I Am One of You Forever Fred Chappell,1987-07-01 Wonderfully funny and also deeply touching I Am One of You Forever is the story of a young boy s coming of age Set in the hills and hollows of western North Carolina in the years around World War II it tells of ten year old Jess and his family father mother grandmother foster brother and an odd assortment of other relatives who usher Jess into the adult world with all its attendant joys and sorrows knowledge and mystery Jess s father is feisty restless and fun loving His mother is straitlaced and serious but accepts with grace and good humor the antics of the men of the family a trait she learned from her own mother Johnson Gibbs is the orphaned teenager who comes to live with them on their mountain farm Life on the laurel covered mountain is isolated and at times difficult but for Jess it is made rich and remarkable through his relationship with his father and especially Johnson Gibbs Visiting the farm from time to time is a gallery of eccentric relatives who are surely among the most memorable creations in recent fiction Uncle Luden is a womanizer who left the mountains years ago for a job in California that paid actual cash money Uncle Gurton has a spooky way of appearing and disappearing without ever seeming to enter or exit but it is his flowing beard which he has apparently never trimmed and which he keeps tucked inside his overalls that is of most fascination to Jess Uncle Zeno is a storyteller With the words That puts me in mind of everyone around knows that he is about to launch into another of his endless tales Uncle Runkin who always brings his handmade coffin to sleep in whenever he visits spends his time carving intricate designs into the coffin and trying to find just the right epitaph for his tombstone Aunt Samantha Barefoot stops by for a brief spell too A country singer and cousin to Jess s grandmother she is a woman of uncensored speech Jess learns a lot from her and honest emotions Chappell tells the story of all of these characters in a series of chapters that range from fantasy and near farce to pathos As notable for its lyrical descriptions of the rural settings as for its finely honed vernacular dialogue I Am One of You Forever shows us a world full of wit and wisdom and the sadness at the heart of things As one would expect from a poet like Fred Chappell every line offers its own pleasures and satisfactions

A Loss for Words Lou Ann Walker, 2011-10-04 A deeply moving often humorous and beautiful account of what it means to be the hearing child of profoundly deaf parents I have rarely read anything on the subject more powerful or poignant than this extraordinary personal account by Lou Ann Walker Oliver Sacks From the time she was a toddler Lou Ann Walker acted as the ears and voice for her parents who had lost their hearing at a young age As soon as she was old enough to speak her childhood ended and she immediately assumed the responsibility of interpreter translating doctors appointments and managing her parents business transactions Their family life was warm and loving but outside the home they faced a world that misunderstood and often rejected them In this deeply moving memoir Walker offers us a glimpse of a different world bringing with it a broader reflection on how parents grow alongside their children and how children learn to navigate the world through the eyes of their parents

Different Ways of Being Alan Balter, 2015-11-19 From Linkville Press For Willa and Robert it's a quiet time The sky takes on a greenish hue and great bolts of lightning zigzag overhead The rumble of thunder vibrates through the floor and trees bend against the wind Hailstones some the size of marbles pepper the windows and fracture on the driveway and sidewalks Shutters flap against the siding Soon the street is littered with tree branches roofing shingles and assorted trash A riderless tricycle blows by in odd concert with a trash can and a soccer ball The noise is considerable but for Willa and Robert it's a quiet time It's always a quiet time So begins *Different Ways of Being* Alan Balter's strong and sensitive novel about people who are Deaf Willa and Robert are congenitally deaf and members of the Deaf Culture They communicate with American Sign Language and prefer to socialize with other Deaf rather than interact with people who hear For them deafness is not a disability thus they don't want to hear any more than hearing people want to be deaf They consider marriages between deaf and hearing people to be mixed marriages that are destined to fail So strong are the beliefs of members of the Deaf Culture that many would choose to abort a pregnancy rather than have a hearing child
