Babylon Revisited and Other Stories (Fitzgerald's Greatest Short Stories) Feb 27 2024

This carefully crafted ebook: "Babylon Revisited and Other Stories (Fitzgerald's Greatest Short Stories)" is formatted for your eReader with a functional

and detailed table of contents. *Babylon Revisited and Other Stories* is a collection of Fitzgerald's ten best-known short stories written between 1920 and 1937. The Stories are set in the year after the stock market crash of 1929, just after what Fitzgerald called the "Jazz Age". Brief flashbacks take place in the Jazz age itself. Also it shows several references to the depression, and how the character had to adapt his life to it. Much of it is based on the author's own experiences. The story *Babylon Revisited* is based on a true incident regarding Fitzgerald, his daughter "Scottie", his sister-in-law Rosalind and her husband Newman Smith, on whom Marion and Lincoln Peters are based. Rosalind and Newman had not been able financially to live as well as Scott and Zelda had lived during the 1920s, and they had always regarded Scott as an irresponsible drunkard whose obsession with high living was responsible for Zelda's mental problems. When Zelda suffered a breakdown and was committed to a sanitarium in Switzerland, Rosalind felt that Scott was unfit to raise their daughter and that Rosalind and Newman should adopt her. Francis Scott Key Fitzgerald (1896 -1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the

Jazz Age. He is widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. Table of Contents: The Ice Palace May Day The Diamond as Big as the Ritz Winter Dreams Absolution The Rich Boy The Freshest Boy Babylon Revisited Crazy Sunday The Long Way Out

University of Michigan Official Publication May 20 2023

The Way to Rainy Mountain Mar 30 2024 First published in paperback by UNM Press in 1976, The Way to Rainy Mountain has sold over 200,000 copies. "The paperback edition of The Way to Rainy Mountain was first published twenty-five years ago. One should not be surprised, I suppose, that it has remained vital, and immediate, for that is the nature of story. And this is particularly true of the oral tradition, which exists

in a dimension of timelessness. I was first told these stories by my father when I was a child. I do not know how long they had existed before I heard them. They seem to proceed from a place of origin as old as the earth. "The stories in *The Way to Rainy Mountain* are told in three voices. The first voice is the voice of my father, the ancestral voice, and the voice of the Kiowa oral tradition. The second is the voice of historical commentary. And the third is that of personal reminiscence, my own voice. There is a turning and returning of myth, history, and memoir throughout, a narrative wheel that is as sacred as language itself."--from the new Preface

[An Occurrence at Owl Creek Bridge](#) Sep 23 2023 Classic Books Library presents this brand new edition of the short story, "An Occurrence at Owl Creek Bridge" (1890) by Ambrose Bierce. In this text Bierce creatively uses both structure and content to explore the concept of time, from present to past, and reflecting its transitional and illusive qualities. The story is one of Bierce's most popular and acclaimed works, alongside "The Devil's Dictionary" (1911). Bierce (1842-c. 1914) was an American writer, journalist and Civil War veteran associated with the realism literary movement. His writing is noted for its cynical, brooding tones and structural precision.

I'm an English Major - Now What? Apr 06 2022 Find a Job

You Love With Your English Degree What do Steven Spielberg, Alan Alda, Barbara Walters, Clarence Thomas, Diane Sawyer, and Stephen King have in common? That's right--they were English majors who now have successful careers. *I'm an English Major - Now What?* helps English majors and graduates understand their skills and talents so they can find satisfying jobs across a diversity of fields and dispels common fears and misconceptions that English majors will never make good money. In this book, you'll learn:

- How an English major background can be very marketable
- How an English major's skills can be applied to an array of jobs and careers (beyond teaching and writing)
- How an English major can develop valuable skills and experience through school and extracurricular activities

You'll also find answers to common questions such as:

- Should I go to graduate school? Should I wait?
- How do I begin a freelancing career?
- Would I do well in a corporate setting?

Authored by a former English major with professional experience across many areas, including corporate communications, journalism, publishing, teaching, and writing, this guide also features more than a dozen interviews with English majors who were able to translate their skills into satisfying careers.
