# Organizational Behavior 14th Edition Mymanagementlab Series

**Organizational Behavior** Stephen P. Robbins, Tim Judge, 2011 For undergraduate and graduate courses in organizational behaviour This edition contains new material on responding to global and cultural diversity with discussions of globalization workforce diversity and ethics There is an additional chapter on leadership and expanded coverage of interpersonal and behavioural skills Organizational Behavior Fred Luthans, Brett C. Luthans, Kyle W. Luthans, 2021-01-01 Contrary to the common saying we do want you to judge this new edition of Organizational Behavior by its front cover Specifically featured is that this is the 14th edition it takes an Evidence Based Approach and similar to the previous edition there are now three Luthans authors This 14th edition is based on the foundation provided by the first mainline text which has become the classic for the study and understanding of organizational behavior However by taking an evidence based approach this insures that even though a classic this new edition adds the most recent and relevant research to the most extensive up to date reference base of any organizational behavior text By adding the two closely related authors professor sons literally pumps new blood into the sustainability of this classic text by Fred Luthans Importantly Fred has recently been recognized with 1 Lifetime Achievement Award in Organizational Behavior 2 Top 1% of Citation Count of all researchers in the world and 3 the 1 most cited author in Organizational Behavior textbooks Finally this new edition recognizes that even though the theoretical framework and coverage largely remains the context of organizational behavior is rapidly changing This new edition reflects the New Age environment but still holds to the premise that in today s organizations success and competitive advantage still comes from the understanding prediction and effective management of human resources With this new edition we invite you to continue the never ending journey guided by the best organizational behavior theory research and application

**Essentials of Organizational Behavior** Stephen P. Robbins, Tim Judge, 2018 For courses in organizational behavior A streamlined presentation of key organizational behavior concepts Essentials of Organizational Behavior teaches readers how to communicate and interact within organizations through real world scenarios The text offers comprehensive coverage of key organizational behavior OB concepts making each lesson engaging and easy to absorb Readers can use the book s concepts to apply what they ve learned to their own education future career plans and other organizational endeavors Currently used at more than 500 colleges and universities worldwide Essentials of Organizational Behavior serves as a popular resource so readers can learn and understand the most important concepts in OB With updated research and the integration of contemporary global issues the 14th Edition focuses on the most relevant OB concepts that resonate with readers Also available with MyLab Management MyLab TM Management is an online homework tutorial and assessment program designed to work with this text to engage students and improve results Within its structured environment students practice what they learn test their understanding and pursue a personalized study plan that helps them
