This is David Whyte's fourth book of poetry "With this insightful book, David Whyte offers people in corporate life an opportunity to reach into the forgotten and ignored creative life (their own and the corporation's) and literally water their souls with it. The result is a very well written book that can truly heal."—Clarissa Pinkola Estés, PH.D., author of *Women Who Run With the Wolves* and *The Gift of Story* Find professional and personal fulfillment through the poetry of both classic and modern masters—now revised and updated Has your work lost its meaning? Have you forgotten the goals you hoped to achieve when you began your career? Are you afraid of pursuing your

dreams? In *The Heart Aroused*, David Whyte brings his unique perspective as poet and consultant to the workplace, showing readers how fulfilling work can be when they face their fears and follow their dreams. Going beneath the surface concerns about products and profits, organization and order, Whyte addresses the needs of the heart and soul, and the fears and desires that many workers keep hidden. At a time when corporations are calling on employees for more creativity, dedication, and adaptability, and workers are trying desperately to balance home and work, this revised edition of *The Heart Aroused* is the essential guide to reinvigorating the soul. Savett takes heed of William Carlos Williams's injunction "no ideas but in things." In verse that is both sensorily accessible and playfully experimental, Savett preserves the people, places, and moments which comprise his world. In trusting the smallest concrete details to convey always monumental human longing, Savett's poems resonate with readers in both immediate and lasting ways. An impassioned call for a return to reading poetry and an incisive argument for poetry's accessibility to all readers, by critically acclaimed poet Matthew Zapruder In *Why Poetry*, award-winning poet Matthew Zapruder takes on what it is that poetry—and poetry alone—can do. Zapruder argues that the way we have been taught to read poetry is the very thing that prevents us from enjoying it. In lively, lilting prose, he shows us how that misunderstanding interferes with our direct experience of poetry and creates the sense of confusion or inadequacy that many of us

feel when faced with it. Zapruder explores what poems are, and how we can read them, so that we can, as Whitman wrote, “possess the origin of all poems,” without the aid of any teacher or expert. Most important, he asks how reading poetry can help us to lead our lives with greater meaning and purpose. Anchored in poetic analysis and steered through Zapruder's personal experience of coming to the form, *Why Poetry* is engaging and conversational, even as it makes a passionate argument for the necessity of poetry in an age when information is constantly being mistaken for knowledge. While he provides a simple reading method for approaching poems and illuminates concepts like associative movement, metaphor, and negative capability, Zapruder explicitly confronts the obstacles that readers face when they encounter poetry to show us that poetry can be read, and enjoyed, by anyone. Exhibiting the mastery of poetic line and sharpness of focus we have come to associate with Dabney Stuart's work, this volume, Stuart's fifteenth, weaves a series of finely delineated

portraits into a complicated fabric of relationship. Family Preserve gathers the family poems scattered throughout Stuart's books over the past four decades and intersperses them with new and previously unpublished poems. By turns comic and tragic, this collection engages the reader in the complex process of longing, mourning, and preserving family ties. Beginning with what would seem the end, the collection's introductory poem, "The Long Good-bye," sets the stage for the volume, inviting the reader to accompany the speaker as he confronts the entanglement of his memories. The poems that follow offer intimate glimpses into the often tricky relationships among parents, siblings, and children. The volume ends in the union of once discordant voices: the speaker with the memory of his father, the speaker's younger self with his older self, and time with timelessness; yet it is the recognition of the often elusive process of remembering that makes

Stuart's poetry so powerful. A compelling look at familial relationships and the function of memory, *Family Preserve* is a significant milestone in Dabney Stuart's long and distinguished poetic career, and an important addition to the elegy, open form, and ode. Excerpt from *From the Last to the First: A Collection of Beautiful Poems, Descriptive of Gems in America and Europe* Die Wanderlust when scarce eighteen Filled me with romance glow, Not twenty miles extent I'd seen And little did I know. With a desire to learn and have a chance, I chose a freedom-land for my advance. With knapsack on my back, I bade Dear pa and ma adieu, And with some knowledge of a trade Of making boot and shoe, I left my home with thoughts far, far away America to reach by land and sea. On reaching shore and ships ahoy, With sails and masts sky-high, I went aboard as cabin boy The Captain to

supply; And thus I sailed across the briny deep, More knowledge of the Wide world's ways reap. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. "Claire Wahmanholm's book REDMOUTH is grief-stricken. But how does the poet make grief so beautiful? Who knew the language of grief could be stricken itself with the language of beauty? Here the deer have disappeared but when the speaker closes her eyes, she 'can see them / licking the coats of their fawns, anchoring / their spots to their fur to their bodies to the forest floor.' There's simply no doubt

that Wahmanholm is a poet because language is the center of all of her work, whether it is describing a decayed world where 'mountains have unraveled into sand' to the stripping away and lifting out of language in the equally stunning erasures sprinkled throughout this book. Yes, darkness razors across these poems, but what comes out of the experience of reading is beauty. I don't know many poets today who can write such beauty into such devastation: 'The children's hair lies dewy on the hillocks of their heads / until shreds like cornsilk come off in the breeze.' Gorgeously rendered, devastatingly stunning."--Victoria Chang A prize-winning debut poetry collection touching on themes of nature, loss, and history. In Wilder—selected by Rick Barot as the winner of the 2018 Lindquist & Vennum Prize for Poetry—Claire Wahmanholm maps an alien but unnervingly familiar world as it accelerates into cataclysm. Here refugees listen to relaxation tapes that create an Arcadia out of tires

and bleach. Here the alphabet spells out disaster and devours children. Here plate tectonics birth a misery rift, spinning loved ones away from each other across an uncaring sea. And here the cosmos—and Cosmos, as Carl Sagan's hopeful words are fissured by erasure—yawns wide. Wilder is grimly visceral but also darkly sly; it paints its world in shades of neon and rust, and its apocalypse in language that runs both sublime and matter-of-fact. "Some of us didn't have lungs left," writes Wahmanholm. "So when we lay beneath the loudspeaker sky—when we were told to pay attention to our breath—we had to improvise." The result is a debut collection that both beguiles and wounds, whose sky is "black at noon, black in the afternoon." Praise for Wilder "Full of wonder and bewilderment, cosmic vision and earthly pain." —Rick Barot "A lyric and formally daring collection." —Poets & Writers "Wahmanholm moves lyrically through an apocalyptic disaster in her stunning and disquieting

debut. . . . Wahmanholm's poems are studies in devastation and stark representations of the accompanying shock." —Publishers Weekly "Wahmanholm's careful curation of words and sounds cradle the reader. . . . The poems in Wilder are powerful and compelling, interested not only in confronting the rifts in our history and landscape, but connecting us to each other." —Arkansas International This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Henry Elliot Harman's poetry captures the essence of life and death, love and longing, through vivid imagery and a mastery of language. According to Clare Morgan and her coauthors, it brings a complexity and flexibility of thinking, along with the ability to empathize and better understand the thoughts and feelings of others. Through her own experiences and many examples, Morgan demonstrates that the skills necessary to talk and think about poetry can be of significant benefit to leaders and strategists, to executives who are facing infinite

complexity and who are armed with finite resources in a changing world. What Poetry Brings to Business presents ways in which reading and thinking about poetry offer businesspeople new strategies for reflection on their companies, their daily tasks, and their work environments. The goal is both to increase readers' knowledge of poems and how they convey meaning, and also to teach analytical and cognitive skills that will be beneficial in a business context. The unique combinations and connections made in this book will open new avenues of thinking about poetry and business alike
