My Vast Fortune Andrew Tobias, 2011-10-12 This book will make you rich Filthy stinking rich You will never need to work again You will spend the rest of your life on the Riviera sipping pi a coladas and listening to Sinatra And even if this doesn't happen Andrew Tobias will provide you with such a wealth of wit that you will retire with a vast fortune of laughter Christopher Buckley author of Wry Martinis As Newsweek put it Andrew Tobias remains the funniest of the financial writers Forbes identified him as one of the financial community's most pithily perceptive observers In **My Vast Fortune** the bestselling author of The Only Investment Guide You'll Ever Need tells the amusing and illuminating story of how he amassed dizzying wealth Then he describes the unusual ways he's put it to work Among his more famous money adventures are His personal campaign against smoking in Russia which began when he spotted an opportunity to buy cheap TV airtime for commercials Excuse my pronunciation he told ninety million Russians night after night but I have something important to tell you His decision to buy real estate in Miami over the phone without ever seeing it For the price of a swank two bedroom apartment in New York Tobias realized he could buy most of a neighborhood so he did Oops The tragicomic story of liberal as slumlord His crusade to fix the auto insurance mess which pitted him against of all people his onetime hero Ralph Nader After spending 250 000 of his vast fortune on a referendum in California where he has never lived Tobias came to two conclusions 1 Each of us has a calling and though appallingly boring auto insurance seemed more and more to be mine and 2 Ralph Nader is a big fat idiot Finally Tobias addresses your vast fortune and offers his wisest tips on how to make it and how to spend it Witty and compassionate Andrew Tobias is a plutocrat for the nineties a capitalist with a heart If you enjoyed The Only Investment Guide You'll Ever Need you'll love **My Vast Fortune** The Dumb Things Smart

People Do with Their Money Jill Schlesinger, 2020-02-04 You're smart So don't be dumb about money Pinpoint your biggest money blind spots and take control of your finances with these tools from CBS News Business Analyst and host of the nationally syndicated radio show Jill on Money Jill Schlesinger A must read This straightforward and pleasingly opinionated book may persuade more of us to think about financial planning Financial Times Hey you you saw the title You get the deal You're smart You've made a few dollars You've done what the financial books and websites tell you to do So why isn't it working Maybe emotions and expectations are getting in the way of good sense or you're paying attention to the wrong people If you've started counting your lattes for god's sake just stop Read this book instead After decades of working as a Wall Street trader investment adviser and money expert for CBS News Jill Schlesinger reveals thirteen costly mistakes you may be making right now with your money Drawing on personal stories and a hefty dose of humor Schlesinger argues that even the brightest people can behave like financial dumb asses because of emotional blind spots So if you've saved for college for your kids before saving for retirement or you've avoided drafting a will this is the book for you By following Schlesinger's rules about retirement college financing insurance real estate and more you can save money and avoid countless sleepless nights It could be the smartest investment you make all year Praise for *The Dumb Things Smart People Do with Their Money* Common sense is not always common especially when it comes to managing your money Consider Jill Schlesinger's book your guide to all the things you should know about money but were never taught After reading it you'll be smarter wiser and maybe even wealthier Chris Guillebeau author of *Side Hustle* and *The 100 Startup* A must read whether you're digging yourself out of a financial hole or stacking up savings for the future *The Dumb Things Smart People Do with Their Money* is a personal finance gold mine loaded with smart financial nuggets delivered in Schlesinger's straight talking judgment free style Beth Kobliner author of *Make Your Kid a Money Genius Even If You're Not* and *Get a Financial Life*

The Only Other Investment Guide You'll Ever Need Andrew P. Tobias, 1987 Updated with a new introduction on the recent tax law changes this is a comprehensive guide for investors at all income levels written in the witty irreverent and highly readable bestselling Tobias style *The Only Other Investment Guide You'll Ever Need* Andrew Tobias, 1989-02

Money Angles Andrew P. Tobias, 1984 **The Investment Answer** Gordon Murray, Daniel C. Goldie, 2011-01-12 What if there were a way to cut through all the financial mumbo jumbo Wouldn't it be great if someone could really explain to us in plain and simple English the basics we must know about investing in order to insure our financial freedom At last here's good news Jargon free and written for all investors experienced beginner and everyone in between *The Investment Answer* distills the process into just five decisions five straightforward choices that can lead to safe and sound ways to manage your money When Wall Street veteran Gordon Murray told his good friend and financial advisor Dan Goldie that he had only six months to live Dan responded Do you want to write that book you've always wanted to do The result is this eminently valuable primer which can be read and understood in one sitting and has advice that benefits you not Wall Street and the rest of the

traditional financial services industry The Investment Answer asks readers to make five basic but key decisions to stack the investment odds in their favor The advice is simple easy to follow and effective and can lead to a more profitable portfolio for every investor Specifically Should I invest on my own or seek help from an investment professional How should I allocate my investments among stocks bonds and cash Which specific asset classes within these broad categories should I include in my portfolio Should I take an actively managed approach to investing or follow a passive alternative When should I sell assets and when should I buy more In a world of fast talking traders who believe that they can game the system and a market characterized by instability this extraordinary and timely book offers guidance every investor should have **The Best Little Boy in the World** Andrew Tobias, John Reid, 1993-05-11 The classic account of growing up gay in America The best little boy in the world never had wet dreams or masturbated he always topped his class honored mom and dad deferred to elders and excelled in sports The best little boy in the world was the model IBM exec The best little boy in the world was a closet case who never read anything about homosexuality John Reid comes out slowly hilariously brilliantly One reads this utterly honest account with the shock of recognition The New York Times The quality of this book is fantastic because it comes of equal parts honesty and logic and humor It is far from being the story of a Gay crusader nor is it the story of a closet queen It is the story of a normal boy growing into maturity without managing to get raped into or taunted because of his homosexuality He is bright enough to be aware of his hangups and the reasons for them And he writes well enough that he doesn't resort to sensationalism San Francisco Bay Area Reporter **Common Sense** Joel Greenblatt, 2020-09-08 The United States is supposed to offer economic opportunity to everyone It shouldn't take a worldwide pandemic and nationwide protests to bring economic and racial inequality to the forefront of problems we desperately need to solve But now that the opportunity is here what should we do How can we create more equality opportunity and growth for everyone Not someday but what can government and the private sector do right now to disrupt a status quo that almost everyone wants to change In **Common Sense** the New York Times best selling author Joel Greenblatt offers an investor's perspective on building an economy that truly works for everyone With dry wit and engaging storytelling he makes a lively and provocative case for disruptive new approaches some drawn from personal experience some from the outside looking in How can leading corporations immediately disrupt our education establishment while creating high paying job opportunities for those currently left behind If we want a living wage for everyone how can we afford it while using an existing program to get it done now If we subsidize banks what simple changes can we make to the way we capitalize and regulate them to help grow the economy increase access and create more jobs while keeping the risks and benefits where they belong Greenblatt also explains how dramatically increasing immigration would be like giving every American a giant bonus and the reason Australia might be the best place to learn about saving for retirement Not everyone will agree with what Greenblatt has to say but all of us can benefit from the conversations he aims to start *Getting by on \$100,000 a Year, and Other Sad Tales*
