Mother Angelica: Her Grand Silence Raymond Arroyo, 2016. A portrait of Mother Angelica describes the influential nun's youth, her dedication to a cloistered order of Franciscan nuns, and her creation of the powerful multimillion-dollar Eternal World Television Network. *NoveList* **Mother Angelica** Raymond Arroyo, 2007-05-15. **NEW YORK TIMES BESTSELLER**. In this dramatic page-turner, Raymond Arroyo has captured the life and lessons of Mother Angelica, a woman who may well be the patron saint of CEOs. Lee Iacocca, The Iacocca Family Foundation, former CEO of the Chrysler Corporation. In 1981, a simple nun using merely her entrepreneurial instincts and two hundred dollars launched what would become the world's largest religious media empire. In the garage of a Birmingham, Alabama, monastery, the Eternal Word Television Network grew at a staggering pace under her guidance. Mother Angelica, 1923-2016, remains on the air, offering faith-filled advice, hope, and laughter to her audience through rebroadcasts of her original homilies. Raymond Arroyo through

more than five years of exclusive interviews with Mother Angelica traces her tortuous rise to success and exposes for the first time the fierce opposition she faced both outside and inside her church

Hail, Holy Queen Scott Hahn,2006-09-19 Essential reading for all Catholics Bestselling author Scott Hahn illuminates a fresh and enlightening perspective on Mary Mother of God and her central importance in the Christian faith In The Lamb s Supper

Hahn explored the relationship between the Book of Revelation and the Roman Catholic Mass deftly clarifying the most subtle of theological points with analogies and anecdotes from everyday life In Hail Holy Queen he employs the same accessible entertaining style to demonstrate Mary's essential role in Christianity's redemptive message Most Christians know that the life of Jesus is foreshadowed throughout the Old Testament Through a close examination of the Bible as well as the work of both Catholic and Protestant scholars and clergy Hahn brings to light the small but significant details showing that just as Jesus is the New Adam so Mary is the New Eve He unveils the Marian mystery at the heart of the Book of Revelation and reveals how it is foretold in the very first pages of the Book of Genesis and in the story of King David's monarchy which speaks of a privileged place for the mother of the king Building on these scriptural and historical foundations Hahn presents a new look at the Marian doctrines Her Immaculate Conception Perpetual Virginity Assumption and Coronation As he guides modern day readers through passages filled with mysteries and poetry Hahn helps them rediscover the ancient art and science of reading the Scriptures and gain a more profound understanding of their truthfulness and relevance to faith and the practice of religion in the contemporary world

Mother Angelica: Her Grand Silence Raymond Arroyo, 2018-10-30 In a moving dramatic conclusion to his four New York Times bestselling Mother Angelica books Raymond Arroyo completes the saga of this singular nun with his most intimate book yet For more than a decade the beloved wise cracking nun who founded EWTN the world's largest religious media empire was confined to her cell at Our Lady of the Angels Monastery in Hanceville Alabama Though Mother Angelica is still seen and heard by millions each week in reruns on seven continents the private drama within her monastery her personal supernatural encounters and the prolonged suffering she endured has remained hidden Until now Revealed for the first time is the personal request Mother made of God which sheds light on her long silence Here are Mother Angelica's spiritual battles in her cell including encounters with the devil and the unrevealed episodes of hilarity and inspiration From playing possum to avoid undesirable visitors to her room to undertaking a secret trip to the far East to blessing her nuns as they leave her care to create new monasteries Mother Angelica's spunky spirit shines through the narrative Mother Angelica Her Grand Silence the touching climactic coda to the Mother Angelica canon also offers readers the personal testimonies of people around the world who were spiritually

transformed by Mother during her long public absence And for the first time the author writes movingly of his personal relationship with Mother the highs and the lows

Consuming the Word Scott Hahn,2013-05-28 From the bestselling author of The Lamb s Supper and Signs of Life comes an illuminating work that unlocks the many mysteries of the Catholic sacrament of the Eucharist Long before the New Testament was a document it was a sacrament Jesus called the Eucharist by the name Christians subsequently gave to the latter books of the Holy Bible It was the New Covenant the New Testament in his blood Christians later extended the phrase to cover the books produced by the apostles and their companions but they did so because these were the books that could be read at Mass This simple and demonstrable historical fact has enormous implications for the way we read the Bible In Consuming the Word The New Testament and the Eucharist in the Early Church Dr Scott Hahn undertakes an examination of some of Christianity s most basic terms to discover what they meant to the sacred authors the apostolic preachers and their first hearers Moreover at a time when the Church is embarking on a New Evangelization he draws lessons for Christians today to help solidify their understanding of the why it is Catholics do what Catholics do Anyone acquainted with the rich body of writing that flows so inspiringly from the hand and heart of Dr Hahn knows that he brings profound personal insight to his demonstrated theological expertise writes Cardinal Donald Wuerl in the foreword to the book Consuming the Word continues in that illustrious tradition It brings us a powerful and welcome guide as we take our place in the great and challenging work in sharing the Good News
