Margo's Blogs Jan 30 2023 *Margo's Blogs - Food for Your Soul* This book is a collection of some of my blogs, articles, essays, reflections and books spanning the past three decades on the subject of Spiritual Conscious Evolution. I realise I am one of millions others like me, who are devoted to the same cause but I also know that this is necessary to reach as many souls as possible. The many variations of teachers and methods of teaching are necessary to reach as many hearts and minds as possible, because alter all perceptions differ and levels of understanding differ as much as people differ. The subjects of these blogs cover intuition, consciousness evolution, self transformation, universal laws, change, respiration, meditation, suffering, balancing the masculine and the feminine energies, self-observation and much more. Everyone of these blogs is written in a timeless fashion and holds true today, as much as, the time in which they were written.

Abandoned Ships, Hijacked Minds Jun 22 2022 Against the odds, the Thesan colony—Margo's new home—is starting to thrive. However the group wasn't the first colony ship sent through the wormhole to settle a new solar system. Two other ships came before, and repeated efforts to communicate with them only return silence. Margo wants to remain a recluse hiding in her greenhouse away from the other colonists, especially her husband Gary. She wants to keep the side-effects of her last battle with the megalomaniac leader of The Conglomerate to herself. She certainly doesn't want to go traipsing across the solar system in search of the missing colonists. But nothing ever goes how she wants it to—especially now that they have a space-worthy, if antiquated, ship to investigate what happened to those other colonies. Reluctantly, she joins an awkward coalition of colonists and former insurgents on a mission to solve the mystery of what happened to the colonies that came before. In the end, what Margo finds changes everything.

Dying Embers and Shooting Stars May 10 2021 A chance remark by a sensitive daughter to her depressed mother sparks off this fulsome story. Unresolved issues, that have been haunting Margo for most of her adult life, are vividly recalled as she is catapulted into an intense psychological journey over a period of five days. Her re-awakening mind becomes increasingly aware that it has been set on automatic pilot for some years and little, further purpose is served by her accrued defences. In the process of review, she begins to recognize the psychic supports that have been with her all along and is somewhat surprised, as was the writer, at their identity. Internal landscapes range from a childhood in Scotland, to adulthood in Central Africa; from a stable village home, to a precarious city flat; from the wild, West Coast of Scotland, where gulls fly, to the wild streets of Glasgow, where gangs rule. The personal issues are explored with candour and pathos; but there is just as much genuine humour shared in the unfolding of these very human, and universally-recognized, life-situations. With its graphic imagery and flesh-and-blood characters, the story draws the reader into mystic worlds. The Author shines a light on the inner life and perpetual interconnectedness of all things and all beings. Ultimately, it is a tale of resilience and growth; insight and healing.

The Brides of Rollrock Island Jun 15 2024 On remote Rollrock Island, men go to sea to make their livings—and to catch their wives. The witch Misskaella knows the way of drawing a girl from the heart of a seal, of luring the beauty out of the beast. And for a price a man may buy himself a lovely sea-wife. He may have and hold and keep her. And he will tell himself that he is her master. But from his first look into those wide, questioning, liquid eyes, he will be just as transformed as she. He will be equally ensnared. And the witch will have her true payment. Margo Lanagan weaves an extraordinary tale of desire, despair, and transformation. With devastatingly beautiful prose, she reveals characters capable of unspeakable cruelty, but also unspoken love.

The Maternal Experience Jul 24 2022 *The Maternal Experience* explores the powerful and dynamic nature of maternal ambivalence and disrupts the conventional narrative of the mother's lived experience by arguing that encounters with feelings of hatred are both universal and have the capacity to stimulate and enrich her maternal love. The book draws on the author's personal mothering experiences, those of other women, and examples from film to inspire new introspection about the everyday maternal experience. Lowy takes a psychosocial approach to weave thinking from selected psychoanalytic and contemporary accounts together with personal stories to explore how maternal ambivalence operates, and how mothering is sourced in psychic struggles between loving and hating feelings in an atmosphere that is rife with social and personal expectations and prohibitions. By reworking the experience of maternal ambivalence, the book secures an understanding of the mother's feelings of hatred as a catalyst for her love and allows these maligned and taboo emotions to be named and reframed into acceptable and transformative feelings. Brought alive by examples from film and first-hand experience, this book is fascinating reading for academics and students of psychology, maternal and women's studies, and sociology, as well as practitioners in the fields of psychology, social work, medicine and counselling.

Meeting of Generals Apr 08 2021 D-Day Normandy, 1944. Twenty thousand, five hundred strong, the 12th Waffen-ss Hitler Youth Division marched into battle against Allied Forces. They were the last cream of the German youth, seventeen- and eighteen-year-old lads trained and led by a cadre of battle-hardened officers and NCOs who had survived four years of war in Europe and on the Russian front. With only a year of training, they were nevertheless ferocious fighters. At one critical point in the battle the depleted 12th ss Division fought three Canadian and three British divisions to a standstill. Eighty-five days after the landings, at the Battle of Falaise Gap, less than five hundred of the 12th Divisions front line troops remained. The rest were dead, wounded or captured. MEETING OF GENERALS is the study of a terrible war viewed from the two sides of a battlefield on which different moral and political ideologies struggled to prevail. Parallel biographies trace Generals Meyers and Fosters careers their youth, their ambitions, their sweethearts, their sorrows and personal tragedies and show how each reflected the values of the nation that he served. In the end, both generals realize at Meyers War Crimes court-martial that in war there are no winners or losers only victims.

On Michael Jackson Oct 27 2022 The renowned Pulitzer Prize–winning cultural critic brilliantly unravels the complexities of one of the most enigmatic figures of our time in this passionate, incisive, and bracing work of cultural analysis. Who is Michael Jackson and what does it mean to call him a “What Is It”? What do P. T. Barnum, Peter Pan, and Edgar Allan Poe have to do with our fascination with Jackson? How did his curious Victorian upbringing and his tenure as a child prodigy on the “chitlin’ circuit” inform his character and multiplicity of selves? How is Michael Jackson’s celebrity related to the outrageous popularity of nineteenth-century minstrelsy? What is the perverse appeal of child stars for grown-ups and what is the price of such stardom for these children and for us? What uncanniness provoked Michael Jackson to become “Alone of All His Race, Alone of All Her Sex,” while establishing himself as an undeniably great performer with neo-Gothic, dandy proclivities and a producer of visionary music videos? What do we find so unnerving about Michael Jackson’s presumed monstrosity? In short, how are we all of us implicated? In this stunning book, Margo Jefferson gives us the incontrovertible lowdown on call-him-what-you-wish; she offers a powerful reckoning with a quintessential, richly allusive signifier of American society and popular culture.
