Innerspace Aryeh Kaplan,1990 Based on a series of lectures that Rabbi Aryeh Kaplan gave to a small group of students in Brooklyn in 1981 this contains transcripts of the series on the Kabbalistic system and testifies to his wonderful ability to transmit profound ideas in a readily graspable way Although this is an introductory text it contains many perspectives that are expressed in a unique way so it would be quite valuable even for the more advanced student of Jewish mysticism

אור החיים Aryeh Kaplan, 1993 The late Aryeh Kaplan was one of the most creative personalities to bless the Jewish scene in the last generation At his death he left many unpublished articles and other works This collection contains some of his most provocative insights combining ancient Kabbalistic teaching with the discoveries of modern science Among the topics covered in this volume are such basic concepts as the Jewish and Kabbalistic view of immortality resurrection of the dead the age of the universe and astrology All are published for the first time The book also includes a translation of Rabbi Israel Lipschitz 1845 article on resurrection which deals in part with the paleontological discoveries of the first half of the nineteenth century It is thus one of the earliest such treatments by an Orthodox thinker one which Rabbi Kaplan referred to and uses as a precedent for his own views

Kabbalah and the Age of the Universe Aryeh Kaplan, 2007 This essay is an examination of the age of the universe as discussed in Kabbalistic works It is important to realize that the Kabbalistic texts do not only discuss mysticism but also many areas of hashkafah Jewish outlook which are of great importance to us Let us begin with the classic question asked about the age of the universe At face value the Torah seemingly teaches us that the universe is 6 000 years old Therefore many people would hold the opinion that anyone who believes that the world is older than 6 000 years is an apikores one who denies the basic tenets of Judaism However there is scientific evidence that the universe is more than 6 000 years old maybe millions of times more How do we resolve this question

[The Shambhala Guide to Kabbalah and Jewish Mysticism](#) Perle Besserman, 1998-01-20 Jewish mystics from biblical times to the present have explored the hidden secrets of the Torah in quest of a single goal to lose the self in the Infinite No thingness Ein Sof and be at one with God In language accessible to the layperson this Shambhala Guide provides a detailed introduction to the complex world of Kabbalah and Jewish mysticism With an extensive background in meditation practice Perle Besserman emphasizes Kabbalah s spiritual disciplines grounded in righteous living devotional practices and meditation She discusses the Kabbalistic universe including the four worlds and ten sefirot Jewish meditation techniques and instructions for beginning meditation mystics and teachers from Rabbi Akiva and the Baal Shem Tov to Aryeh Kaplan the often uneasy relationship between Kabbalah and mainstream Judaism and applying the ancient wisdom of Jewish mysticism to life in the world of today

Practical Kabbalah Laibl Wolf, 2010-05-19 Kabbalah is an ancient Jewish wisdom that explains the laws of spiritual energy Up until very recently the Kabbalah was reserved for the elite those who only after years of scholarship and practice were allowed to enter this mystical realm However one doesn t need to devote one s life to intense study to reap the rich rewards of the Kabbalah With just a basic understanding of a few key concepts our lives can be enriched immensely We can then begin to fulfill our deepest dreams and reach our most important goals becoming the people we long to become By learning to understand the Sefirot the ten spiritual properties that flow from the cosmic source into our heart we can connect to the universe and profoundly transform our experience of daily life For example Hessed or loving kindness represents the desire to be generous while Gevurah is the desire to focus intently or withhold These properties must be balanced in order for harmony and well being to occur Rabbi Laibl Wolf shows how to maintain that balance and enjoy a healthy and productive life by using simple meditation and creative visualization techniques to grasp the spiritual nature of our life Practical Kabbalah draws upon ancient wisdom but offers a modern interpretation and easy to understand techniques for delving deeper into our selves and our world and for reaping the bounteous gifts that were always meant for us

The Handbook of Jewish Meditation Practices David A. Cooper, 2000 To nourish your spiritual self you need rest from your hectic life This book shows you how to do it Renew the soul and your perspective of daily life will completely change It is simply a matter of taking time slowing down shifting mundane consciousness into realms of higher insight and giving yourself the gift of reflection and contemplation from the Introduction While broad interest in Jewish meditation is a relatively new phenomenon meditative practices have been deeply rooted in Judaism for thousands of years Here Rabbi David A Cooper shows newcomers and experienced meditators alike how Jewish meditation can be an integral part of daily life and can refresh us in our day to day encounters with ourselves other people and in ritual prayer Torah study and our celebration of the Sabbath and other holy days

One God Clapping Alan Lew, Sherril Jaffe, 2001 From Zen Buddhist practitioner to rabbi East meets West in this firsthand account of a spiritual journey Rabbi Alan Lew is known as the Zen Rabbi a leader in the Jewish meditation movement who works to bring two ancient religious traditions into our everyday lives One God Clapping is the story of his roundabout yet continuously provoking spiritual odyssey It is also the story of the meeting between East and West in America and the ways in which the encounter has transformed how all of us understand God and ourselves Winner of the PEN Joseph E Miles Award Like a Zen parable or a Jewish folk tale One God Clapping unfolds as a series of stories each containing a moment of revelation or instruction that while often unexpected is never simple or contrived One God Clapping like the life of the remarkable Alan Lew himself is a bold experiment in the integration of Eastern and Western ways of looking at and living in the world

The Bahir Aryeh Kaplan, 2001-01-15 The Bahir is one of the oldest and most influential of all classical Kabbalah texts Until the publication of the Zohar the Bahir was the most widely quoted primary source of Kabbalistic teachings The Bahir is quoted in every major book on Kabbalah the earliest being the Raavad's commentary on Sefer Yetzirah and it is cited numerous times by Rabbi Moshe ben Nachman Ramban in his commentary on the Torah It is also quoted many times in the Zohar It was first published around 1176 by the Provence school of Kabbalists the first printed edition appeared in Amsterdam in 1651 The name Bahir is derived from the first verse quoted in the text Job 37 21 And now they do not see light it is brilliant Bahir in the skies It is also called the Midrash of Rabbi Nehuniah ben HaKana particularly by the Ramban The reason might be that Rabbi Nehuniah's name is at the very beginning of the book but most Kabbalists actually attribute the Bahir to him and his school Some consider it the oldest kabbalistic text ever written Although the Bahir is a fairly small book some 12 000 words in all it was very highly esteemed among those who probed its mysteries Rabbi Judah Chayit a prominent fifteenth century Kabbalist writes Make this book a crown for your head Much of the text is very difficult to understand and Rabbi Moshe Cordevero 1522 1570 head of the Safed school of Kabbalah says The words of this text are bright Bahir and sparkling but their brilliance can blind the eye One of the most important concepts revealed in the Bahir is that of the Ten Sefirot and careful analysis of these discussions yields much of what will be found in later kabbalistic works as well as their relation to anthropomorphism and the reason for the commandments Also included is a discussion of reincarnation or Gilgul an interpretation of the letters of the Hebrew alphabet the Thirty two Paths of Wisdom and the concept of Tzimtzum
