*Black Ants and Buddhists* Mary Cowhey, 2006 What would a classroom look like if understanding and respecting differences in race culture beliefs and opinions were at its heart Welcome to Mary Cowhey's Peace Class in Northampton MA where first and second graders view the entire curriculum through the framework of understanding the world and trying to do their part to make it a better place Woven through the book is Mary's unflinching and humorous account of her own roots in a struggling large Irish Catholic family and her early career as a community activist Mary's teaching is infused with lessons of her heroes Gandhi Eleanor Roosevelt Helen Keller Martin Luther King and others Her students learn to make connections between their lives the books they read the community leaders they meet and the larger world If you were inspired to become a teacher because you wanted to change the world and instead find yourself limited by teach to the test pressures this is the book that will make you think hard about how you spend your time with students It offers no easy answers just a wealth of insight into the challenges of helping students think critically about the world and starting points for conversations about diversity and controversy in your classroom as well as in the larger community

**Black Ants and Buddhists** Mary Cowhey, 2023-10-10 What would a classroom look like if understanding and respecting differences in race culture beliefs and opinions were at its heart If you were inspired to become a teacher because you wanted to develop young minds but now find yourself limited by teach to the test pressures and state standards Mary Cowhey's book *Black Ants and Buddhists Thinking Critically and Teaching Differently in the Primary Grades* will reignite the passion and remind you that educators provide more than test prep Starting her career as a community activist Cowhey shares her roots and how they influenced her Peace Class where she asks her students to think critically learn through activism and discussion and view the entire curriculum through the framework of understanding the world and what they can do to make it a better place Woven through the book is Mary's unflinching and humorous account of her own roots as well as lessons from her heroes Gandhi Eleanor Roosevelt Helen Keller Martin Luther King Jr and others Her students learn to make connections between their lives the books they read the community leaders they meet and the larger world *Black Ants and Buddhists* offers no easy answers but it does include starting points for conversations about diversity and controversy in your classroom as well as in the larger community Students and teachers investigate problems and issues together in a multicultural antiracist classroom

Seen and Heard Ellen Lynn Hall, Jennifer Kofkin Rudkin, 2011-01-13 Using examples from a Reggio inspired school with children from ages 6 weeks to 6 years the authors emphasize the importance of children s rights and our responsibility as adults to hear their voices Seen and Heard summarizes research and theory pertaining to young children s rights in the United States and offers strategies educators can use to ensure the inclusion of children s perspectives in everyday decisions Real life classroom vignettes illustrate how young children perceive the idea of rights through observation and discussion The authors work is based on these essential ideas 1 the one hundred languages children use for exploring discovering constructing representing and conveying their ideas 2 the pedagogy of listening in which children and adults carefully attend to the world and to one another 3 the notion that all children have the right to participate in the communities in which they reside

*Sophie's World* Jostein Gaarder, 2007-03-20 A page turning novel that is also an exploration of the great philosophical concepts of Western thought Jostein Gaarder s Sophie s World has fired the imagination of readers all over the world with more than twenty million copies in print One day fourteen year old Sophie Amundsen comes home from school to find in her mailbox two notes with one question on each Who are you and Where does the world come from From that irresistible beginning Sophie

becomes obsessed with questions that take her far beyond what she knows of her Norwegian village Through those letters she enrolls in a kind of correspondence course covering Socrates to Sartre with a mysterious philosopher while receiving letters addressed to another girl Who is Hilde And why does her mail keep turning up To unravel this riddle Sophie must use the philosophy she is learning but the truth turns out to be far more complicated than she could have imagined

**Social Studies for a Better World: An Anti-Oppressive Approach for Elementary Educators (Equity and Social Justice in Education)** Noreen Naseem Rodriguez, Katy Swalwell, 2021-11-16 Plan and deliver a curriculum to help your students connect with the humanity of others In the wake of 2020 we need today's young learners to be prepared to develop solutions to a host of entrenched and complex issues including systemic racism massive environmental problems deep political divisions and future pandemics that will severely test the effectiveness and equity of our health policies What better place to start that preparation than with a social studies curriculum that enables elementary students to envision and build a better world In this engaging guide two experienced social studies educators unpack the oppressions that so often characterize the elementary curriculum normalization idealization heroification and dramatization and show how common pitfalls can be replaced with creative solutions Whether you're a classroom teacher methods student or curriculum coordinator this is a book that can transform your understanding of the social studies disciplines and their power to disrupt the narratives that maintain current inequities

Living Is Dying Dzongsar Jamyang Khyentse, 2020-03-31 An insightful collection of teachings about death and dying to help face life's greatest mystery calmly and with equanimity Lifetimes of effort go into organizing designing and structuring every aspect of our lives but how many people are willing to contemplate the inevitability of death Although dying is an essential part of life it is an uncomfortable topic that most people avoid With no idea what will happen when we die and a strong desire to sidestep the conversation we make all kinds of assumptions Living Is Dying collects teachings about death and the bardos that have been passed down through a long lineage of brilliant Buddhist masters each of whom went to great lengths to examine the process in minute detail Renowned author and teacher Dzongsar Jamyang Khyentse responds to the most common questions he's been asked about death and dying exploring how one prepares for death what to say to a loved one who is dying and prayers and practices to use as a handhold when approaching the unknown territory of death Whether you are facing death today or decades from now preparing for it can help to allay your worst fears and help you appreciate what it means to be truly alive

*Assessing Writers* Carl Anderson, 2005 Anderson offers smart ready to use ideas for assessment

*Mastering the Core Teachings of the Buddha* Daniel Ingram, 2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles Even so Ingram insists that enlightenment is an attainable goal once our fanciful notions of it are stripped away and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind noise Ingram sets out concisely the difference between concentration based and insight vipassana meditation he provides example practices and most importantly he

presents detailed maps of the states of mind we are likely to encounter and the stages we must negotiate as we move through clearly defined cycles of insight Its easy to feel overawed at first by Ingram s assurance and ease in the higher levels of consciousness but consistently he writes as a down to earth and compassionate guide and to the practitioner willing to commit themselves this is a glittering gift of a book In this new edition of the bestselling book the author rearranges revises and expands upon the original material as well as adding new sections that bring further clarity to his ideas **Teaching Math at a Distance, Grades K-12** Theresa Wills,2020-10-12 Make Rich Math Instruction Come to Life Online In an age when distance learning has become part of the new normal educators know that rich remote math teaching involves more than direct instruction online videos and endless practice problems on virtual worksheets Using both personal experience and those of teachers in real K 12 online classrooms distance learning mathematics veteran Theresa Wills translates all we know about research based equitable rigorous face to face mathematics instruction into an online venue This powerful guide equips math teachers to Build students agency identity and strong math communities Promote mathematical thinking collaboration and discourse Incorporate rich mathematics tasks and assign meaningful homework and practice Facilitate engaging online math instruction using virtual manipulatives and other concrete learning tools Recognize and address equity and inclusion challenges associated with distance learning Assess mathematics learning from a distance With examples across the grades links to tutorials and templates and space to reflect and plan Teaching Math at a Distance offers the support clarity and inspiration needed to guide teachers through teaching math remotely without sacrificing deep learning and academic growth To Teach William Ayers,Ryan Alexander-Tanner,2015-04-17 This graphic novel brings to life William Ayers s bestselling memoir To teach the journey of a teacher third edition From Ayers s early days teaching kindergarten readers follow this renowned educational theorist on his voyage of discovery and surprise Cover p 4

**Linguistic Strategies in Daoist Zhuangzi and Chan Buddhism** Youru Wang,2003-12-08 As the first systematic attempt to probe the linguistic strategies of Daoist Zhuangzi and Chan Buddhism this book investigates three areas deconstructive strategy liminology of language and indirect communication It bases these investigations on the critical examination of original texts placing them strictly within soteriological contexts Whilst focusing on language use the study also reveals some important truths about these two traditions and challenges many conventional understandings of them Responding to recent critiques of Daoist and Chan Buddhist thought it brings these two traditions into a constructive dialogue with contemporary philosophical reflection It discovers Zhuangzian and Chan perspectives and sheds light on issues such as the relationship between philosophy and non philosophy de reification of words relativising the limit of language structure of indirect communication and use of paradox tautology and poetic language Secrets of the Blue Cliff Record Thomas Cleary,2002-12-10 The Blue Cliff Record is a classic text of Zen Buddhism designed to assist in the activation of dormant human potential The core of this extraordinary work is a collection of one hundred traditional citations and stories

selected for their ability to bring about insight and enlightenment These vignettes are known as gongan in Chinese and koan in Japanese Secrets of the Blue Cliff Record is a fresh translation featuring newly translated commentary from two of the greatest Zen masters of early modern Japan Hakuin Ekaku 1685 1768 of the Rinzai sect of Zen and Tenkei Denson 1648 1735 of the Soto sect of Zen This translation and commentary on The Blue Cliff Record sheds new light on the meaning of this central Zen text
