The Disciplined Life Richard Taylor

The Disciplined Life Richard S. Taylor, 2017-02-01 In a world where instant gratification and self indulgence reign supreme The Disciplined Life The Mark of Christian Maturity by Richard S Taylor serves as a clarion call for Christians to embrace the transformative power of discipline Drawing from biblical wisdom and practical insights Taylor argues that true spiritual growth and personal fulfillment can only be achieved through a life of intentional self control perseverance and courage This thought provoking book challenges readers to confront their aversion to restraint and offers guidance on cultivating the inner strength necessary to overcome life s trials and temptations

Restoring Pride Richard Taylor, 1996 Restoring Pride is elitist in that it acknowledges that some people are better as human beings than others and that they have made themselves so by perfecting their natural talents The idea of the Sermon on the Mount that the poor and the meek are blessed is repudiated Instead Taylor embraces the classical Greek ideal of virtue as personal excellence without any suggestion that everyone is equal in worth The proud setting the rules and standards for themselves are apt to be looked on as unconventional However one invariable rule guides their behavior toward others considerateness The same egalitarian standard applies to their treatment under the law in a democratic society

Going All In Mark Batterson, 2013-09-24 This powerful booklet excerpted from All In tells us that the Gospel costs nothing but demands everything If Jesus is not Lord of all He is not Lord at all It s all or nothing It s now or never It s time to ante up and go all in with God No one has ever sacrificed anything for God If you always get back more than you gave up have you sacrificed anything at all The eternal reward always outweighs the temporal sacrifice At the end of the day our greatest regret will be whatever we didn t give back to God What we didn t push back across the table to Him Eternity will reveal that holding out is losing out Batterson writes For many years I thought I was following Jesus I wasn t I had invited Jesus to follow me I call it inverted Christianity And it s a subtle form of selfishness that masquerades as spirituality That s when I sold out and bought in When did we start believing that the gospel is an insurance plan It s a daring plan Jesus did not die just to keep us safe He died to make us dangerous

A Quest for Godliness James Innell Packer, 1994 Surveys the teachings and beliefs of the Puritans and calls today s Christians to follow their example of spiritual maturity

Positively 4th Street David Hajdu, 2011-04-26 The story of how four young bohemians on the make Bob Dylan Joan Baez Mimi Baez and Richard Farina converged in Greenwich Village fell into love and invented a sound and a style that are one of the most lasting legacies of the 1960s When Bob Dylan age twenty five wrecked his motorcycle on the side of a road near Woodstock in 1966 and dropped out of the public eye he was recognized as a genius a youth idol and the authentic voice of the counterculture and Greenwich Village where he first made his mark as a protest singer with an acid wit and a barbed wire throat was unquestionably the center of youth culture So embedded are Dylan and the Village in the legend of the Sixties one of the most powerful legends we have these days that it is easy to forget how it all came about In *Positively Fourth Street* David Hajdu whose 1995 biography of jazz composer Billy Strayhorn was the best and most popular music book in many seasons tells the story of the emergence of folk music from cult practice to popular and enduring art form as the story of a colorful foursome not only Dylan but his part time lover Joan Baez the first voice of the new generation her sister Mimi beautiful haunted and an artist in her own right and her husband Richard Farina a comic novelist *Been Down So Long It Looks Like Up To Me* who invented the worldwise bohemian persona that Dylan adopted some say stole and made as his own The story begins in the plain Baez split level house in a Boston suburb moves to the Cambridge folk scene Cornell University where Farina ran with Thomas Pynchon and the University of Minnesota where Robert Zimmerman christened himself Bob Dylan and swapped his electric guitar for an acoustic and a harmonica rack before the four protagonists converge in New York Based on extensive new interviews and full of surprising revelations *Positively Fourth Street* is that rare book with a new story to tell about the 1960s It is in a sense a book about the Sixties before they were the Sixties about how the decade and all that it is now associated with it were created in a fit of collective inspiration with an energy and creativity that David Hajdu captures on the page as if for the first time
