**The Best Caliber Wars** James M Volo,2019-05 Guns can be very effective tools but they are each of limited utility There is no one weapon that is perfect for every purpose Private persons may own a number of guns that fulfill a variety of functions Ballistics is important for soldiers law enforcement sportsmen and anyone who seeks to protect their life their home their family or their workplace If you are among these this book is for you Not surprisingly gun owners and firearms enthusiasts are often part of a social gun culture in which certain facts trends and fads circulate and evolve with time some stirring intense loyalty among shooters even when the realities suggest otherwise For the average gun user some very popular myths misconceptions and miscalculations concerning ballistics and the terminal effects of bullets are strongly held and it is not the purpose of this discussion to demonstrate why they are or are not true only to lay out the parameters of the debate so that the readers can make their own judgments with increased confidence The origin of ballistics is in the study of the flight path of projectiles but its domain has been expanded in modern times Among the modern ballistic sciences are areas of interest concerning how ammunition and weapons operate

*Emily Gets Her Gun* Emily Miller,2013-09-03 In the wake of tragic shootings in Newtown and Aurora the anti gun lobby has launched a campaign of lies distortion misrepresentation and emotional manipulation that is breathtaking in its vitriol and its denial of basic facts Their goal is to take away our Second Amendment rights and then disarm law abiding Americans Emily Miller tells her personal story of how being a single female victim of a home invasion drove her to try to obtain a legally registered gun in Washington D C The narrative sometimes shocking other times hilarious in its absurdity gives the reader a real life understanding of how gun control laws only make it more difficult for honest law abiding people to get guns while violent crime continues to rise Using facts and newly uncovered research Miller exposes the schemes politicians on Capitol Hill in the White House and around the country are using to deny people their Second Amendment rights She exposes the myths that gun grabbers and liberal media use to get new laws passed that infringe on our right to keep and bear arms The gun rights debate isn t just about firearms It s about protecting a fundamental right that is enshrined in the U S Constitution It s about politicians who lie manipulate and outright break existing laws to get what they want It s about President Obama wanting a bigger federal government to control you Not just your guns you The fight for gun rights is the fight for freedom Emily Miller says stand up and fight back now because your Second Amendment will only be the first to go
