In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-genius everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business

consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll.

“Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (*The New York Times Book Review*). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless

of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (*The Wall Street Journal*). The third book in Lois Lowry’s *Giver Quartet*, which began with the bestselling and Newbery Medal-winning *The Giver*. Trouble is brewing in Village. Once a utopian community that prided itself on welcoming strangers, Village will soon be cut off to all outsiders. As one of the few able to traverse the forbidding Forest, Matty must deliver the message of Village’s closing and try to convince Seer’s daughter Kira to return with him before it’s too late. But Forest is now hostile to Matty

as well. Now he must risk everything to fight his way through it, armed only with an emerging power he cannot yet explain or understand. "Told in simple, evocative prose, this companion to *The Giver* and *Gathering Blue* can stand on its own as a powerful tale of great beauty." —Kirkus (starred review) *Messenger* is the masterful third novel in Lois Lowry's *Giver Quartet*, which includes *The Giver*, *Gathering Blue*, and *Son*. Precocious Katy Thatcher comes to realize what a gentle, silent boy did for his family. He meant to help, not harm. It didn't turn out that way. "The author balances humor and generosity with the obstacles and injustice of Katy's world to depict a complete picture of the turn of the 20th century."—*Publishers Weekly*, Starred What does it mean when a fictional hero takes a journey? Shares a meal? Gets drenched in a sudden rain shower? Often, there is much more going on in a novel or poem than is readily visible on the surface—a symbol, maybe, that remains

elusive, or an unexpected twist on a character—and there's that sneaking suspicion that the deeper meaning of a literary text keeps escaping you. In this practical and amusing guide to literature, Thomas C. Foster shows how easy and gratifying it is to unlock those hidden truths, and to discover a world where a road leads to a quest; a shared meal may signify a communion; and rain, whether cleansing or destructive, is never just rain. Ranging from major themes to literary models, narrative devices, and form, *How to Read Literature Like a Professor* is the perfect companion for making your reading experience more enriching, satisfying, and fun. *THE GIVER* is soon to be a major motion picture starring Jeff Bridges, Katie Holmes and Taylor Swift. Now available for the first time in the UK, *THE GIVER QUARTET* is the complete four-novel collection. About the Novel: The Giver is a Newbery Medal winning story about a child named Jonas who lives in a futuristic society in which everything is managed and controlled, eliminating hatred, hunger, war, love, families and personal decisions. When Jonas is assigned the task of becoming

the next Receiver of Memory, the Giver transmits memories of a past world where hatred, war and love existed, revealing the truth to the young boy. Jonas soon realizes the horrors of his "perfect" society. Through the memories imparted to him from the Giver, Jonas also learns of an alternative, better world. The Giver and Jonas come to the realization that for the good of the community, these memories must be transferred to the entire community. In order to do this, Jonas and the Giver must leave—the Giver through death, and Jonas through escape.
