True Grunt* Sep 16 2022 True Grunt is not about a Vietnam battle or a Vietnam journal/ memoir. It is a response to seeing short "Vietnam War 50 years later videos" on TV. These videos show two sides of the infantry in Vietnam. One side depicts the infantry fighting heroically and the other depicts the infantry committing some kind of atrocity. I served on the front lines with the infantry/grunt in 1970-1971. With many grandchildren, I don't want this mixed message to be my legacy. In those years, the infantry especially became the most maligned soldiers in our country's history. We were known as the baby killers and monsters of Vietnam. Those names continue to haunt us today. By seeing and experiencing my life as infantry-"grunt"-at that time, I hope the reader of True Grunt sees the infantry as moral men of intelligence and courage. They fought in some of the worst conditions of war. It is also a story of hope as one Vietnam Veteran regains his life, overcomes personal tragedies, and even disease from Agent Orange. It's time to project "50 years later videos" with just one message. Thousands of Vietnam grunts like myself were true to ourselves, our morals and our country. We won a great Victory in Vietnam. No asterisk needed.

Peter Is Just a Baby May 25 2023 A big sister relates some of her accomplishments, which her baby brother is far from able to do.

My Brother's Book Jun 25 2023 Fifty years after Where the Wild Things Are was published comes the last book Maurice Sendak completed before his death in May 2012, My Brother's Book. With influences from Shakespeare and William Blake, Sendak pays homage to his late brother, Jack, whom he credited for his passion for writing and drawing. Pairing Sendak's poignant poetry with his exquisite and dramatic artwork, this book redefines what mature readers expect from Maurice Sendak while continuing the lasting legacy he created over his long, illustrious career. Sendak's tribute to his brother is an expression of both grief and love and will resonate with his lifelong fans who may have read his children's books and will be ecstatic to discover something for them now. Pulitzer Prize-winning literary critic and Shakespearean scholar Stephen Greenblatt contributes a moving introduction.

The Looking Glass Brother Mar 23 2023 The fascinating true story of von Ziegesar's life of privilege mirrored by that of his half-brother of the same name, a homeless schizophrenic man and former violin prodigy. Woven through this remarkable memoir are memories of Peter's father, his experience of fatherhood, luxurious scenes from Peacock Point and the care he now gives to Little Peter.

My Brother Peter May 05 2024 My brother Peter was eleven years older than I, so my memories of his school years are limited. One particular, even humorous event, was when he played on the Perth Amboy football team. He was running for a touchdown when his uniform pants began to fall. As he was losing his pants he continued to run, scoring the TD but falling over his pants and breaking his nose - a second time! I remember my brother as being a gentle, loving person. He loved listening to music on the radio. His favorite song was "I'll be Seeing You." Whenever he heard that song he would stop whatever he was doing just to listen. Until this day, whenever I hear this song, I always say, "That's Pete's favorite song." He loved airplanes and had several models hanging by strings from the ceiling in his room. He called me "Giggy" and would read to me while I sat on his lap in the living room. One of the chairs had large padded arms with a round wooden front. He would straddle the arm as if sitting on a horse and beat the wooden part like a drum to the rhythm of the music. I recall the day he left for the Army. He wore a suit and carried a small duffel bag. I saw him one more time after that when he came home on leave. We went to the beach in Perth Amboy known as "Free Beach" and took pictures of him in uniform. While these memories are few, I treasure them to this day.

Always My Brother Sep 28 2023 Becky and her brother John were best buddies, telling jokes, caring for their dog Toby, and playing soccer. John was always there to cheer her up and help her out until he died. Becky wishes everything could go back to the way it was. When she is surprised and feels guilty about enjoying a friend's birthday party, her mom wraps reassuring arms around her and says, "Don't you think he'd want you to laugh, even now?" She gradually realizes that she can still enjoy the things that they used to do together and that the memories of John continue to make him part of their family. Always My Brother is a sensitive, realistic story about the process of grief, acceptance, and recovery. Phyllis Pollema-Cahill's lovely illustrations bring readers right into the heart of Becky's family as they struggle to move forward. "In a better world, no child would need a book about the death of her brother. But here is a tender, even joyful book about such a tragic event. And the last line had me sobbing." -Jane Yolen, author of Owl Moon and Grandad Bill's Song "Always My Brother is a poignant book written to help families and friends dealing with grief arising from the death of a child. It is a direct and touching story that sensitively addresses this complex topic, a loss that should not be." -Louis Borgenicht, M.D., pediatrician, writer, and coauthor of The Baby Owner's Manual

Good, Brother Aug 28 2023 Fiction. Illustrated by Derek White. "In this spare and simple novel, Markus shapes and reshapes river and mud into a protean world perpetually reasserting itself through rituals that are at once down-home and arcane. There is a whole mythology here, generated privately between two brothers engaged in an always childlike (and for that reason all the more serious) task of creation"--Brian Evenson. "Very little occurs in a Peter Markus story that does not involve a fish, mud, a brother, and, usually, a concluding act of brutality. Markus's language is primal, even primitive, but his sentence structure is among the most perplexing and, ultimately, fascinating I have ever encountered. Markus serves up sentence after sentence of startling musicality. These aren't stories in any traditional sense; they are works of a prose stylist with the ear of a poet"--Peter Connors.

My Brother Ben Apr 04 2024 A timeless story of brothers, boats and birds, from an award-winning storyteller. Luke and his big brother Ben spend the summer on the banks of Cabbage Tree Creek. Quiet Luke sketches birds, while Ben leaps off the Jumping Tree. The boys couldn't be more different but they share the same dream: winning a boat so they can explore the creek properly. Then Ben starts high school and the boys drift apart. When Luke catches Ben sneaking out at night, he knows his brother's up to something, but what? A timeless story of birds and boats, and of brotherly love that is bigger than a wedge-tailed eagle, bigger than the sky.

The ... Volume of the Walpole Society Oct 06 2021

My Brother Ben Jul 27 2023 A stirringly beautiful, heart-warming story of brotherly love and growing up, from the award-winning author of The Elephant "There should be more books like this: gentle books that draw us slowly in and make us want to linger, books fashioned with kindness and family at their heart" Glenda Millard, author of The Naming of Tishin Silk Even on the dark days, birds still sing Luke and his big brother Ben spend the summer on the banks of Cabbage Tree Creek. Quiet Luke sketches birds, while Ben leaps off the Jumping Tree. The boys couldn't be more different, but they share a special bond. When a local competition to win a boat is announced, the brothers spring into action, dreaming of exploring the creek together. But then Ben starts high school, bringing unfamiliar changes into their lives. Slowly, the boys start to drift apart as the contest approaches. Can their unique friendship survive?

The New Bungalow Kitchen Apr 23 2023 The American love affair with the Bungalow continues. And in this most adored housing style, it is the kitchen that homeowners must most often restore, renovate, or remodel. But no one wants an authentic Bungalow kitchen, which was a rustic space that usually featured just a stove, a hoosier, and a sink. While there are books that describe the authentic Bungalow kitchen, there are few that show readers how to update a Bungalow to handle today's lifestyle needs and personal preferences. Happily, manufacturers today understand the demand, and there are many material and appliance options for homeowners--and the designers they hire--to bring contemporary convenience and beauty to an updated or new Bungalow kitchen. The New Bungalow Kitchen not only provides wonderful historical nuggets about Bungalow kitchens, it offers a plethora of ideas about how to create a tastefully restored or remodeled kitchen, or build new within the style.

The Book for My Brother Jan 21 2023 Comes back to remind us of the laws and experiences of childhood-"Once again you are let loose in the sea" only after five o'clock in the afternoon to take "a dose of sunlight like the ticking of the clock." At once daring and clear-voiced, The Book for My Brother is an extraordinary achievement.

Peter in Early Christianity Jan 09 2022 After playing second fiddle to the apostle Paul for a long, long time, Peter has received increased scholarly attention of late. This book builds on the recent resurgence of interest in the apostle Peter. Nineteen internationally prominent scholars of early Christian history here examine and reassess the historical Peter and his significance in Christian texts from the first three centuries. Giving due attention to archaeological data and recent scholarship, the contributors offer a comprehensive view of Peter through analysis of both New Testament texts and later, noncanonical literature. Markus Bockmuehl concludes the volume by considering present-day questions about the role of Peter, popes, and church leadership.

[My Brother the Pope](#) Apr 11 2022 Be sure to check out the for more information. It wasn't always the case that Msgr. Georg Ratzinger lived in the shadow of his younger brother, Joseph. Georg was an accomplished musician, who for over 30 years directed the Regensburger Domspatzenchor, the world-famous boys choir of the Regensburg cathedral. Brother Joseph was a brilliant young professor, but mostly known in German academic circles. Now Georg writes about the close friendship that has united these two brothers for more than 80 years. This book is a unique window on an extraordinary family that lived through the difficult period of National Socialism in Germany. Those interested in knowing more about the early life of Benedict XVI will not be disappointed. They will also learn of the admirable character and inspiring example of the parents, and see how the Catholic faith can shape not just a family, but an entire culture—in this case, that of Bavaria. Georg's reminiscences are detailed, intimate, and warm. And while they begin with the earliest years of the Ratzinger family, they continue right up to the present day. This is not simply a book to satisfy curiosity about a "celebrity", though it certainly does that. It's a beautiful portrait of Catholic family life and, in the most literal sense, of enduring fraternal charity. Georg has a talent for telling a story, and the co-author fills in some of the larger historical background. The many photographs, both in black and white and in color, round out a thoroughly enjoyable and inspirational book. Illustrated with 47 photographs.

[My Brother Peter](#) Jun 06 2024 In 1968, nineteen-year-old Peter David Berger was found with a knife in his heart, dead in the bedroom of a friend's house in Montreal. The police dismissed him as a hippie and his death was ruled an LSD-induced suicide. Nomi Berger was twenty-three when her brother died, and she spent the next twenty-seven years running from his ghost and attempting to exorcise it through her poetry and fiction. Then, in 1995, she suddenly stopped running and decided to re-open her past's deepest, unhealed wound. She set out to uncover the truth about her brother -- and about herself. [My Brother Peter](#) is the story of Nomi Berger's Journey to reclaim the brother she lost, and to purge herself of her own, powerful guilt. This book will shock the reader, and tear at the heart, for it is an exquisitely poignant testament to love, obsession and liberation, and a cautionary tale as well, a look back at the sixties, when so many of a generation's best and brightest lost their way in the Garden.

Big Brother Peter Feb 02 2024 Peter Rabbit is used to being an only bunny, so he gets quite a surprise when not one, not two, but three baby rabbits join the family! Set in Beatrix Potter's animal world, this story deals with all the experiences and emotions of having a new brother or sister. At first, Peter isn't sure how he feels about his new siblings. Mrs. Rabbit has thought of names for two of them: Flopsy and Mopsy—but it's Peter who gets to choose the third one! That's a big job for a small bunny. These gentle, reassuring board books deal with relatable early-life experiences with familiar and lovable characters everybunny is sure to relate to.
