issues of life. This is where miracles are performed in our lives. Upon faith in Christ, the Holy Spirit enters our lives, and searches out the deepest recesses of our minds. As the Spirit works, He changes us, starting from those deepest recesses and working outward. The gunk of our past, the emotional baggage, the pride and self righteousness, the toxic memories, the negative thoughts that control our lives..., are all transformed through His power. In their place the Spirit produces His fruit, which is exactly what we need (love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control...). Some topics discussed: depression, mental baggage, toxic thoughts, harmful emotions, negativity, fear and anxiety, being overweight, deadly memories, and the stress-health connection. Specific plans are developed to show how to address any matter in life in a godly manner, with the goal of achieving a renewed mind. Let the words of my mouth and the meditation of my heart be acceptable in Your sight. — Psalm 19:14 Do you long to deepen your intimacy with the Lord? To find a sense of soul-steadying peace? To develop emotional strength? Then you will need to pause long enough to be still and know He is God. Trusted Pastor Robert Morgan leads us through a journey into biblical meditation, which, he says, is thinking Scripture—not just reading Scripture or studying Scripture or even thinking about Scripture—but thinking Scripture, contemplating, visualizing, and personifying the precious truths God has given us. The practice is as easy and portable as your brain, as available as your imagination, as near as your Bible, and the benefits are immediate. As you ponder, picture, and personalize God's Word, you

begin looking at life through His lens, viewing the world from His perspective. And as your thoughts become happier and holier and brighter, so do you. *Transforming Minds* contains devotionals that will encourage and inspire you to increase your faith in God. You'll be challenged to go deeper in your walk with God. Prayer warriors will find daily strength for their battles. Curtis W. He holds an MA in Christian ministry and is also a graduate of Liberty University Baptist Theological Seminary. Curtis lives with his wife, Jennifer, and his boy-and-girl fraternal twins, Christian William and Kennedy Lynne, in sunny Orange County, California. Cutting-edge science and the ancient wisdom of Buddhism have come together to reveal that, contrary to popular belief, we have the power to literally change our brains by changing our minds. Recent pioneering experiments in neuroplasticity—the ability of the brain to change in response to experience—reveal that the brain is capable of altering its structure and function, and even of generating new neurons, a power we retain well into old age. The brain can adapt, heal, renew itself after trauma, compensate for disabilities, rewire itself to overcome dyslexia, and break cycles of depression and OCD. And as scientists are learning from studies performed on Buddhist monks, it is not only the outside world that can change the brain, so can the mind and, in particular, focused attention through the classic Buddhist practice of mindfulness. With her gift for making science accessible, meaningful, and compelling, science writer Sharon Begley illuminates a profound shift in our understanding of how the brain and the mind interact and takes us to the leading edge of a revolution in what it means to be human. Praise for *Train Your Mind*,

Change Your Brain “There are two great things about this book. One is that it shows us how nothing about our brains is set in stone. The other is that it is written by Sharon Begley, one of the best science writers around. Begley is superb at framing the latest facts within the larger context of the field. This is a terrific book.”—Robert M. Sapolsky, author of *Why Zebras Don’t Get Ulcers* “Excellent . . . elegant and lucid prose . . . an open mind here will be rewarded.”—Discover “A strong dose of hope along with a strong dose of science and Buddhist thought.”—The San Diego Union-Tribune

The Mind The mind is that part of us that makes us aware of who we are, what we are, and where we are. Through it, we think, feel, make choices, have desires, collect memories, and discover both our purpose and the tools necessary to accomplish our purpose. It is the seat of our consciousness. It is the most fertile soil that God has ever created. It is so fruitful that whatever seed of desire you plant in it whether good or bad will reproduce in great abundance. Be careful of the seed you plant. Author Velyn Cooper will help you discover how some people of God and some people used by God experience both negative and positive mind-sets from time to time. This is a clear indication of our imperfections, which may deter us for a while but not hold us hostage forever, if we humble ourselves before God, confess our shortcomings, accept his forgiveness, and move on to the next level of ministry that he has purposed for us to walk in. After reading *Renewing Your Mind*, Velyn Cooper is certain that you will truly appreciate the fact that transformation is a lifelong process.

Moving in the spiritual realm should be as much a part of a believer's routine as prayer, worship and reading Scripture. The Supernatural Power of a Transformed Mind teaches you how to remove the blinders of religious limitation to redeem the lost and transform communities. Johnson argues that moving in the spiritual realm should be as much a part of our daily routine as prayer, worship and reading Scripture. The companion volume, *When Heaven Invades Earth: A Practical Guide to a Life of Miracles*, teaches you how to rediscover your true identity and experience miracles every day. Two best-selling titles in one volume - great value! Dr. Bill Winston, broadcast nationwide in over 100 million homes on the *Believer's Walk of Faith* program, helps believers renovate their thought life by focusing on who they are in Christ, building success in every area of living. In the book of Romans, the apostle Paul encourages believers to be transformed by renewing their mind. The Greek word for transformed is "metamorphosis"; or "to change." Dr. Winston reveals that believers must believe what God says about them and their situations, more than what their circumstances say. They must build a new way of thinking. Dr. Winston encourages that God's Word takes a higher place than their current situations. God promises an abundant life, not a barely-get-through-it life, but that is where many believers have been living. Readers will begin to discover God's promises and find ways to renew their minds through study and meditation, giving them the inner strength to overcome adversity and find success in every area. What should Christians expect of each other? Can a Christian judge another Christian? How should we give correction? This book draws on the wealth of insight from Scripture, Christian tradition, secular authorities, and the experience of modern Christian communities to portray an open, trusting, loyal attitude that is vulnerable and compassionate as a foundation to build strong relationships. The author's analysis includes the thought of the Desert Fathers, Thomas Aquinas, and Bernard Lonergan to understand the problems that stifle relationships. Success will flow effortlessly into your life once you follow the systematic mind renewal system

presented in this book. In *Transformed Thinking: Loving God With All Your Mind*, Dr. Edward M. Curtis argues that every believer needs to take seriously Paul's exhortation in Romans 12 and avoid assimilating from our world and culture values that are contrary to God's truth revealed in Scripture. At the same time Curtis maintains that human perception and the human mind are wonderful gifts from God that he expects us to use to the full. There are significant truths to be learned from the study of our world and through human experience. It is only as we integrate the knowledge available to us through both general and special revelation that we can transform our thinking by loving God with all our heart, soul, mind and strength and truly glorify his name. God's dream is for you to come into full possession of His manifold blessings, and your mind is the vital instrument He's given you to appropriate this provision. This timely classic opens to you that realm of endless possibilities and helps you explore the unlimited potential of your mind. So get ready to make the right changes in the structure of your thinking and be that excellent personality. Put your mind-power to work and be all God wants you to be! There are no limits to what you can achieve, and absolutely no restrictions to how high you can propel yourself, when you put your mind-power to work.
