

19.1 Postwar America

Meeting Economic Challenges

President Truman's Inheritance

- **Harry S. Truman** can make difficult decisions, take responsibility

Truman Faces Strikes

- 1946, higher prices, lower wages lead 4.5 million to strike
- Truman seizes mines, threatens to take over railroads
- Threatens to draft workers; unions give in

“Had Enough?”

- Republicans win Senate, House; ignore Truman's domestic policy
- Congress passes Taft-Hartley Act, overturns many union rights

Chapter 19 Postwar America Answers

A Consumers' Republic Lizabeth Cohen, 2008-12-24 In this signal work of history Bancroft Prize winner and Pulitzer Prize finalist Lizabeth Cohen shows how the pursuit of prosperity after World War II fueled our pervasive consumer mentality and transformed American life Trumpeted as a means to promote the general welfare mass consumption quickly outgrew its economic objectives and became synonymous with patriotism social equality and the American Dream Material goods came to embody the promise of America and the power of consumers to purchase everything from vacuum cleaners to convertibles gave rise to the power of citizens to purchase political influence and effect social change Yet despite undeniable successes and unprecedented affluence mass consumption also fostered economic inequality and the fracturing of society along gender class and racial lines In charting the complex legacy of our Consumers Republic Lizabeth Cohen has written a bold encompassing and profoundly influential book

The Other America Michael Harrington, 1997-08 Examines the economic underworld of migrant farm workers the aged minority groups and other economically underprivileged groups

The Origins of Cool in Postwar America Joel Dinerstein, 2018-09-26 Cool It was a new word and a new way to be and in a single generation it became the supreme compliment of American culture The Origins of Cool in Postwar America uncovers the hidden history of this concept and its new set of codes that came to define a global attitude and style As Joel Dinerstein reveals in this dynamic book cool began as a stylish defiance of racism a challenge to suppressed sexuality a philosophy of individual rebellion and a youthful search for social change Through eye opening portraits of iconic figures Dinerstein illuminates the cultural connections and artistic innovations among Lester Young Humphrey Bogart Robert Mitchum Billie Holiday Frank Sinatra Jack Kerouac Albert Camus Marlon Brando and James Dean among others We eavesdrop on conversations among Jean Paul Sartre Simone de Beauvoir and Miles Davis and on a forgotten debate between Lorraine Hansberry and Norman Mailer over the white Negro and black cool We come to understand how the cool worlds of Beat writers and Method actors emerged from the intersections of film noir jazz and existentialism Out of this mix Dinerstein sketches nuanced definitions of cool that unite concepts from African American and Euro American culture the stylish stoicism of the ethical rebel loner the relaxed intensity of the improvising jazz musician the effortless physical grace of the Method actor To be cool is not to be hip and to be hot is definitely not to be cool This is the first work to trace the history of cool during the Cold War by exploring the intersections of film noir jazz existential literature Method acting blues and rock and roll Dinerstein reveals that they came together to create something completely new and that something is cool

A History of the Book in America David Paul Nord, Joan Shelley Rubin, Michael Schudson, David D. Hall, 2015-12-01 The fifth volume of A History of the Book in America addresses the economic social and cultural shifts affecting print culture from World War II to the present During this period factors such as the expansion of government the growth of higher education the climate of the Cold War globalization and the development of multimedia and digital technologies influenced the patterns of consolidation and diversification established earlier The thirty three contributors to the volume explore the evolution of the publishing industry and the business of bookselling The histories of government publishing law and policy the periodical press literary criticism and reading in settings such as schools libraries book clubs self help programs and collectors societies receive imaginative scrutiny as well The Enduring Book demonstrates that the corporate consolidations of the last half century have left space for the independent publisher that multiplicity continues to define American print culture and that even in the digital age the book endures Contributors David Abrahamson Northwestern University James L Baughman University of Wisconsin Madison Kenneth Cmiel d 2006 James Danky University of Wisconsin Madison Robert DeMaria Jr Vassar College Donald A Downs University of Wisconsin Madison Robert W Frase d 2003 Paul C Gutjahr Indiana University David D Hall Harvard Divinity School John B Hench American Antiquarian Society Patrick Henry New York City College of Technology Dan Lacy d 2001 Marshall Leaffer Indiana University Bruce Lewenstein Cornell University Elizabeth Long Rice University Beth Luey Arizona State University Tom McCarthy Beirut Lebanon Laura J Miller Brandeis University Priscilla Coit Murphy Chapel Hill N C David Paul Nord Indiana University Carol Polsgrove Indiana University David Reinking Clemson University Jane Rhodes Macalester College John V Richardson Jr University of California Los Angeles Joan Shelley Rubin University of Rochester Michael Schudson University of California San Diego and Columbia University Linda Scott University of Oxford Dan Simon Seven Stories Press Ilan Stavans Amherst College Harvey M Teres Syracuse University John B Thompson University of Cambridge Trysh Travis University of Florida Jonathan Zimmerman New York University

Is This Tomorrow ,2016 Originally published in the midst of the cold war Is This Tomorrow is a classic example of red scare propaganda The story envisions a scenario in which the Soviet Union orders American communists to overthrow the US Government Charles Schulz contributed to the artwork throughout the issue Reprinted here for the first time in 70 years

The GI Bill Glenn Altschuler, Stuart Blumin, 2009-06-02 On rare occasions in American history Congress enacts a measure so astute so far reaching so revolutionary it enters the language as a metaphor The Marshall Plan comes to mind as does the Civil Rights Act But perhaps none resonates in the American imagination like the G I Bill In a brilliant addition to Oxford s acclaimed Pivotal Moments in American History series historians Glenn C Altschuler and Stuart M Blumin offer a compelling and often surprising account of the G I Bill and its sweeping and decisive impact on American life Formally known as the Serviceman s Readjustment Act of 1944 it was far from an obvious straightforward piece of legislation but resulted from tense political maneuvering and complex negotiations As Altschuler and Blumin show an unlikely coalition emerged to shape and pass the bill bringing together both New Deal Democrats and conservatives who had vehemently opposed Roosevelt s social welfare agenda For the first time in American history returning soldiers were not only supported but enabled to pursue success a revolution in America s policy towards its veterans Once enacted the G I Bill had far reaching consequences By providing job training unemployment compensation housing loans and tuition assistance it allowed millions of Americans to fulfill long held dreams of social mobility reshaping the national landscape The huge influx of veterans and federal money transformed the modern university and the surge in single home ownership vastly expanded America s suburbs Perhaps most important as Peter Drucker noted the G I Bill signaled the shift to the knowledge society The authors highlight unusual or unexpected features of the law its color blindness the frankly sexist thinking behind it and its consequent influence on race and gender relations Not least important Altschuler and Blumin illuminate its role in individual lives whose stories they weave into this thoughtful account Written with insight and narrative verve by two leading historians The G I Bill makes a major contribution to the scholarship of postwar America

Mastering a New Role National Academy of Engineering, Committee on Technology Policy Options in a Global Economy, 1993-02-01 This book examines the changing character of commercial technology development and diffusion in an integrated global economy and its implications for U S public policies in support of technological innovation The volume considers the history current practice and future prospects for national policies to encourage economic development through both direct and indirect government support of technological advance

Guide to U.S. Foreign Policy Robert J. McMahon, Thomas W. Zeiler, 2012-08-02 At no time in American history has an understanding of the role and the art of diplomacy in international relations been more essential than it is today Both the history of U S diplomatic relations and the current U S foreign policy in the twenty first century are major topics of study and interest across the nation and around the world Spanning the entire history of American diplomacy from the First Continental Congress to the war on terrorism to the foreign policy goals of the twenty first century Guide to U S Foreign Policy traces not only the growth and development of diplomatic policies and traditions but also the shifts in public opinion that shape diplomatic trends This comprehensive two volume reference shows how the United States gained the strength of a giant and also analyzes key world events that have determined the United States changing relations with other nations The two volumes structure makes the key concepts and issues accessible to researchers The set is broken up into seven parts that feature 40 topical and historical chapters in which expert writers cover the diplomatic initiatives of the United States from colonial times through the present day Volume II s appendix showcases an A to Z handbook of diplomatic terms and concepts organizations events and issues in American foreign policy The appendix also includes a master bibliography and a list of presidents secretaries of state war and defense and national security advisers and their terms of service This unique reference highlights the changes in U S diplomatic policy as government administrations and world events influenced national decisions Topics include imperialism economic diplomacy environmental diplomacy foreign aid wartime negotiations presidential influence NATO and its role in the twenty first century and the response to terrorism Additional featured topics include the influence of the American two party system the impact of U S elections and the role of the United States in international organizations Guide to U S Foreign Policy is the first comprehensive reference work in this field that is both historical and thematic This work is of immense value for researchers students and others studying foreign policy international relations and U S history ABOUT THE EDITORS Robert J McMahon is the Ralph D Mershon Professor of History in the Mershon Center for International Security Studies at The Ohio State University He is a leading historian of American diplomatic history and is author of several books on U S foreign relations Thomas W Zeiler is professor of history and international affairs at the University of Colorado at Boulder and is the executive editor of the journal Diplomatic History

How States Shaped Postwar America Nicholas Dagen Bloom, 2019-04-15 The history of public policy in postwar America tends to fixate on developments at the national level overlooking the crucial work done by individual states in the 1960s and 70s In this book Nicholas Dagen Bloom demonstrates the significant and enduring impact of activist states in five areas urban planning and redevelopment mass transit and highways higher education subsidized housing and the environment Bloom centers his story on the example set by New York governor Nelson Rockefeller whose aggressive initiatives on the pressing issues in that period inspired others and led to the establishment of long lived state polices in an age of decreasing federal power Metropolitan areas for both better and worse changed and operated differently because of sustained state action How States Shaped Postwar America uncovers the scope of this largely untold story

The Organization Man William H. Whyte, 2013-05-31 Regarded as one of the most important sociological and business commentaries of modern times The Organization Man developed the first thorough description of the impact of mass organization on American society During the height of the Eisenhower administration corporations appeared to provide a blissful answer to postwar life with the marketing of new technologies television affordable cars space travel fast food and lifestyles such as carefully planned suburban communities centered around the nuclear family William H Whyte found this phenomenon alarming As an editor for Fortune magazine Whyte was well placed to observe corporate America it became clear to him that the American belief in the perfectibility of society was shifting from one of individual initiative to one that could be achieved at the expense of the individual With its clear analysis of contemporary working and living arrangements The Organization Man rapidly achieved bestseller status Since the time of the book's original publication the American workplace has undergone massive changes In the 1990s the rule of large corporations seemed less relevant as small entrepreneurs made fortunes from new technologies in the process bucking old corporate trends In fact this new economy appeared to have doomed Whyte's original analysis as an artifact from a bygone day But the recent collapse of so many startup businesses gigantic mergers of international conglomerates and the reality of economic globalization make The Organization Man all the more essential as background for understanding today's global market This edition contains a new foreword by noted journalist and author Joseph Nocera In an afterword Jenny Bell Whyte describes how The Organization Man was written

The Americans ,2005

Knowledge Regulation and National Security in Postwar America Mario Daniels, John Krige, 2022-04-25 The first historical study of export control regulations as a tool for the sharing and withholding of knowledge In this groundbreaking book Mario Daniels and John Krige set out to show the enormous political relevance that export control regulations have had for American debates about national security foreign policy and trade policy since 1945 Indeed they argue that from the 1940s to today the issue of how to control the transnational movement of information has been central to the thinking and actions of the guardians of the American national security state The expansion of control over knowledge and know how is apparent from the increasingly systematic inclusion of universities and research institutions into a system that in the 1950s and 1960s mainly targeted business activities As this book vividly reveals classification was not the only and not even the most important regulatory instrument that came into being in the postwar era

The First Measured Century Theodore Caplow, Louis Hicks, Ben J. Wattenberg, 2001 Companion v to the PBS television documentary The first measured century Includes bibliographical references p 279 296 and index

Postwar Tony Judt, 2006-09-05 Finalist for the Pulitzer Prize Winner of the Council on Foreign Relations Arthur Ross Book Award One of the New York Times Ten Best Books of the Year Impressive Mr Judt writes with enormous authority The Wall Street Journal Magisterial It is without a doubt the most comprehensive authoritative and yes readable postwar history The Boston Globe Almost a decade in the making this much anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement Postwar is the first modern history that covers all of Europe both east and west drawing on research in six languages to sweep readers through thirty four nations and sixty years of political and cultural change all in one integrated enthralling narrative Both intellectually ambitious and compelling to read thrilling in its scope and delightful in its small details Postwar is a rare joy Judt's book III Fares the Land republished in 2021 featuring a new preface by bestselling author of Between the World and Me and The Water Dancer Ta Nehisi Coates

Industrial Mobilization Plan United States. Joint Army and Navy Munitions Board,1933

A People and a Nation Study Guide Norton,2000-08 Provides supplementary instruction and increases students chances for academic success by helping them get the most out of their textbooks

In the Name of National Security Robert J. Corber,1993-10-20 In the Name of National Security exposes the ways in which the films of Alfred Hitchcock in conjunction with liberal intellectuals and political figures of the 1950s fostered homophobia so as to politicize issues of gender in the United States As Corber shows throughout the 1950s a cast of mind known as the Cold War consensus prevailed in the United States Promoted by Cold War liberals that is liberals who wanted to perserve the legacies of the New Deal but also wished to separate liberalism from a Communist dominated cultural politics this consensus was grounded in the perceived threat that Communists lesbians and homosexuals posed to national security Through an analysis of the films of Alfred Hitchcock combined with new research on the historical context in which these films were produced Corber shows how Cold War liberals tried to contain the increasing heterogeneity of American society by linking questions of gender and sexual identity directly to issues of national security a strategic move that the films of Hitchcock both legitimated and at times undermined Drawing on psychoanalytic and Marxist theory Corber looks at such films as Rear Window Strangers on a Train and Psycho to show how Hitchcock manipulated viewers attachments and identifications to foster and reinforce the relationship between homophobia and national security issues A revisionary account of Hitchcock s major works In the Name of National Security is also of great interest for what it reveals about the construction of political reality in American history

Stress in Post-War Britain, 1945-85 Mark Jackson,2016-12-05 In the years following World War II the health and well being of the nation was of primary concern to the British government The essays in this collection examine the relationship between health and stress in post war Britain through a series of carefully connected case studies

The American Civil War Christopher J. Olsen,2007-04-15 Succinct with a brace of original documents following each chapter Christopher J Olsen s The American Civil War is the ideal introduction to American history s most famous and infamous chapter Covering events from 1850 and the mounting political pressures to split the Union into opposing sections through the four years of bloodshed and waning Confederate fortunes to Lincoln s assassination and the advent of Reconstruction The American Civil War covers the entire sectional conflict and at every juncture emphasizes the decisions and circumstances large and small that determined the course of events

Chapter 19 Postwar America Answers Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Chapter 19 Postwar America Answers PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Chapter 19 Postwar America Answers PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Chapter 19 Postwar America Answers free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Chapter 19 Postwar America Answers Books

1. Where can I buy Chapter 19 Postwar America Answers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
