*Black Jacks* W. Jeffrey. Bolster,2009-06-30 Few Americans black or white recognize the degree to which early African American history is a maritime history W Jeffrey Bolster shatters the myth that black seafaring in the age of sail was limited to the Middle Passage Seafaring was one of the most significant occupations among both enslaved and free black men between 1740 and 1865 Tens of thousands of black seamen sailed on lofty clippers and modest coasters They sailed in whalers warships and privateers Some were slaves forced to work at sea but by 1800 most were free men seeking liberty and economic opportunity aboard ship Bolster brings an intimate understanding of the sea to this extraordinary chapter in the formation of black America Because of their unusual mobility sailors were the eyes and ears to worlds beyond the limited horizon of black communities ashore Sometimes helping to smuggle slaves to freedom they were more often a unique conduit for news and information of concern to blacks But for all its opportunities life at sea was difficult Blacks actively contributed to the Atlantic maritime culture shared by all seamen but were often outsiders within it Capturing that tension *Black Jacks* examines not only how common experiences drew black and white sailors together even as deeply internalized prejudices drove them apart but also how the meaning of race aboard ship changed with time Bolster traces the story to the end of the Civil War when emancipated blacks began to be systematically excluded from maritime work Rescuing African American seamen from obscurity this stirring account reveals the critical role sailors played in helping forge new identities for black people in America An epic tale of the rise and fall of black seafaring *Black Jacks* is African Americans freedom story presented from a fresh perspective

*A Mercy* Toni Morrison,2009-08-11 A powerful tragedy distilled into a small masterpiece by the Nobel Prize winning author of *Beloved* and almost like a prelude to that story set two centuries earlier Jacob is an Anglo Dutch trader in 1680s United States when the slave trade is still in its infancy Reluctantly he takes a small slave girl in part payment from a plantation owner for a bad debt Feeling rejected by her slave mother 14 year old Florens can read and write and might be useful on his farm Florens looks for love first from Lina an older servant woman at her new master s house but later from the handsome blacksmith an African never enslaved who comes riding into their lives At the novel s heart like *Beloved* it is the ambivalent disturbing story of a mother and a daughter

a mother who casts off her daughter in order to save her and a daughter who may never exercise that abandonment

exhilarating The New Yorker A war hero and the recipient of the Congressional Medal of Honor Sgt Raymond Shaw is keeping a deadly secret even from himself During his time as a prisoner of war in North Korea he was brainwashed by his Communist captors and transformed into a deadly weapon a sleeper assassin programmed to kill without question or mercy at his captors signal Now he s been returned to the United States with a covert mission to kill a candidate running for US president This shocking tense and sharply satirical novel has become a modern classic and was the basis for two film adaptations San Francisco Chronicle Crammed with suspense Chicago Tribune Condon is wickedly skillful Time *How to Be Idle* Tom Hodgkinson,2013-07-30 Yearning for a life of leisure In 24 chapters representing each hour of a typical working day this book will coax out the loafer in even the most diligent and schedule obsessed worker From the founding editor of the celebrated magazine about the freedom and fine art of doing nothing The Idler comes not simply a book but an antidote to our work obsessed culture In How to Be Idle Hodgkinson presents his learned yet whimsical argument for a new universal standard of living being happy doing nothing He covers a whole spectrum of issues affecting the modern idler sleep work pleasure relationships bemoaning the cultural skepticism of idleness while reflecting on the writing of such famous apologists for it as Oscar Wilde Robert Louis Stevenson Dr Johnson and Nietzsche all of whom have admitted to doing their very best work in bed It s a well known fact that Europeans spend fewer hours at work a week than Americans So it s only befitting that one of them the very clever extremely engaging and quite hilarious Tom Hodgkinson should have the wittiest and most useful insights into the fun and nature of being idle Following on the quirky call to arms heels of the bestselling Eat Shoots and Leaves The Zero Tolerance Approach to Punctuation by Lynne Truss How to Be Idle rallies us to an equally just and no less worthy cause reclaiming our right to be idle *The Cultural Cold War* Frances Stonor Saunders,2013-11-05 During the Cold War freedom of expression was vaunted as liberal democracy s most cherished possession but such freedom was put in service of a hidden agenda In The Cultural Cold War Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA whether they knew it or not Called the most comprehensive account yet of the CIA s activities between 1947 and 1967 by the New York Times the book presents shocking evidence of the CIA s undercover program of cultural interventions in Western Europe and at home drawing together declassified documents and exclusive interviews to expose the CIA s astonishing campaign to deploy the likes of Hannah Arendt Isaiah Berlin Leonard Bernstein Robert Lowell George Orwell and Jackson Pollock as weapons in the Cold War Translated into ten languages this classic work now with a new preface by the author is a real contribution to popular understanding of the postwar period The Wall Street Journal and its story of covert cultural efforts to win hearts and minds continues to be relevant today
