Oral History Guidelines

AN Whitehead

Oral History Guidelines

Recording Oral History Valerie Raleigh Yow, 1994-02-14 With extensive examples from both historical and social science literature this book is a practical guide to methods of recording oral history The author provides suggestions on a range of techniques from developing a written interview guide and using tape recorders to asking probing questions during in depth interviews and editing transcriptions She also covers the ethical and legal issues involved in conducting life history interviews and elaborates on three different types of oral history projects community studies biographies and family histories

Catching Stories Donna M. DeBlasio, Charles F. Ganzert, David H. Mould, Stephen H. Paschen, Howard L.

Sacks, 2009-05-04 In neighborhoods schools community centers and workplaces people are using oral history to capture and collect the kinds of stories that the history books and the media tend to overlook stories of personal struggle and hope of war and peace of family and friends of beliefs traditions and values the stories of our lives *Catching Stories A Practical Guide to Oral History* is a clear and comprehensive introduction for those with little or no experience in planning or undertaking oral history projects Opening with the key question Why do oral history the guide outlines the stages of a project from idea to final product planning and research the interviewing process basic technical principles and audio and video recording techniques The guide covers interview transcribing ethical and legal issues archiving funding sources and sharing oral history with audiences Intended for teachers students librarians local historians and volunteers as well as individuals *Catching Stories* is the place to start for anyone who wants to document the memories and collect the stories of community or family

Doing Oral History Donald A. Ritchie, 1995 In this thorough guide to oral history theory methods and practice Donald A Ritchie a prominent U S scholar in the field synthesizes and builds on the extensive literature in manuals and fieldwork guides to provide the first oral history handbook to address individual researchers as well as organized project teams whether novices or veterans in the field to cover videotaping as well as audio recording and to support both teachers and archivists in their use of oral history records Illustrating his guidelines with colorful examples from a wide range of fascinating projects Ritchie offers clear practical and detailed advice on such issues as obtaining funding staffing and equipment conducting interviews publishing videotaping preserving materials teaching oral history and using oral histories in museums on radio in therapy and in interactive video Throughout Ritchie stimulates researchers to consider and focus on the unique aspects of their individual projects as well as the special rewards and results of the recordings they make As he states at the outset Ritchie s emphasis is on doing His definitive guide provides all the practical advice and explanations contemporary oral historians require to turn their ideas and goals into action and to create recordings that illuminate human experience for generations to come BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *A Guide to Oral History and the Law* John A. Neuenschwander, 2014 This text covers legal release agreements

protecting sealed interviews and anonymous interviews from courtroom disclosure defamation copyright the Internet Institutional Review Boards IRBs oral history as evidence the duty to report a crime and teaching considerations

Oral History Evaluation Guidelines Oral History Association,1980

Doing Oral History Donald A. Ritchie,2003 Contains chapters on the discipline of oral history especially as it relates to public history starting an oral history project including funding staffing equipment processing and legal concerns conducting interviews using oral history in research and writing including publishing videotaping oral history and more

Recording Oral History Valerie Raleigh Yow,2014-12-05

Recording Oral History now available in its third edition provides a comprehensive guide to oral history for researchers and students in diverse fields including history sociology anthropology education psychology social work and ethnographic methods Writing in a clear accessible style Valerie Yow builds on the foundations laid in prior editions of her widely used and highly regarded text to tackle not just the practicalities of interviewing but also the varied ethical legal and philosophical questions that can arise The text now twelve chapters allows for dedicated discussion of both legalities and ethics Other new material include recent research on how brain functions affect memory more comprehensive demonstration of how to analyze an interview and details on making the most of technology both old and new Each chapter concludes with updated and annotated Recommended Readings and tailored appendixes address new developments such as institutional review boards and the Oral History Association's new Principles and Best Practices

[The Oral History Manual](#) Barbara W. Sommer, Mary Kay Quinlan,2009 Guides readers through the process of doing oral history

[Practicing Oral History in Historical Organizations](#) Barbara W Sommer,2015-09-30 It has been half a century since the last book that addressed how historical societies can utilize oral history In this brief practical guide internationally known oral historian Barbara W Sommer applies the best practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop The book covers project personnel options funding options legal and ethical issues interviewing techniques and cataloging guidelines identifies helpful steps for historical societies when developing and doing oral history projects includes a dozen model case studies provides additional resources templates forms and bibliography for the reader

Oral History Interview Guidelines ,1998

Doing Oral History Donald A. Ritchie,2015 Doing Oral History is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history

Practicing Oral History in Historical Organizations Barbara W Sommer,2016-06-16 It has been half a century

since the last book that addressed how historical societies can utilize oral history In this brief practical guide internationally known oral historian Barbara W Sommer applies the best practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop The book covers project personnel options funding options legal and ethical issues interviewing techniques and cataloging guidelines identifies helpful steps for historical societies when developing and doing oral history projects includes a dozen model case studies provides additional resources templates forms and bibliography for the reader

Handbook of Oral History Thomas Lee Charlton, Lois E. Myers, Rebecca Sharpless, 2006 In recent decades oral history has matured into an established field of critical importance to historians and social scientists alike Handbook of Oral History captures the current state of the art identifies major strands of intellectual development and predicts key directions for future growth in theory research and application

Transcribing and Editing Oral History Willa K. Baum, 1977 Non Aboriginal material

The Voice of the Past Paul Thompson, Joanna Bornat, 2017 Oral history gives history back to the people in their own words And in giving a past it also helps them towards a future of their own making Oral history and life stories help to create a truer picture of the past and the changing present documenting the lives and feelings of all kinds of people many otherwise hidden from history It explores personal and family relationships and uncovers the secret cultures of work It connects public and private experience and it highlights the experiences of migrating between cultures At the same time it can bring courage to the old meaning to communities and contact between generations Sometimes it can offer a path for healing divided communities and those with traumatic memories Without it the history and sociology of our time would be poor and narrow In this fourth edition of his pioneering work fully revised with Joanna Bornat Paul Thompson challenges the accepted myths of historical scholarship He discusses the reliability of oral evidence in comparison with other sources and considers the social context of its development He looks at the relationship between memory the self and identity He traces oral history through its own past and weighs up the recent achievements of a movement which has become international with notably strong developments in North America Europe Australia Latin America South Africa and the Far East despite resistance from more conservative academics This new edition combines the classic text of *The Voice of the Past* with many new sections including especially the worldwide development of different forms of oral history and the parallel memory boom as well as discussions of theory in oral history and of memory trauma and reconciliation It offers a deep social and historical interpretation along with succinct practical advice on designing and carrying out a project *The Voice of the Past* remains an invaluable tool for anyone setting out to use oral history and life stories to construct a more authentic and balanced record of the past and the present

Oral History for the Local Historical Society Willa K. Baum, 1995 A practical step by step guide for gathering history from the people who ve experienced it *Oral History for the Local Historical Society* a classic in the field for three decades tells you how to start an oral history program in your community how to select the right equipment and how to interview people whose memories are

a living connection to the past Baum goes on to demonstrate what you do when the interviews are collected instructing you how to transcribe and index them store them and make them available to the public for research Oral History for the Local Historical Society is an invaluable tool for anyone who has ever wanted to capture the story of the past in his or her local community *The Oral History Manual* Barbara W. Sommer, Mary Kay Quinlan, 2024-07-23 The Oral History Manual Fourth Edition is a comprehensive and user friendly book designed to take novice or experienced oral historians through the entire life cycle of creating an oral history project from idea through planning interviewing caring for and making oral history interviews accessible It includes updated information on evolving technology including the use of and challenges associated with automated transcription apps ethical and practical considerations related to oral history and social justice including interviews with people experiencing trauma and challenges associated with real time interviews conducted in the wake of natural and human caused disasters It emphasizes that an oral historian s work is not finished when the recorder is turned off describing in detail the importance of fully processing and preserving oral histories and related materials The book emphasizes the importance of oral history practitioners providing context for their work so researchers and others who encounter the materials in the future will understand fully the circumstances in which the oral histories were created The Oral History Manual Fourth Edition also provides readers background on the evolution of oral history practice and includes appendices with sample forms that oral historians will find useful as they develop their own projects [Oral History for the Family Historian](#) Linda Barnickel, 2006 This publication provides practical guidance for the novice on how to conduct a family oral history interview and avoid common mistakes **The American Indian Oral History Manual** Charles E. Trimble, Barbara W. Sommer, Mary Kay Quinlan, 2016-07 Oral history is a widespread and well developed research method in many fields but the conduct of oral histories of and by American Indian peoples has unique issues and concerns that are too rarely addressed This essential guide begins by differentiating between the practice of oral history and the ancient oral traditions of Indian cultures detailing ethical and legal parameters and addressing the different motivations for and uses of oral histories in tribal community and academic settings Within that crucial context the authors provide a practical step by step guide to project planning equipment and budgets and the conduct and processing of interviews followed by a set of examples from a variety of successful projects key forms ready for duplication and the Oral History Association Evaluation Guidelines This manual is the go to text for everyone involved with oral history related to American Indians [The American Indian Oral History Manual](#) Charles E. Trimble, Mary Kay Quinlan, Barbara W. Sommer, 2016-07-01 Oral history is a widespread and well developed research method in many fields but the conduct of oral histories of and by American Indian peoples has unique issues and concerns that are too rarely addressed This essential guide begins by differentiating between the practice of oral history and the ancient oral traditions of Indian cultures detailing ethical and legal parameters and addressing the different motivations for and uses of oral histories in tribal community and academic settings Within that

Oral History Guidelines Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Oral History Guidelines PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire

library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development.
