My Faire Lady Laura Wettersten, 2014-06-03 When a cheating boyfriend leads to an unexpected summer job Rowena discovers that the best way to let go of the past might be to dive right into it Verily this is fine fare Kirkus Reviews Rowena Duncan is a thoroughly modern girl with big plans for her summer working at the mall with her best friends taking trips to the Cape date nights on the beach until she catches her boyfriend making out with another girl Heartbroken she applies to an out of town job posting and finds herself somewhere she never expected the Renaissance Faire As a face painter doubling as a serving wench Ro is thrown headfirst into a vibrant community of artists and performers She feels like a fish out of water until Will a quick witted whip cracker takes her under his wing Then there s Christian a blue eyed stunt jousting who makes Ro weak in the knees Soon it s not just her gown that s tripping her up Trading in the Internet and electricity for stars and campfires was supposed to make life simpler but Ro is finding that love is the ultimate complication Can she let the past make way for her future An engaging lighthearted romance with a Renaissance faire twist will appeal to fans of Sarah Dessen Booklist

My Faire Lady Laura Wettersten, 2014-06-03 After breaking up with her boyfriend seventeen year old Rowena takes an out of town summer job at a Renaissance fair but romantic entanglements soon follow **Past Perfect** Leila Sales, 2012-05 Sixteen year old Chelsea knows what to expect when she returns for a summer of historical reenactment at Colonial Essex Village until she learns that her ex boyfriend is working there too and then meets the very attractive Dan who works at a rival historical village **Perfect Ten** L. Philips, 2017 Sam Raines performs a love spell with his Wiccan best friend after breaking up with the only other gay guy at school and finds himself pursued by three seemingly perfect suitors

Sometime After Midnight L. Philips, 2018-08-07 Nick and Norah s Infinite Playlist meets Cinderella in this thoroughly modern romance HelloGiggles Late one night in a dingy Los Angeles club Nate and Cameron meet and discover they have much more in common than their love of an obscure indie band But when Nate learns that Cameron is the heir to a soul sucking record label the very one that destroyed his father s life he runs away as fast as he can The only evidence of their brief but intense connection is the blurry photo Cameron snaps of Nate s Sharpied Chuck Taylors When Cameron s sister Tess a famous model and socialite posts the photo on Instagram for her legions of fans the internet just about breaks with the news of this modern fairy tale Anyone know the owner of these shoes she writes My Prince Charming brother is looking for his Cinderella But while the viral sensation begins to bring the pair back together their own demons and pasts might get in the way of any happily ever afters *Slept Away* Julie Kraut, 2009-05-26 Laney Parker is a city girl through and through For her summertime means stepping out of her itchy gray school uniform and into a season of tanning at rooftop swimming pools brunching at sidewalk cafes and as soon as the parents leave for the Hamptons partying at her classmates apartments But this summer Laney s mother has other plans for Laney It s called Camp Timber Trails and rustic doesn t even begin to

describe the un air conditioned log cabin nightmare Laney is way out of her element the in crowd is anything but cool popularity seems to be determined by swimming skills and the activities seem more like boot camp than summer camp Splattered with tie dye fall out stripped of her cell and going through Diet Coke withdrawal Laney is barely hanging on Being declared the biggest loser of the bunk is one thing but when she realizes her summer crush is untouchably uncrushable in the real world she starts to wonder can camp cool possibly translate to cool cool Summer camp might just turn this city girl s world upside down *How I Paid for College* Marc Acito,2004-09-07 A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager s larcenous quest for his acting school tuition It s 1983 in Wallingford New Jersey a sleepy bedroom community outside of Manhattan Seventeen year old Edward Zanni a feckless Ferris Bueller type is Peter Panning his way through a carefree summer of magic and mischief The fun comes to a halt however when Edward s father remarries and refuses to pay for Edward to study acting at Juilliard Edward s truly in a bind He s ineligible for scholarships because his father earns too much He s unable to contact his mother because she s somewhere in Peru trying to commune with Incan spirits And as a sure sign he s destined for a life in the arts Edward s incapable of holding down a job So he turns to his loyal but immoral misfit friends to help him steal the tuition money from his father all the while practicing for his high school performance of Grease Disguising themselves as nuns and priests they merrily scheme their way through embezzlement money laundering identity theft forgery and blackmail But along the way Edward also learns the value of friendship hard work and how you re not really a man until you can beat up your father metaphorically that is *How I Paid for College* is a farcical coming of age story that combines the first person tone of David Sedaris with the byzantine plot twists of Armistead Maupin It is a novel for anyone who has ever had a dream or a scheme and it marks the introduction to an original and audacious talent **Career Development and Counseling** Steven D. Brown,Robert W. Lent,2012-06-29

Foundations of Pragmatics Wolfram Bublitz, Neal R. Norrick, 2011 Opening the 9 volume series Handbooks of Pragmatics this handbook provides a comprehensive overview of the foundations of pragmatics It covers the central theories as well as concepts and topics characteristic of mainstream pragmatics i e the most widespread approach to the ways and means of using language in authentic social contexts The articles provide both state of the art reviews and critical evaluations of research in pragmatics Topics are thus not only considered within their scholarly context but are also critically evaluated from current perspectives

Humanistic Psychology Joseph Royce, 2012-12-06 THE FORMATIVE TENDENCY I have often pointed out that in my work with individuals in therapy and in my experience in encounter groups I have been led to the conviction that human nature is essentially constructive When in a therapeutic climate which can be objectively defined a person becomes sharply aware of more of his or her internal experiencing and of the stimuli and demands from the external world thus acquiring a full range of options the person tends to move in the direction of becoming a socially constructive organism But many are critical of this point of view Why should such a positive direction be observed only in humans Isn't this just pure optimism So quite hesitantly because I have to draw on the work and thinking of others rather than on my own experience I should like to try to set this directional tendency in a much broader context I shall draw on my general reading in the field of science but I should like to mention a special indebtedness to the work of Lancelot Whyte in *The Universe of Experience* Harper and Row 1974 the last book he wrote before his death Though the book has flaws in my judgment this historian has some thought provoking themes to advance I have learned from many others as well

The Curse That Binds Us Katie Hayoz, 2021-12-15 Some curses can't be outrun The secret to Redd's past is locked away in a 400 year old box that mysteriously appears every year on her birthday For her entire life her mother has kept them running from whatever lurks inside it But Redd's had enough of not knowing who she is So when the box shows up where only she can find it she opens it and awakens a link to the evil her mother fought to keep dormant John lives in an old fashioned village a place of exquisite beauty and abundance But such splendor demands that the villagers commit unspeakable acts When the link with Redd is unlocked the village council believes they have a solution to simplify their darkest task John is sent to find the one girl who could possibly save them if she makes the ultimate sacrifice Eleanor sets off from England to America in 1587 pregnant and desperate to leave her ties with the devil behind But when the captain of the ship refuses to take her and the other settlers further than Roanoke Island what should be the beginning of a better life turns into a horrendous struggle to survive Eleanor's desire to see her daughter live at any cost will curse her and everyone around her for centuries to come Redd John and Eleanor's stories meld together in a mashup of dark urban and historical fantasy delving into the nuances of good and evil the price of loyalty and the extremes we will go to for those we love
