New 2023 edition of the essential study resource to supplement the state's official textbook. The Louisiana Notary Exam has a 20% pass rate! The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam-day tips, not enough cross-references . . . and few of the forms notaries use that they test. It doesn't explain most-tested subjects, past exams, or recent changes to the Guide. It's got the law and notary rules, but it's missing essentials for any such textbook. This book has all that—and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary, and is useful to experienced notaries for its expanded cross-references, complete index, and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index, of all things? Reminder: a 20% pass rate. Quality paperback edition, available at all leading online bookstores. NEW FOR 2022: Questions and answers in four separate tests—plus detailed explanations for each right and wrong answer, keyed to the page of the latest official state Study Guide—help coach students for the difficult exam. This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test, and the law behind it. Louisiana civil law notaries have unmatched functions, responsibilities, and opportunities—but the exam averages a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content, and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right—and even less about why other good options aren't "best." This book fills that void with 130 questions and detailed clarifications, plus tactics illustrated by specific formats and options. Explanations are keyed in detail to the 2022 Fundamentals (state study guide). Dr. Childress, author of a best-selling supplemental book decoding the state study guide and teacher of Tulane's undergraduate course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled-out lagniappe to other available workbooks, or as a new tool for self-study, this workbook should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self-Study Sherpa Series from Quid Pro Books. With obscure terms like 'emphyteusis' and 'jactitation,' the language of Louisiana civil law can sometimes be confusing for students and even for seasoned practitioners. But the 'Louisiana Civil Law Dictionary' can help. It defines every word and phrase contained in the index to the Louisiana Civil Code, plus many more—in clear and concise language—and provides current citations to the relevant statutes, code articles, and cases. Whether you are a student, researcher, lawyer, or judge, if you deal with Louisiana and its laws, this volume will prove indispensable. It is also a valuable resource for notaries and paralegal assistants. No doubt common law practitioners in other states, too, will find ready uses for a dictionary that translates civil law terminology into familiar concepts; they will know how 'naked ownership' is different from 'usufruct.' And since the civil law dominates the world's legal systems, this book will find a home with libraries and scholars the world over, anywhere there is a need to compare civil law terms with those of the common law. Quality ebook formatting from Quid Pro Books features active contents, linked notes and URLs, and hundreds of linked cross-references for ready association of related topics. Print editions are available of this valuable resource, yet the ebook format is not just a textual replication of the print book or a PDF; instead, the ebook is carefully designed to take full advantage of the digital ereader's optimal arrangements and hyperlinking. "Rome and Kinsella have done a huge service to legal scholarship by assembling the 'Louisiana Civil Law Dictionary' -- a splendid resource for those seeking to understand the rich vocabulary of Louisiana law." --Bryan A. Garner, President, LawProse, Inc.; and Editor in Chief, 'Black's Law Dictionary' NEW EDITION FOR 2024! Updates and expands the previous edition, and is keyed to the current state study guide (2024). The Louisiana Notary Public exam is based on a 722-page study guide, Fundamentals of Louisiana Notarial Law and Practice. But the official book is famously difficult to read and organized in a complex way. Readers often need help - including classes and Facebook groups - just to unwind it. This book is, at last, directly aimed at simplifying and outlining the study guide itself. Such a resource offers a better chance of passing the notoriously challenging notary exam. Law school classes and bar exam prep have long given law students the advantage of complete outlines, nutshells, and bar review materials authored by experts in their subjects. It's time for this concept to be used for notary prep as well. Applying the tried-and-true outlining format successfully employed for bar review, experienced lawyer-notary Michele Childress offers this resource for aspiring Louisiana notaries - whether they're prepping by self-study or as part of organized coursework. A new addition - now in its third trade paperback edition - to the Sherpa Series from Quid Pro Books, this book joins the Sidepiece and Sample Questions texts as affordable guidance in the journey to becoming a commissioned notary in our state. Attorney and notary public for the state of Louisiana, Michele Childress is a graduate of Loyola University-New Orleans and its law school. She also co-teaches internet seminars on passing the challenging Louisiana notary exam. New 2021 edition of the essential study resource to supplement the state's official textbook. The Louisiana Notary Exam has a 20% pass rate! The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam-day tips, not enough cross-references . . . and few of the forms notaries use that they test. It doesn't explain most-tested subjects, past exams, or recent changes to the Guide. It's got the law and notary rules, but it's missing essentials for any such textbook. This book has all that—and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary, and is useful to experienced notaries for its expanded cross-references, complete index, and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index, of all things? Reminder: a 20% pass rate. NEW 2022 EDITION of the best-selling notary prep guide to the difficult Louisiana exam. The Louisiana Notary Exam has a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam-day tips, not enough cross-references . . . and few of the forms notaries use that they test. It's notoriously hard to follow. It doesn't explain most-tested subjects, past exams, or recent changes. It's got the law and notary rules, but it's missing essentials for any such textbook. The Sidepiece has all that—and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary, and is useful to experienced notaries for its expanded cross-references, complete index, and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index, of all things? Reminder: a 20% pass rate. Previous editions of this resource earned 150 5-star ratings and comments that it's "essential" and "invaluable" to passing the exam, whether or not you take a prep class too. Read the reviews to get the scope, coverage, and necessity of adding this book into your study program. "The author's tips on what to expect on test day were worth the cost of the book alone. Get. This. Book." As a senior law teacher and member of two state bars, Professor Childress still needed to pass the Louisiana Notary Exam to practice as one. It's a challenging exam for everyone, yet he found in the 'Study Guide' lots of trees but little forest—and even less real guidance. Determined that current test-takers can do better with more real help, he wrote this book and geared the page numbers—including an index, cross-references, lists, and illustrated explanation of successions, community property, and authentic acts—to the latest edition of the state's official text, Fundamentals of Louisiana Notarial Law and Practice. An affordable addition to the Self-Study Sherpa Series from Quid Pro Books, this book actually pays for itself twice over with its 'one weird trick' saying how to save \$65 in fees in the notary qualification process. NEW FOR 2023, keyed to the current Study Guide's page numbers: Questions and answers in four separate tests—plus detailed explanations for each right and wrong answer, referencing the latest official state Study Guide—help coach students for the difficult exam. This independent resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test, and the law behind it. More generally, it serves as a master class in answering multiple choice questions and tackling tricky exams. Louisiana civil law notaries have unmatched functions, responsibilities, and opportunities—but the exam averages a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content, and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right—and even less about why other good options aren't "best." This book fills that void with 130 questions and detailed clarifications, plus tactics illustrated by specific formats and options. Explanations are keyed in

detail to the 2023 Fundamentals (state study guide). Dr. Childress, author of a best-selling supplemental book decoding the state study guide and teacher of Tulane's undergraduate course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled-out lagniappe to other available workbooks, or as a new tool for self-study, this workbook should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self-Study Sherpa Series from Quid Pro Books. SUPERSEDED 2022 edition -- Look for the new 2023 version if you are studying with the current guide. The Louisiana Notary Public exam is based on a 705-page study guide, Fundamentals of Louisiana Notarial Law and Practice. But the official book is famously difficult and organized in a complex way. Readers often need help—including classes and Facebook groups—just to unwind it. This book is, at last, directly aimed at simplifying and outlining the study guide itself. Such a resource offers a better chance of passing the notoriously difficult notary exam. Law school classes and bar exam prep have long given law students the advantage of complete outlines, nutshells, and bar review materials authored by experts in their subjects. It's time for this concept to be used for notary prep as well. Applying the tried-and-true outlining format successfully employed for bar review, experienced lawyer/notary Michele Childress offers this resource for aspiring Louisiana notaries—whether they're prepping by self-study or as part of organized coursework. A new addition to the Self-Study Sherpa Series from Quid Pro Books, this book joins the Sidepiece and Sample Questions texts as affordable guidance in the journey to becoming a commissioned notary in our state. NEW EDITION FOR 2024, keyed to the current Study Guide's page numbers: Questions and answers in four separate tests—plus detailed explanations for each right and wrong answer, referencing the latest official state Study Guide—help coach students for the difficult exam. NEW EDITION FOR 2023, for use with the current study guide. Updates and expands the previous edition, and is keyed to the state guide. The Louisiana Notary Public exam is based on a 722-page study guide, Fundamentals of Louisiana Notarial Law and Practice. But the official book is famously difficult and organized in a complex way. Readers often need help — including classes and Facebook groups — just to unwind it. This book is, at last, directly aimed at simplifying and outlining the study guide itself. Such a resource offers a better chance of passing the notoriously challenging notary exam. Law school classes and bar exam prep have long given law students the advantage of complete outlines, nutshells, and bar review materials authored by experts in their subjects. It's time for this concept to be used for notary prep as well. Applying the tried-and-true outlining format successfully employed for bar review, experienced lawyer/notary Michele Childress offers this resource for aspiring Louisiana notaries — whether they're prepping by self-study or as part of organized coursework. A new addition — now in its second edition — to the Self-Study Sherpa Series from Quid Pro Books, this book joins the Sidepiece and Sample Questions texts as affordable guidance in the journey to becoming a commissioned notary in our state. The Louisiana Notary Exam has a 20% pass rate, despite using the official Guide during the exam. But it has no index, big picture, study strategies, exam tips, or paginated cross-references. And few forms notaries use that they test. It's got law and notary rules while missing essentials for any such textbook. This book has all that-and more. Questions and answers in four separate tests-plus detailed explanations for each right and wrong answer, keyed to the page of the latest official Study Guide-help coach students for the difficult exam. This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test, and the law behind it. Louisiana civil law notaries have unmatched functions, responsibilities, and opportunities-but the exam has a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content, and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right-and even less about why other good options aren't "best." This book fills that void with 130 questions and detailed clarifications, plus tactics illustrated by specific formats and options. Explanations are keyed in detail to the 2021 Study Guide (usable on any 2021 exam). Professor Childress, author of a bestselling supplemental book decoding the state study guide and teacher of Tulane's academic course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled-out lagniappe to available workbooks, or as a new tool for self-study, this book should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self-Study Sherpa Series from Quid Pro Books. By the author of the Sidepiece book: Questions and answers in four separate tests-plus detailed explanations for each right and wrong answer, keyed to the page of the official study guide-help coach students for the difficult exam. This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test, and notary law behind it. Louisiana civil law notaries have unmatched functions, responsibilities, and opportunities-but the exam has a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content, and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right-and even less about why other good options aren't "best." This book fills that void with 130 questions and detailed clarifications, plus tactics illustrated by specific formats and options. Explanations are keyed to the 2020 study guide (usable on the first 2021 exam) but will work fine when a new edition is released. Professor Childress, author of Louisiana Notary Exam Sidepiece to the 2020 Study Guide (a book decoding the state text) and teacher of Tulane's academic course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled-out lagniappe to available workbooks, or as a new tool for self-study, this book should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self-Study Sherpa Series from Quid Pro Books. About the Author Steven Alan Childress is a law professor at Tulane and teaches a notary law class for paralegal studies. He earned a JD from Harvard and a PhD from Berkeley; he also clerked in Shreveport for the federal court and practiced law in California. Alan is a practicing Louisiana notary public. He co-authored Federal Standards of Review, edited three volumes on the legal profession, and wrote Louisiana Notary Exam Sidepiece to the 2020 Study Guide. NEW EDITION FOR 2024! Updates and expands the previous edition, and is keyed to the current state study guide (2024). The Louisiana Notary Public exam is based on a 722-page study guide, Fundamentals of Louisiana Notarial Law and Practice. But the official book is famously difficult to read and organized in a complex way. Readers often need help — including classes and Facebook groups — just to unwind it. This book is, at last, directly aimed at simplifying and outlining the study guide itself. Such a resource offers a better chance of passing the notoriously challenging notary exam. Law school classes and bar exam prep have long given law students the advantage of complete outlines, nutshells, and bar review materials authored by experts in their subjects. It's time for this concept to be used for notary prep as well. Applying the tried-and-true outlining format successfully employed for bar review, experienced lawyer-notary Michele Childress offers this resource for aspiring Louisiana notaries — whether they're prepping by self-study or as part of organized coursework. A new addition — now in its third edition — to the Sherpa Series from Quid Pro Books, this book joins the Sidepiece and Sample Questions texts as affordable guidance in the journey to becoming a commissioned notary in our state. We are pleased to provide you with this Missouri Notary Public Handbook. We appreciate the responsibility that comes with being a notary in the State of Missouri, and know the work you do as a notary instills additional confidence in the documents that are vital to our state and economy. This handbook is provided in print and online to more than 60,000 notaries across the state, each of whom takes acknowledgements, administers oaths and affirmations, and certifies that copies of documents are true copies. The powers and responsibilities of a notary are described in the Missouri Revised Statutes Chapter 486. The provisions of this statute are included in this handbook for your convenience. In addition to the statutes, this resource provides general information related to your role as a notary, a glossary of important terms and copies of key application forms to assist you in the administration of your notary duties. This volume, intended for use by both attorneys and notaries, provides notary forms, complete with explanatory notes and statutory references. Also contained is a general index and a separate forms index. Louisiana civil law notaries enjoy functions, responsibilities, and earning potential unmatched in any other state - and reserved there to attorneys. Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize, including affidavits, donations, powers of attorney, and even wills and trusts. And so much more, with no educational requirement beyond high school - but a state exam that is famously challenging. The entire process to become a notary is difficult, and wrapped in some mystery. This book is helpful if you're in the beginning stages of becoming a notary public. Or just thinking about joining the profession. It's about the process of registering to be a notary, and why you'd want to. It's about the classes, resources, and options available to prep for the exam. It's not a study guide to the test's content itself. Other books do that, including the best-selling Sidepiece guide also by Prof. Childress of Tulane. But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying. Previously, no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam - or rules and tips you'd want to know right away about the exam process and its "open book." Website information can be unclear and incomplete, without disclosing the realities. This book is about "what I wish someone told me from Day One when I was considering becoming a notary in

Louisiana." Library-quality MASS MARKET HARDBACK VERSION now available in online bookstores. New edition in 2023-2024: a fully updated version of this much-read introduction to the office of Notary Public. Louisiana civil law notaries enjoy functions, responsibilities, and earning potential unmatched in any other state — and reserved there to attorneys. Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize, including affidavits, donations, powers of attorney, and even wills and trusts. And so much more, with no educational requirement beyond high school ... but a state exam that is famously challenging. The entire process to become a notary is difficult, and wrapped in some mystery. This book is helpful if you're in the beginning stages of becoming a notary public. Or just thinking about joining the profession. It's about the process of registering to be a notary, and why you'd want to. It's about the classes, books, resources, and options available to prep for the exam. It's not a study guide to the test's content itself. Other books do that, including the best-selling Sidepiece guide also by Prof. Childress of Tulane. But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying. Previously, no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam — or rules and tips you'd want to know right away about the exam process and its "open book." Website information can be unclear and incomplete, without disclosing the realities. This book is about "what I wish someone told me from Day One when I was considering becoming a notary in Louisiana." An affordable addition to the Self-Study Sherpa Series from Quid Pro Books. NEW 2024 EDITION of the best-selling notary prep guide to the challenging Louisiana exam. The Louisiana Notary Exam averages a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam-day tips, not enough cross-references . . . and few of the forms notaries use that they test. It's notoriously hard to follow. It doesn't explain most-tested subjects, past exams, or recent changes. It's got the law and notary rules, but it's missing essentials for any such textbook. The Sidepiece has all that-and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary, and is useful to experienced notaries for its expanded cross-references, complete index, and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index, of all things? Reminder: a 20% pass rate. Previous editions of this resource earned 200 5-star ratings and comments that it's "essential" and "invaluable" to passing the exam, whether or not you take a prep class too. Read the reviews to get the scope, coverage, and necessity of adding this book into your study program. "The author's tips on what to expect on test day were worth the cost of the book alone. Get. This. Book." As a senior law teacher and member of two state bars, Prof. Childress still needed to pass the Louisiana Notary Exam to practice as one. It's a challenging exam for everyone, yet he found in the 'Study Guide' lots of trees but little forest-and even less real guidance. Determined that current test-takers can do better with more real help, he wrote this book and geared the page numbers-including an index, cross-references, lists, and illustrated explanation of successions, community property, and authentic acts-to the latest edition of the state's official text, Fundamentals of Louisiana Notarial Law and Practice. "Designed to allow residents to navigate a unique legal system, this is the only book on Louisiana law written for laymen. Frequently asked questions and a glossary of terms are also included. From buying a home to writing a will to starting a business, Louisiana residents will save time, money, and worry with this do-it-yourself guide that incorporates essential information. Topics include: Why Louisiana law is different from that of the other forty-nine states ; Here you should file: federal court, district court, city court, small claims court, or justice of the peace court ; How to write a will, create a marriage contract, change your name, form a corporation, protect assets, recover a debt, recover a rent deposit, use the Lemon Law, fight for custody, settle a small estate, deal with a bankruptcy, protect yourself in a divorce, and more" --from the publisher.
