**House of Leaves** Mark Z. Danielewski,2000-03-07 A novelistic mosaic that simultaneously reads like a thriller and like a strange dreamlike excursion into the subconscious The New York Times Years ago when House of Leaves was first being passed around it was nothing more than a badly bundled heap of paper parts of which would occasionally surface on the Internet No one could have anticipated the small but devoted following this terrifying story would soon command Starting with an odd assortment of marginalized youth musicians tattoo artists programmers strippers environmentalists and adrenaline junkies the book eventually made its way into the hands of older generations who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children Now this astonishing novel is made available in book form complete with the original colored words vertical footnotes and second and third appendices The story remains unchanged focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong their house is bigger on the inside than it is on the outside Of course neither Pulitzer Prize winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility until the day their two little children wandered off and their voices eerily began to return another story of creature darkness of an ever growing abyss behind a closet door and of that unholy growl which soon enough would tear through their walls and consume all their dreams

Who Says You Can't Go Home? B. Loren, 2021-01-17 Being an outsider is tough Being an outsider in your own home and not knowing why is soul crushing It is isolating painful and confusing Loneliness and longing are your reality You re consumed with guilt self deprecating inner dialogue and worst of all the fear of doing even the smallest thing wrong You spend a lot of time alone even when you re not You watch a lot of TV Obviously this is all your fault Obviously the reason you are living this way is because of something you did to warrant it If they beat you you deserved it If they punish you you asked for it You never want to go home but you don t have a choice because you ve never had a choice This is it This is what you have This is all you know And yet you still smile when you sometimes catch a glimpse of the sweeter things and treasure the smallest kindness Inside you know life isn t supposed to be like this but it is Your life is like a bubble of poison gas that could burst at any moment you know that You live that But how are you supposed to make sense of any of this How do you make it stop You can t You are powerless You haven t even reached kindergarten yet From a severely abusive childhood in the inner city of Baltimore a string of unsatisfying relationships and several broken marriages to a six figure income from the multi million dollar business I built out of my home this is my story in my own words I was stolen as a baby when my mother died I was lied to by my kidnapper and used as a Cinderella punching bag by his never ending parade of step mothers and girlfriends and much worse when he didn t have one This memoir covers the good the bad and the ugly As this story unfolds my hope is that you the reader will discover a little girl who survived that abusive childhood healed and empowered herself through discipline and hard work I hope you see a girl who became a woman who learned from her mistakes and a whole human being who loves her newfound family with all her heart I am no longer an outsider I can go home now
