The Thirteenth Tribe Khazar Empire And Its Heritage Arthur Koestler

The Thirteenth Tribe Arthur Koestler, 1976-01-01 Koestler advances the thesis that Ashkenazi Jews are not descended from the historical Israelites of antiquity but from Khazars a Turkic people originating in and populating an empire north of and between the Black Sea and Caspian Sea Koestler's hypothesis is that the Khazars who converted to Judaism in the 8th century migrated westwards into current Eastern Europe primarily Ukraine Poland Belarus Lithuania Hungary and Germany in the 12th and 13th centuries when the Khazar Empire was collapsing At the end of the book's last chapter Koestler summarises its content and his intentions as follows In Part One of this book I have attempted to trace the history of the Khazar Empire based on the scant existing sources In Part Two Chapters V VII I have compiled the historical evidence which indicates that the bulk of Eastern Jewry and hence of world Jewry is of Khazar Turkish rather than Semitic origin In the last chapter I have tried to show that the evidence from anthropology concurs with history in refuting the popular belief in a Jewish race descended from the biblical tribe

The Thirteenth Tribe Arthur Koestler, 2014-05 This book traces the history of the ancient Khazar Empire a major but almost forgotten power in Eastern Europe which in the Dark Ages became converted to Judaism Khazaria was finally wiped out by the forces of Genghis Khan but evidence indicates that the Khazars themselves migrated to Poland and formed the cradle of Western Jewry To the general reader the Khazars who flourished from the 7th to 11th century may seem infinitely remote today Yet they have a close and unexpected bearing on our world which emerges as Koestler recounts the fascinating history of the ancient Khazar Empire At about the time that Charlemagne was Emperor in the West The Khazars sway extended from the Black Sea to the Caspian from the Caucasus to the Volga and they were instrumental in stopping the Muslim onslaught against Byzantium the eastern jaw of the gigantic pincer movement that in the West swept across northern Africa and into Spain Thereafter the Khazars found themselves in a precarious position between the two major world powers the Eastern Roman Empire in Byzantium and the triumphant followers of Mohammed As Koestler points out the Khazars were the Third World of their day They chose a surprising method of resisting both the Western pressure to become Christian and the Eastern to adopt Islam Rejecting both they converted to Judaism Mr Koestler speculates about the ultimate faith of the Khazars and their impact on the racial composition and social heritage of modern Jewry He produces a large body of meticulously detailed research

The Khazars Mikhail Zhironov, David Nicolle, 2019-01-24 The Khazars were one of the most important Turkic peoples in European history dominating vast areas of southeastern Europe and the western reaches of the Central Asian steppes from the 4th to the 11th centuries AD They were also unique in that their aristocratic and military elites converted to Judaism creating what would be territorially the largest Jewish ruled state in world history They became significant allies of the Byzantine Empire blocking the advance of Islam north of the Caucasus Mountains for several hundred years They also achieved a remarkable level of metal working

technology and their military elite wore forms of iron plate armour that would not be seen in Western Europe until the 14th century The Khazar state provided the foundations upon which medieval Russia and modern Ukraine were built Fully illustrated with detailed colour plates this is a fascinating study into the armies organisation armour weapons and fortifications of the Khazars

The Jews of Khazaria Kevin Alan Brook,2006-09-27 The Jews of Khazaria chronicles the history of the Khazars a people who in the early Middle Ages founded a large empire in eastern Europe located in present day Ukraine and Russia The Khazars played a pivotal role in world history Khazaria was one of the largest sized political formations of its time an economic and cultural superpower connected to several important trade routes It was especially notable for its religious tolerance and in the 9th century a large portion of the royal family converted to Judaism Many of the nobles and commoners did likewise shortly thereafter After their conversion the Khazars were ruled by a succession of Jewish kings that began to adopt the hallmarks of Jewish civilization including the Torah and Talmud the Hebrew script and the observance of Jewish holidays In this thoroughly revised edition of a modern classic The Jews of Khazaria explores many exciting new discoveries about the Khazars religious life economy military government and culture It builds upon new studies of the Khazars evaluating and incorporating recent theories along with new documentary and archaeological findings The book gives a comprehensive accounting of the cities towns and fortresses of Khazaria and features a timeline summarizing key events in Khazar history

The Invention of the Jewish People Shlomo Sand,2010-06-14 A historical tour de force The Invention of the Jewish People offers a groundbreaking account of Jewish and Israeli history Exploding the myth that there was a forced Jewish exile in the first century at the hands of the Romans Israeli historian Shlomo Sand argues that most modern Jews descend from converts whose native lands were scattered across the Middle East and Eastern Europe In this iconoclastic work which spent nineteen weeks on the Israeli bestseller list and won the coveted Aujourd'hui Award in France Sand provides the intellectual foundations for a new vision of Israel's future

From Babylon to Timbuktu Rudolph Windsor,2023-11-02

The Origin of Ashkenazi Jewry Jits van Straten,2011-03-29 Where do East European Jews about 90 percent of Ashkenazi Jewry descend from This book conveys new insights into a century old controversy Jits van Straten argues that there is no evidence for the most common assumption that German Jews fled en masse to Eastern Europe to constitute East European Jewry Dealing with another much debated theory van Straten points to the fact that there is no way to identify the descendants of the Khazars in the Ashkenazi population Using a multidisciplinary approach the author draws heavily on demographic findings which are vital to evaluate the conclusions of modern DNA research Finally it is suggested that East European Jews are mainly descendants of Ukrainians and Belarussians

UPDATE The article The origin of East European Ashkenazim via a southern route Aschkenas 2017 27 1 239 270 is intended to clarify the origin of East European Jewry between roughly 300 BCE and 1000 CE It is a supplement to this book

Koestler Michael Scammell,2009-12-29 From award winning author Michael Scammell comes a

monumental achievement the first authorized biography of Arthur Koestler one of the most influential and controversial intellectuals of the twentieth century Over a decade in the making and based on new research and full access to its subject's papers Koestler is the definitive account of this fascinating and polarizing figure Though best known as the creator of the classic anti Communist novel *Darkness at Noon* Koestler is here revealed as much more a man whose personal life was as astonishing as his literary accomplishments Koestler portrays the anguished youth of a boy raised in Budapest by a possessive and mercurial mother and an erratic father marked for life by a forced operation performed without anesthesia when he was five growing up feeling unloved and unprotected Here is the young man whose experience of anti-Semitism and devotion to Zionism provoked him to move to Palestine the foreign correspondent who risked his life from the North Pole to Franco's Spain where he was imprisoned and sentenced to death the committed Communist for whom the brutal truth of Stalin's show trials inspired the superb and angry novel that became an instant classic in 1940 Scammell also provides new details of Koestler's amazing World War II adventures including his escape from occupied France by joining the Foreign Legion and his bluffing his way illegally to England where his controversial novel *Arrival and Departure* published in 1943 was the first to portray Hitler's Final Solution Without sentimentality Scammell explores Koestler's turbulent private life his drug use his manic depression the frenetic womanizing that doomed his three marriages and led to an accusation of rape that posthumously tainted his reputation and his startling suicide while fatally ill in 1983 an act shared by his healthy third wife Cynthia rendered unforgettably as part of his dark and disturbing legacy Featuring cameos of famous friends and colleagues including Langston Hughes George Orwell and Albert Camus Koestler gives a full account of the author's voluminous writings making the case that the autobiographies and essays are fit to stand beside *Darkness at Noon* as works of lasting literary value Koestler adds up to an indelible portrait of this brilliant unpredictable and talented writer once memorably described as one third blackguard one third lunatic and one third genius

Darkness at Noon Arthur Koestler, 1941

The Wind of the Khazars Marek Halter, 2006 At a time when Charlemagne ruled the Byzantines were encroaching upon Russia and the faith of Allah was flourishing in Baghdad there existed a kingdom with a tolerant advanced civilization somewhere between the Caucasus mountains and the Volga the Khazar kingdom grew and flourished and in one of the oddest choices ever made converted itself to Judaism A thousand years later when the writer Marc Sofer is given an ancient Khazarian coin by a mysterious visitor he is drawn into investigating the fascinating enigma of the Khazars Why did these Steppe warriors decide to become Jews Why after centuries of power and prosperity were they effaced from history What is the connection between this ancient vanished people and the terrorist group calling themselves the New Khazars who have begun attacking oil plants on the Caspian sea Taking place both in the 10th century and the 21st this absorbing dramatic tale is part historical novel part thriller The story of the Khazars is interwoven with a contemporary political conspiracy in an unusual blend of reality and fiction that explores the ever important themes of history and identity
