Debt Nina G Jones

Debt Nina G. Jones, 2014-12-24 I don't know what I was thinking when I hired someone to attack me Maybe I was bored or lonely or there was a void so deep inside of me that I needed something explosive to fill it It was supposed to be safe A thrill A way to break through the monotony of everyday life It was an illusion of danger that I could walk away from as soon as it was over Except that it wasn't Because I had been in danger long before I ever invited it into my life My mission is almost complete The bubbling boil of vengeance that heats my blood might finally simmer She is the last piece of the puzzle Once I destroy her everyone who ever hurt me will have paid their debt It was supposed to be quick and easy but as soon as I met her it got complicated Very complicated Publisher's description *Take Me with You* Nina G. Jones, 2016-10-18 I watch I study I prowl I hunt I always go in with a plan A set of rules for myself I don't take unnecessary risks That's how I've been able to evade capture all these years But there's something about this girl that is different than the others When I finally meet her the rules become a blur And I break the most important one of all I take her with me It's just my imagination that feeling of being watched That those icy eyes a vivid turquoise with a distinct golden fleck aren't watching me It's just stress I am the person everyone relies on Maybe that's why I haven't been feeling so content with my life lately Why I dream those eyes belong to someone who can tear me away from all of my responsibilities But these are just shameful fantasies never meant to breach reality Then one night the dream comes true only it's a horrific nightmare Now I only have one task survival 124k words Trigger warning If you need one this is really not the book for you Swelter Nina G. Jones, 2015-10-01 I married the right brother At least that's what I tell myself at night when I stare at the ceiling and listen to the rhythm of the grandfather clock down the hall It never feels like the mere passage of time but a countdown towards something inevitable Bobby Lightly is selfish irresponsible and careless I haven't seen him since the day I married his brother He slipped out during the wedding reception without a word A year later I heard Bobby was drafted to Korea He never said goodbye Never sent a letter We had all come to terms with the fact that he was probably dead somewhere either a victim of the war or its aftermath That is until in the midst of an unrelenting heatwave he showed up at the doorstep of the house I lived in with his brother Everyone thinks I'm cruel Everyone thinks I should be easy on him They think I don't understand him They all think I hate him But what no one understands is that it was Bobby who broke my heart And I think he's back to do it again
